MENTOR - MENTEE COMMITTEE MINUTES OF MEETING

The first Meeting was held on 16th May 2017 from 3.00 to 4:00 pm in the Department of CSE, HOD Cabin.

The Convener welcomed all the committee members.

Following are the points discussed and framed

1. Standard Operating Procedure of the Mentor-Mentee Committee with Objectives, Roles & Responsibilities
2. Mentor-Mentee System procedures, Guide lines to be followed by the Departments

Introduction

Mentor – Mentee System

The purpose of the mentor-mentee system is to provide close guidance to students on academics, co-curricular and extra circular activities and to foster professional relationship between students and the Faculty.

A mentor is an individual with expertise who can help develop the career of a mentee. A mentor often has two primary functions for the mentee. The career-related function establishes the mentor as a coach who provides advice to enhance the mentee's professional performance and development. The psychosocial function establishes the mentor as a role model and support system for the mentee. Both functions provide explicit and implicit lessons related to professional development as well as general work-life balance.

Objective

To ensure the professional performance and development of students (mentees) through mentor-mentee system

Mentor-Mentee system procedures

Departments should follow the following guidelines

1. Student shall be assigned Mentor (Teaching faculty) from first year of the program
2. Mentor shall have a maximum of 25 mentees
3. Mentees should be attached to the same mentor for the duration of program if possible.
4. Mentor should meet the mentees regularly and update mentees' data sheet
5. Mentor should keep track the mentees' academic performance, attendance and participation in competition, co-circular and extra circular actives.
6. Mentor should identify the advance learners based on the academic performance and advice them to organize and participate in various clubs, committees and skill development programs.
7. Mentor should identify the slow learners and advice them to attend remedial and make-up classes.
8. Mentor should identify the mentees whose attendance is below than the minimum requirement. He should discuss with the student and try to find out the problem. If required the mentor will involve the parents and Head of the department for reforming the student.
9. Mentor should give psychosocial support to the mentees.
10. Mentor also should identify the strengths and weakness of the students and motivate them to achieve the goals

Roles & Responsibilities

1. Mentor should introduce and discuss the concept of Mentor-Mentee system with the assigned mentees
2. Mentor should update mentees data sheet regularly
3. Mentor should meet the students at least twice in a month
4. Mentor should maintain semester-wise Course Registration form of the students
5. Mentor should create WhatsApp group of his/her allotted students for communication.
6. Mentor should keep track of mentees attendance, academic performance and career development.
7. Mentor should intimate the parents about the student attendance and academic performance regularly
8. Mentor should check the attendance of mentees, if anybody's attendance is below the requirement then he should find out the problem and take necessary actions to reform and the same should be communicated to the parents and HOD.
9. Mentor should identify talents (sports, cultural, coding, innovation, interests) of their students and encourage them to organize and participate in the events.
10. Mentor should support mentees academically and emotionally.
11. Mentor should ensure that their students following instructions given by college or department.
