Minutes of Meeting

CMR College of Engineering & Technology, Hyderabad organized twelve programs under NSS unit. All the committee members were invited to ensure their participation for better improvement in the working plan.

First program was initiated by NSS volunteers and students a three days community visit program. In this program the volunteers visited Rajbollaram and puduru villages and government schools, our students interacted with village people and taken inputs for technology support. First problem was drinking water and transportation, second problem was providing education to children. We have communicated and given representation to concern departmental government officers.

Second program was Blood donation camp conducted with the help Osmania General Hospital and Hope for Life blood bank. In this program 196 units of blood was donated to Osmania General Hospital and Hope for Life blood bank. They have given participation certificates to all the donors. Third program was Haritha Haram Sri Ch. Gopal Reddy, secretary & correspondent, CMRCET graced the occasion and motivated all the volunteers and planted nearly 69 saplings in our campus

We have organized two programs which are not specified in list of the programs, they are Kerala floods and candle light march. It is a natural disaster and disturbed entire Kerala state. For this movement we have raised fund to help Kerala flood victims and we have raised nearly more than one lakh rupees from faculty, students and college management. With the raised fund we supplied food, medicine and clothes to the victims. Second program was candle light march this program was organized to show our gratitude for the commitment and dedication the soldiers have towards their mother country.

One more program was conducted for our volunteers and students as it is youth day celebrations i.e. Swami Vivekananda Birthday. Finally 1-week special camp was conducted to 50 NSS volunteers at puduru village to create community awareness in depth.

All other programs were organized to create awareness, development of professional ethics and training to the volunteers, various activities like physical fitness, village survey, awareness camp and finally the program was concluded with appreciation.

Outcome: All the programs are conducted to develop community exposure as well as professional ethics to our NSS volunteers.

Resolution:

1. We have successfully executed twelve programs.
2. All committee members are decided to continue with same enthusiasm for next upcoming academic year 2018-19.
