## *Certificate of Appreciation*

Date: 11-08-2018

Thank you for taking out time from your busy schedule to become a valuable part of the small percentage of the world donors.

Blood donation is the act of charitable life. Your one hour spent in donating the blood is going to give life to someone in need. Your blood could save any person from a small baby to an old individual. One cannot make blood, it is a gift we all have inside of us to give to those who are injured, sick, or in need. There's no doubt that the need is enormous. However, the support of donors like you is helping us to make it possible to help the citizens to achieve a healthier, happier and fruitful life.

In spite of the various reasons, for donating blood and encouraging others to do it, there are only few who actually do it. We express our deepest gratitude to you and college management for your support and continued cooperation to help those in need.

## Report on Haritha Haram Program:

CMR College of Engineering & Technology has organized Haritha Haram program in our campus with NSS and NCC volunteers and it is a large-scale tree-planting program implemented by the Government of Telangana state to increase the amount of tree cover in the state from 24% to 33%.

The program was launched by Telangana Chief Minister Kalvakuntla Chandrasekhar Rao on 3 July 2015. It is one of the most prestigious programs in Telangana Flagship programs to rejuvenate degraded forests, protecting these forests from threats such as smuggling, encroachment, fire and grazing. It adopted intensive soil and moisture conservation measures based on a watershed approach

In the areas outside the existing forest, massive planting activities were to be taken up in areas such as; road-side avenues, river and canal banks, barren hills, tank bunds and foreshore areas, institutional premises, religious places, housing colonies, community lands, municipalities and industrial parks. The National Forest Policy of India envisages a minimum of 33% of the total geographical area under forest cover to maintain environmental stability and ecological balance, which is vital for the sustenance of all life-forms, be it human, animal or plant.

## Report on Traffic Awareness Program:

The NSS unit of CMR College of Engineering & Technology organized a “Traffic Awareness Program” on 01-02-2019 at CMR College of Engineering & Technology and Kompally Junction, Hyderabad. The program was conducted with the aim of creating awareness among the youngsters about the perils of rash and negligent driving given the fact that most victims of road accidents are youths. All our NSS volunteers explained the importance of Helmets and car seat belts. Nearly 50 volunteers participated with posters, banners, and slogans along with our NSS program officer Dr. N. Nagaraju Naik. The Traffic police inspector Sri. Krishna participated at Kompally junction. The pictures are as follows:

Sir/Madam,

Osmania General Hospital and Medical College, a temple of learning was constructed and Commissioned in the year 1889 to render Health Services to the population of Telangana, and in and around the states of A.P., Maharashtra, Karnataka etc., and to provide Medical Education, as an effort towards the excellence and to attain self-sufficiency in medical services. Every year OGH/OMC churns out 250 House Surgeon 1119 Post Graduate and 165 Super specialty doctors per year.

Osmania General Hospital is a 1400 hundred bedded hospital and every day 150 Elective and Surgical procedures are performed and every year approximately 97,000 emergencies are attended and per year 2,37,406 OP cases and 45,994 IP cases are the beneficiaries of this hospital health services.

The Blood Bank of Osmania General Hospital, Hyderabad is finding difficult to replenish the depleted stock of Blood in the Blood Bank inventory, due to the ever increasing demand for blood transfusion, as Osmania General Hospital is a major emergency and level one trauma care centre.

At this juncture, your esteemed organization is requested to conduct the exercise for the blood donation camps, as per the regulatory norms to supplement the blood reserve in the inventory of Blood Bank of Osmania General Hospital.

Thanking You,

Yours faithfully,

  
The Blood Bank Medical Officer

### Report on Blood Donation Camp:

The NSS unit of CMRCET conducted a blood donation camp on 16<sup>th</sup> February 2019 in association with Osmania General Hospital blood bank Hyderabad. Public awareness is in blood donation, many clubs, colleges, societies, offices, etc. organize blood donation camps on different occasions. It is a healthy gesture. We must keep this aptitude up at any cost. Our volunteer identifies the requirement of blood at government hospitals. By organizing such blood donation camps we may help them to enrich their capacity. We have donated 157 units of blood to Osmania General Hospital. There was a good response from the faculty and the students as well. 96 faculty teaching & non-teaching members and 241 students took part in the event. Sri Ch. Gopal Reddy, secretary and correspondent, CMRCET, who were keen about inculcating the feeling of humanity and kindness in the hearts of the present youth started this event and made it a grand success. Our principal Major. Dr. V.A.Narayana spoke about importance of blood. This program was organized by 79 NSS volunteers under NSS program officer.

## Report on 1-Week NSS Special Camp:

In this special camp we have executed various programs. First two days we had a village survey and collected family details regarding bread winners, number of children and their studies particulars in the family. On third day our volunteers took classes to 8<sup>th</sup>, 9<sup>th</sup> and 10<sup>th</sup> class students at Govt. high school puduru village. All the volunteers participated and gave suggestions on exam preparation and reach out goals. On day four morning 8:00 AM to 12 PM Swachh Bharat event was organized in the presence of village Sarpanch Babu Yadav, ward members and village representatives in the school premises. Day five we have created awareness in digital payments at puduru village. Finally last day we have organized one medical health camp, In this camp, nearly ten medical students including medical team examined BP, Sugar and Heart pulses with ECG machine. All the villagers who participated in the camp felt happy and we even are thankful to puduru villagers who extended co-operation.
