### Report of Teachers Day

We the team of AARABDHI CULTURAL CLUB on the occasion of TEACHERS DAY took initiative in CMRCET.

A teacher is a friend, philosopher, and guide who holds our hand, opens our mind, and touches our heart. The contribution of a teacher cannot be ignored at all. In many countries across the world, teacher's day is a special day where teachers of schools, colleges, and universities are honored specially. The date varies from country to country. The universally accepted World Teacher's Day is 5th October. In India, the Teacher's Day is celebrated on 5th September and this tradition started from 1962. This is the when Dr. Sarvepalli Radhakrishnan was born. He was a philosopher, scholar, teacher, and politician and his dedicated work towards education made his birthday an important day in the history of India. We remember the great work of this exemplary person on this day.

Actually, this man, Dr. Sarvepalli Radhakrishnan was a friendly teacher and he was popular his students for the example he always set in front of them. So, one day his students and friends requested him to allow them to celebrate his birthday in a lavish way. In return he said that it would be his pride and honor if they celebrate his birthday in respect of all teachers. And since then this day 5th September is celebrated as Teacher's Day.

Ganesh chaturthi is celebrated on Shukla chaturthi of the Hindhu month of Bhadra. This festival is celebrated by hindus with a great enthusiasm. People bring idols of Lord Ganesh to their homes and do worship. The duration of this festival varies from 1 day to 11 days, depending on the place and tradition. ## Saraswathi Pooja Report

*Basant Panchami* is celebrated by Hindus in India, Nepal and other countries with much enthusiasm and vigour. *Basant Panchami*, or as some say *Vasant Panchami*, marks the beginning of the spring season - *Basant* means spring and *Panchami* means "the fifth day". On this day, Hindus visit temples and pray to Goddess Saraswati, who is the goddess of knowledge, and celebrate the day as Saraswati Puja.

*Basant Panchami* is the first of the two spring festivals of Hindus - the other being Holi. The festival is celebrated every year on the fifth day of "*Phalgun*" (the eleventh month of the Hindu calendar).

In India, the festival is celebrated across the country in different ways.

In West Bengal, people worship goddess Saraswati, the goddess of knowledge, education, music and art. The festival signifies that knowledge is supreme, and prevails over ignorance. Girls and women drape themselves in yellow traditional attires while men and boys wear clothes mostly in yellow.

The members of AARABDHI –CULTURAL CLUB took initiative in inviting the management, staff members & the students to attend the Pooja and take blessing of Goddess Saraswati, to prosper in knowledge of CMR family

The occasion was graced by our honorable Chaiman Ch. MallaReddy Garu, MP

All the students, staff and management enthusiastically participated in the pooja celebrations.

## Report On Durga Pooja

Durga Pooja celebrated in the mechanical workshop & all the staff, students & management present for the pooja. We the members of AARABDHI CULTURAL CLUB took an initiative on the occasion of DURGA POOJA ,to make Event grand success.

As it is also known as Astra Pooja ( Ayudha Pooja) prayers were offered to the machinery & equipments of all the Engineering Labs

**Durga Puja**, major festival of Hinduism, traditionally held for 10 days in the month of Ashvina (September–October), the seventh month of the Hindu calendar, and particularly celebrated in Bengal, Assam, and other eastern Indian states. Durga Puja celebrates the victory of the goddess Durga over the demon king Mahishasura. It begins on the same day as Navratri, a nine-night festival celebrating the divine feminine.

Durga Puja's first day is Mahalaya, which heralds the advent of the goddess. Celebrations and worship begin on Sasthi, the sixth day. During the following three days, the goddess is worshipped in her various forms as Durga, Lakshmi, and Sarasvati. The celebrations end with Vijaya Dashami ("Tenth Day of Victory" ), when, amid loud chants and drumbeats, idols are carried in huge processions to local rivers, where they are immersed. That custom is symbolic of the departure of the deity to her home and to her husband, Shiva, in the Himalayas. Images of the goddess—astride a lion, attacking the demon king Mahishasura—are placed at various pandals (elaborately decorated bamboo structures and galleries) and temples.

## Traditional Day Report:

The members of AARABDHI CULTURAL CLUB took an initiative to celebrate the TRADITIONAL DAY and to make grand success. On this day all our country tradition festivals were celebrated

Description. Día de la Tradición (**Tradition Day**) celebrates all that Argentineans are fiercely proud of: gaucho history and culture, asado and equestrian showmanship. This festival is held in honor of Jose Hernandez, an Argentinean poet who wrote famously about the **daily** life of the gauchos

**Traditional knowledge** refers to the **knowledge**, innovations and practices of **indigenous** and local communities around the world. Developed from experience gained over the centuries and adapted to the local culture and environment, **traditional knowledge** is transmitted orally from generation to generation.

It is an eventful day, it is observed as a celebration of diverse culture. It is a day designated for students, staff and management to come in traditional attire. The main difference between **culture** and **tradition** is that **Culture** is the ideas, customs and social behavior of a particular social group whereas **Tradition** is the transmission of customs and beliefs from one generation to another.

## Women's Day Report:

The members of AARABDHI CULTURAL CLUB took an initiative, to celebrate women's day -2K 16 . The girl students and lady staff members performed various arts.

International Women's Day (March 8) is a global day celebrating the social, economic, cultural and political achievements of women. The day also marks a call to action for accelerating gender parity.

Purple is the internationally recognized color to symbolize women while the combination of the colors green, purple and white is meant to represent women's equality, according to the IWD website.

The United Nations began celebrating the day in 1975. Commemoration of International Women's Day today ranges from being a public holiday in some countries to being largely ignored elsewhere. In some places, it is a day of protest; in others, it is a day that celebrates womanhood.
