2. Convener welcomed all the members of the committee.
3. Members discussed the standard operating procedure of Ladies waiting Hall committee.

STANDARD OPERATING PROCEDURE FOR LADIES WAITING HALL COMMITTEE

Purpose

The purpose of this study was to assess the changes in student's Perceptions of waiting and overall satisfaction under specific conditions.

Waiting hall is a part of a building or a room, where people almost always the beginning of the healthcare experience stay until for which there waiting begins. Ladies Waiting Hall is large and well equipped right to meet the hassle of the girl students. Waiting room makes them feel relaxed and offers complete peace and comfort. Girl Students who has health issues during the college hours are permitted to take rest in the waiting hall without any difficulty. The College provides waiting halls especially for girl students to provide a girl's-safe and sound campus.

In a waiting room, the thing to be considered is:

- Wait time
- Infection control
- Different types of pupil with health issues

Scope

The scopes of the waiting room are

- Privacy in a public space.
- Flexibility to accommodate different types of waiting and users.
- To provide comfort in uncomfortable situations.
- Waiting hall is provided for students with full furniture and wash rooms.

Objective

The main objective of a waiting room is to clean effectively, prevent contamination into other areas, and to present a visually attractive restroom which makes them feel comfortable in times of need.

Roles and Responsibilities

- To keep the check of waiting hall at regular intervals.
- To maintain the winding machine in proper condition and to make a count of sanitary pads regularly.
- To counsel girls students regarding the usage of sanitary pads and their disposal.
- To counsel the students about hygiene during the time of illness and menstruation.
- To maintain the hygiene of waiting hall to control the contamination affecting other areas.
- To help them in case of any medical emergency.
- To provide a locker to the unwell student to safeguard their belongings.

Plan of Action:

- Student who ever is unwell should inform HOD and class coordinator to get the permission slip duly signed.
- Class co-coordinator will give permission to the student to use the waiting hall.
- The in charge that takes care of the waiting hall will check the condition of the student and let her go with the medical support if required; even doctor will be called in case of emergency.
- Make sure that the lockers provided are kept in good condition with locks and keys.
- Purchase of necessary things required for smooth maintenance of the waiting hall.
- Infectious waste should be subjected to incineration.
- Comfortable clean and tidy beds and even seating should be provided in the waiting hall.
- Changing of bed sheets and pillow covers should be done periodically twice in a week.
- Ensure that the waiting room attached with toilet is periodically cleaned twice in a day.
- Getting the winding machine serviced once in a while.

Frequency of committee meeting

- Once in every Semester

The undersigned were present for the meeting:
