AND

MEMORANDUM OF ASSOCIATION

On Community Engagement Between The

Literacy Helping Hands and CMR College of Engineering & Technology.

This MoA is an understanding between CMR College of Engineering & Technology and Literacy Helping Hands, here in after referred for community engagement to incur the benefit of student community. Desiring to promote better understanding the students of CMRCET and LHH, to strengthen the relationship between the two entities through Literacy based activities by providing the platform to involve students in educational and soft skills development and to exchange student thoughts on a visibility scale.

Believing that the expansion of mutually beneficial cooperation and exchange will facilitate the achievement of these aims mentioned below, and desiring to strengthen the links already established between educational communities in both entities.

Areas of work:

By this MoA we make students to focus and involve their efforts in development of villages by mainly focusing on the domains namely Human development and material (economic) development which need to be developed in an integrated way. The major components of these two domains are given below:

a) Human Development

- i. Health
- ii. Education and Culture
- iii. Values
- iv. Skills and Entrepreneurship

b) Material (Economic) Development

- i. Organic Agriculture
- ii. Water Management and Conservation
- iii. Renewable Energy Sources
- iv. Artisans and Rural Industries
- v. Development and Harnessing of Local Natural Resources
- vi. Basic Amenities
- vii. E-Support (IT-Enabling)

C) Sustainable Development Goals

The Government of India is strongly committed to the 2030 Agenda, including the SDGs, as evidenced by the statements of the Prime Minister and other senior Ministers at national and international meetings. India's national development goals and its "sab ka saath, sab ka vikas" or "development with all, and for all," policy initiatives for inclusive development converge well with the SDGs, and India will play a leading role in determining the success of the SDGs, globally. As Prime Minister Narendra Modi noted, "These goals reflect our evolving understanding of the social, economic and environmental linkages that define our lives."

Both entities have reached the following understandings as follows:

Outcomes from the MoA beneficial to CMR College of Engineering & Technology:

1. The proposed facilities will NOT INCLUDE ANY commercials at any point of time.
2. LHH can play as your official student outreach channel. Also, our first reader can be your next student. Falls in the same line as our vision: TODAY'S STUDENTS ARE TOMORROW LEADERS.
3. All the tasks, activities, campaigns are managed and monitored by the LHH- Student Team, Volunteers.
4. An opportunity to get on to the most happening NPO platform. Where students, Mentors, Technocrats, Start-ups, Entrepreneurs, meet to concern, conquer and learn more about the self-development, tech and soft skills, to help the backward communities in literacy.
5. The information/Data which is inclusive of CMR College of Engineering & Technology will not be shared with any other third party at any point of time.
6. As a community engagement entity-LHH will be able to offer you the best speaker, Mentors, Industry support whenever possible (at sole discretion, interest and availability of speakers) and wherever required in need of the hour.
7. An open opportunity for the students to excel not only in academics, career, also to help them for a global outreach to deliver his thoughts to fellow peers from across India and globally. Be one among the few who desires to make students excel or change.
8. A chance to witness or host most happening events, start-ups conclave, prime participation opportunities, mutual benefitted initiatives and future prospects.
9. To connect students with professionals from different communities and involving them in initiatives taken by LHH
10. Students will be taking the membership in LHH Projects, If they want to work towards SDG's.

Outcomes from the MoA beneficial to Literacy Helping Hands:

1. Host to help LHH Student team, LHH Members are the once who desires to run and continue the relationship with LHH and Host.
2. Help Literacy Helping Hands to host events, fund raising contests, Technical and soft skills development sessions, campaigns at your venue according to the annual meeting of Literacy Helping Hands.
3. Help LHH to grow as one of the best organizations for the development of Literacy among all the communities by being a part of it.
4. Help in intake of student members and appoint them as the LHH-Members, coordinators, volunteers. As there is a saying "GREAT TEAMS MAKE GREAT THINGS".

MISCELLANEOUS:

1. Neither party shall be liable by reason of failure or delay in the platform of its obligations under this MoA, if such failure or delay is caused by acts of nature, strikes, or any other cause beyond its control and without its failure or negligence.
2. This MoA supersedes all prior understandings, if any between the parties concerning the subject hereof.
3. No amendments to the MoA shall be valid unless executed in writing and signed by both parties

IN WITNESS WHEREOF the parties hereto have signed this MOA as of the day and year first above written, signed and delivered for and on behalf of signed and delivered for and on behalf of.
