## **A Brief Report on Traditional Day:**

The CMR College of Engineering & Technology organized Traditional and fresher's Day on 12-01-2016 at CMRCET auditorium. Student conclave committee members took active part and celebrated the occasion. Traditional knowledge refers to the knowledge, innovations and practices of indigenous and local communities around the world. Developed from experience gained over the centuries and adapted to the local culture and environment, traditional knowledge is transmitted orally from generation to generation.

It is an eventful day, it is observed as a celebration of diverse culture. It is a day designated for students, staff and management to come in traditional attire. The main difference between culture and tradition is that Culture is the ideas, customs and social behavior of a particular social group whereas Tradition is the transmission of customs and beliefs from one generation to another.

- Invitation – Inviting the management, staff members and all the students to attend the festivals
- Spreading the message to the students and staff members to come in Traditional attire from their home state or specific culture of their choice.
- Display of various festivals, related food items and the ethnic objects
