Brief Report on Blood Donation Camp:

Blood donation is a voluntarily service that can help and save the lives of others. Millions of people need blood transfusions every year. There is no substitute for human blood — all transfusions use blood from donors. Our NSS team has organized blood donation camp in association with 'Hope for Life' blood bank society, Hyderabad on 12-07-2014. Our chairman Ch. Malla Reddy inaugurated the event. This program was meant to help malaria fever infected children. 53 NSS volunteers organized the event in a systematic manner and created awareness among the students and faculty. 256 units of blood was donated to blood bank. And all the students were given appreciation certificates for the service they have done.

NSS volunteers in blood donation camp

Program Outcome:

- All NSS volunteers created awareness among the students and faculty members.
- The NSS volunteers motivated and also donated blood for the needy.

A Brief Report on Career Guidance and Goal Setting:

CMR College of Engineering & Technology has organized a program on 'Career Guidance and Goal Setting' on 19-07-2014 at auditorium, Block-II. Career is most important for every person because without goals there is no use of life. So under graduation period is the turning point to every youngster. They need to be trained in correct direction. Every student should have clear vision and their vision is a "clear picture" of what they aspire to and what inspiration they take from regular work life. Articulating their vision statement for their career is the first step in helping them eventually reach their career goals. Mr. Venkat Rao, IBM, Hyderabad spoke on vision setting and career goals which enable them to understand the career development importance. All first and second year students participated in this program and took clarifications on effective goal setting

He gave some techniques to improve themselves. They are as follows.

- Squeeze out your goals in a positive way
- You be precise in setting date and time. Once you are precise, automatically you achieve your goals.
- Set hierarchy order of your goals and arrange according to your attention.
- Write your short and long term goals
- Set realistic goals that you can achieve and that are in your own control.

Report on Tree Plantation:

CMR College of Engineering & Technology organized 'Tree plantation', on 09th August, 2014 in and around the campus to spread awareness among the student and teacher community and to make a slight difference in the increasing temperatures that are contributing global warming. Trees also contribute to the environment by helping us in providing oxygen, conserving water, preserving soil erosion and protecting wildlife. They inhale carbon-di-oxide and exhale oxygen. They also provide us with a variety of fruits and flowers.

Plantation of tree by Ch. Malla Reddy, MP, Malkajgiri, and NSS volunteers and

Six faculty members and seventy-three students participated in the event and planted 63 saplings from morning till evening. Mr. Ch Malla Reddy, chairman, CMRCET who was newly elected as an MP from Malkajgiri constituency visited the college on this occasion and planted the first sapling and became an exemplary model. He exhibited a lot of enthusiasm in rendering his services towards greenery and encouraged the students with a tagline 'Each one plant one'. Even Secretary & Correspondent of CMRCET, Sri Ch. Gopal Reddy and the Principal of CMRCET, Dr. M. Ramalinga Reddy took their share in exhibiting the responsibility.

Program Outcome:

- Created awareness about environment protection among the students and staff.
- Planted nearly 126 samplings at campus

Brief Report

on

Traffic Awareness (Alert Today Alive Tomorrow) Camp:

CMR College of Engineering & Technology organized an awareness program titled 'Alert today alive tomorrow', to remind the students about the importance of their lives and to follow safety measures to be safe. The purpose of the event is to create awareness on traffic rules to control the accidents rate. On 13th February, 2015, 76 NSS volunteers participated and created awareness among the public.

Mr. K. Naidu, Inspector of Police visited Medchal junction and spoke about the basic rules and regulations and gave out a slogan that one should follow traffic rules to keep others safe. NSS program officer spoke about the importance of wearing a helmet while riding a two-wheeler and driving within the speed limit. Finally police department appreciated our NSS volunteers for the great service they rendered.

NSS Volunteers and students are campaign at national Highway and Medchal Junction

The event was successful as the students being reemphasized on road safety and personal safety. The Principal of CMRCET, Dr. M. Ramalinga Reddy was present on the occasion along with the other Management members. The Management and Principal thanked Mr. K. Naidu for his presence.

After this event, the college decided to mandate the use of helmets for all the students and faculty who commute to college on bikes.

Program Outcome:

- * ➤ Awareness created in traffic rules among the students and public at Medchal junction.
- Exhibited posters and banners at various public places to create awareness.
