- Collective decision was taken by all the committee members for the conduct of all the events for first and second semesters.

Introduction to NSS Committee:

National Service Scheme (NSS) Logo

The first education commission recommended the introduction of national services in 1950 by students on a volunteer basis. After all the recommendations finally in 1969, September 24th was declared as NSS Day and birth centenary year of Mahatma Gandhi, the father of nation to whom social service was almost a religion. The scheme now extended to all the States and Universities in the country. Students, teachers, parents, guardians, persons in

authority in the government, realize the need and significance of NSS. The motto of the NSS is “**NOT ME BUT YOU**”. This word is the essence of democratic living and upholds the need for selfless service and appreciation of others. The symbol of the NSS is designed based on ‘Rath wheel’ of Konark, the Sun Temple of Orissa. The wheel signifies the progressive cycle of life. The symbol of NSS Badge contains 24 wheels in the Rath of the Sun Temple of Konark. Each Wheel has eight bars which represents 8 pahars of day. The red colour in the badge indicates that the NSS volunteers are full of blood, i.e. lively, active and spirited. The navy blue color indicates the cosmos of which the NSS is a tiny part ready to contribute its share for the welfare of the mankind.

OBJECTIVES:

- The main objective of the NSS is to instill the idea of social welfare in students and provide community services without bias.
- Every volunteer works to ensure that who is the actual needy to get help for their living which promotes living standards.
- Student personality traits will be improve through community services.
- NSS volunteers should work by mingling with the community agents who represent the people.
- To find inherent talent in his/her knowledge through community services.
- To develop creative and constructive social work action.
- To promote or to serve in the weaker section of community.

Roles / Responsibilities:

1. Students should enroll their name as an NSS volunteer in the college and enrollment is limited to 100 members in every academic year.
2. Requires active participation in all the activities and to work with/among people.
3. Proper dress coding with NSS badges during off the campus or on the campus is mandatory.
4. Identify needs, problems and resources of the community along with program officer or local leaders.
5. To establish rapport with the people in the project area for community developments.

6. Every volunteer should complete 100 hours of work and keep day-to-day record in work activities/experience in work diary and submit to the group leader/program officer for periodic guidance.
7. All volunteers should work under the guidance of a group leader nominated by the program officer.
8. They shall make themselves worthy of the confidence and cooperation of the group/community leadership.
9. They should scrupulously avoid entering into any controversial issues.

Brief Report on Blood Donation Camp:

Blood donation is a voluntarily service that can help and save the lives of others. Millions of people need blood transfusions every year. There is no substitute for human blood — all transfusions use blood from donors. Our NSS team has organized blood donation camp in association with 'Hope for Life' blood bank society, Hyderabad on 12-07-2014. Our chairman Ch. Malla Reddy inaugurated the event. This program was meant to help malaria fever infected children. 53 NSS volunteers organized the event in a systematic manner and created awareness among the students and faculty. 256 units of blood was donated to blood bank. And all the students were given appreciation certificates for the service they have done.

A Brief Report on Career Guidance and Goal Setting:

CMR College of Engineering & Technology has organized a program on 'Career Guidance and Goal Setting' on 19-07-2014 at auditorium, Block-II. Career is most important for every person because without goals there is no use of life. So under graduation period is the turning point to every youngster. They need to be trained in correct direction. Every student should have clear vision and their vision is a "clear picture" of what they aspire to and what inspiration they take from regular work life. Articulating their vision statement for their career is the first step in helping them eventually reach their career goals. Mr. Venkat Rao, IBM, Hyderabad spoke on vision setting and career goals which enable them to understand the career development importance. All first and second year students participated in this program and took clarifications on effective goal setting

He gave some techniques to improve themselves. They are as follows.

- Squeeze out your goals in a positive way
- You be precise in setting date and time. Once you are precise, automatically you achieve your goals.
- Set hierarchy order of your goals and arrange according to your attention.
- Write your short and long term goals
- Set realistic goals that you can achieve and that are in your own control.

Report on Tree Plantation:

CMR College of Engineering & Technology organized 'Tree plantation', on 09th August, 2014 in and around the campus to spread awareness among the student and teacher community and to make a slight difference in the increasing temperatures that are contributing global warming. Trees also contribute to the environment by helping us in providing oxygen, conserving water, preserving soil erosion and protecting wildlife. They inhale carbon-di-oxide and exhale oxygen. They also provide us with a variety of fruits and flowers.

Plantation of tree by Ch. Malla Reddy, MP, Malkajgiri, and NSS volunteers and

Six faculty members and seventy-three students participated in the event and planted 63 saplings from morning till evening. Mr. Ch Malla Reddy, chairman, CMRCET who was newly elected as an MP from Malkajgiri constituency visited the college on this occasion and planted the first sapling and became an exemplary model. He exhibited a lot of enthusiasm in rendering his services towards greenery and encouraged the students with a tagline 'Each one plant one'. Even Secretary & Correspondent of CMRCET, Sri Ch. Gopal Reddy and the Principal of CMRCET, Dr. M. Ramalinga Reddy took their share in exhibiting the responsibility.

Program Outcome:

- Created awareness about environment protection among the students and staff.
- Planted nearly 126 samplings at campus

Minutes of Meeting (NSS):

The NSS unit has successfully organized five programs. The unit took more responsibility towards better society during this academic year by proposing six programs under NSS unit. This is the time to take review of all the programs conducted and all committee members were invited to share their views for further enhancement of the unit.

First program was initiated to have blood donation camp in our campus and all our NSS volunteers actively participated and motivated the donors. 256 units of blood was donated to Hope for Life blood bank society on behalf of CMR college of Engineering & Technology.

Second program was Career guidance and goal setting for all the NSS volunteers and students. In this program the chief guest. Mr. Venkat Rao, IBM, Hyderabad spoke about short and long term goals and gave more inputs on career development.

Third program was Tree plantation we collected 76 saplings and planted in our campus and nearby play ground as we need to create hail and healthy environment in the campus.

Fourth program was traffic awareness camp at Medchal junction. 76 volunteers participated and created awareness among the people commuting on the road. We also had a poster presentation and banners show to have more clarity about the road safety rules.

Fifth program was Blood donation camp as we need to celebrate world blood donor day on July 14th in a calendar year. We motivated the students for blood donation. "If you're blood donor, you're a hero to someone, somewhere who received your gracious gift of life". Finally we were able to donate 351 units of blood to Hope for Life blood bank.

Unfortunately we are unable to organize one program for school dropout children due to unavoidable conditions.

Program Outcomes:

Our NSS volunteers and students are more benefited through community and social services and pledge was taken to protect environment.

Resolution:

- We have successfully organized all five programs during the two semesters
- All committee members have decided to continue with the same enthusiasm for the next academic year 2015-16.
