1. World Environment Day-Tree Plantation Program

By Dr. A. Kotishwar and Mr. Malla Reddy, M.P.

On 08-June-2018

In PUDUR Village

The tree plantation Programme went very successful as most of the village people attended and actively participated in planting the seedlings of various plants along with Mr Malla Reddy sir. We also explained the villagers how plantation can help us inhale fresh and clean air which is very important for healthy survival.

No. of Participants:105

Outcome: Students actively involved in tree plantation and the day is known about the importance of the trees and making students to plant the trees in Pudur village.

3. Gender Equality in education with reference to Telangana - Seminar

Date: 20.08.2018

Inquiries into forms of injustice and inequality identified gender inequality as one of the most persistent forms of injustice across societies and cultures. Not surprisingly gender equality has become central to the idea of development and focus of both policy makers and planners. For instance, The Beijing Declaration and Platform for Action, adopted at the UN's Fourth World Conference on Women (1995), identified "Education and training of women" as one of the twelve critical areas of concern. Thus, a study of the Sustainable Development Goal 4 for India, of the 17 SDGs adopted by the United Nations, reveals that only 65.46% of women are educated as compared to 82.14%. The study also reveals that for every 100 girls enrolled in primary education, 74.6% of women are not enrolled in higher education. It is in this context that CMR CET conducted a one day seminar on "Gender Equality in Education" on 20th August 2018.

The college invited Dr. A.Usha Bala as the chief guest to address the students and the faculty. In her speech she traced the socio economic history of Telangana and its impact on educational achievement of Women. She also dwelt on educational institutions established to impart education. She talked about the contribution of institutions like Koti Women's College, Osmania University, Durgabhai Deshmukh College for Women and other such institutions. While higher educational had institutions existed in Telangana, the lack of tertiary level institutions made it difficult for women to continue their education beyond primary level. Thus according to 2001 statistics there is a gap of 22.1% between men and women in Telangana. There was reduction of 6.56% compared to 1991 statistics. According to Census 2011 the literacy rate of Telangana is 66.5%. The female literacy ratio is lower than the national average of 65.5%. She explained how Telangana faces some challenges in the form of inability of Tribal communities, nomadic and migrating.

The **aim** of this event is to apprise the women faculty and girl students of the situation of girl education in Telangana and how to improve it. This was organized by the **Student Counseling Centre** and the **Women Empowerment Cell**.

6. Elocution Competition: Kill Cancer - Living Right with Equal Opportunities

Date: 29.09.2018

International Society for Krishna Consciousness, Kukatpally, in association with the NSS wing of CMRCET organized and conducted an Elocution competition in CMRCET on 29th September 2018 to increase the awareness, recognize the symptoms, to take preventive measures to avoid carcinogens and thus achieve a cancer free society. The topic for the Elocution competition was "KILL CANCER".

ISKCON believes that in order to fight our enemy, we need to know him thoroughly which includes the food which causes cancer, the radiation, use of tobacco, alcohol consumption, junk food, beverages etc which act as a catalyst to increase cancer. However we need to know the food which helps in fighting & avoiding cancer as well.

The President of ISKCON, Kukatpally, his grace, Mr. Mahashring Das; his grace, Mr. Krishnavatar and the event coordinator, Ms. Srivani graced the occasion. A good number of students participated in the competition and prizes were given away to the winners.

His grace, Mr. Mahashring Das addressed the gathering giving valuable piece of advice to the young gathering on preventive measures that can be taken in our daily lives to stay fit and healthy that helps us fight cancer.

The event concluded with the distribution of prizes to the students.

I Prize - Anisha Mahapatra- I Year
II Prize - T. Lalitha - I Year
III Prize - N. Dileep Reddy - III Year

The event was organized by the **NSS, Student Counseling Centre** and the. The **aim** of conducting this competition was mainly to spread awareness about Cancer.

The President of ISKCON, Kukatpally, his grace, Mr. Mahashring Das; his grace, Mr. Krishnavatar and the event coordinator, Ms. Srivani.

11. Heartfulness Meditation - Stress Management

Date: 04.11.2018

BY R.AKKHILESH (CMRCET)

Today in CMR central auditorium, it was all filled with thoughts of peace and spiritualness in the minds of each and everyone. The students of CMR experienced the peace of mind through the meditation. The Heartfulness Foundation run under the "SHRI RAM CHANDRA MISSION" is one of those foundations that imparts meditation practice across the world and the founder himself Kamlesh.D.Patel was amongst us to train us and help us tread the path of eternal peace and clear the bad energies in order to remain clean even from the inner self. It is important that we inculcate the practice every day so that we remain always distressed and perform our works. Some of the gist points which I found really interesting like:-

- When you think with your heart you always get right answers and make right decisions.
- Second thing that impressed me was the way he spoke of consciousness quotient that is the supreme force that controls our whole life processes. He says that ,when your heart and mind are quarrelling among themselves ,it is important that one sticks to heart but we choose our mind and end up taking wrong decisions that may impact our life in a hazardous way.
- Third and the last thing I would like to mention is that never react to any situation and wait for a few moments and then respond which is one of the anger management tips that we receive.

I would like to add my own experience in this which goes as follows:

First thing is that the meditation that I was doing for may be 5 to 6 years in the mornings and the kind of meditation I did had a huge difference .At first when we were asked to meditate in our own way I felt like I was deviating from my mindset .As we all know ,the mind is a super power that can go up to any

extent ,so I was not able to concentrate on my meditation but after the heartfelt meditation I felt like bliss all around me .Surprisingly, I never got deviated and could do the meditation with at most concentration. So I would like to conclude that overall my experience of today has made me realize that it is important that we conduct ourselves well and this is possible with MEDITATION i.e. to integrate your heart and mind together for a better life ahead.

The above event was organized by the **Student Counseling Cell** with an **aim** to make the students life stress free with meditation.

13. Seminar on Osteoporosis: Care for Both Genders

Date: 20.11.2018

The third year MBBS students of Bhaskar Medical College representing MSAI (Medical Students Association of India) conducted a seminar on Osteoporosis for all the female faculty of CMR College of Engineering & Technology on 20th November to bring awareness in women. This event was completely patronized by the Secretary and Correspondent, Mr. C.H Gopal Reddy and Principal, Major Dr. V.A. Narayana of CMR College of Engineering & Technology, owing to the care and concern of the women force working for the college. The awareness Programme was a huge success as all the faculty were sensitised towards the growing problems in menopausal women. The event was coordinated by Ms. Rohini Reddy and Ms. Rosy Matilda and organized by the **Student Counseling Centre** and the **Women's Protection Cell, Mudita (Women Empowerment Centre)**.

23. Breast Cancer Awareness: Risks for Both Genders

Date: 23.02.2019

The fourth year MBBS students of Bhaskar Medical College representing MSAI (Medical Students Association of India) conducted a seminar on 'Breast Cancer Awareness' for all the male and female faculty of CMR College of Engineering & Technology on 23rd February 2019 to bring awareness on breast cancer prevention. This event was completely patronized by the Secretary and Correspondent, Mr. C.H Gopal Reddy and Principal, Major Dr. V.A. Narayana of CMR College of Engineering & Technology, owing to the care and concern of the faculty working for the college and their families as well. The awareness Programme was a huge success as all the faculty was sensitized about self examination and its role in the early detection of breast cancer. The event was coordinated by Ms. Rohini Reddy and Ms. Rosy Matilda and organized by the **Student Counseling Centre** and the **Women's Protection Cell, Mudita (Women Empowerment Centre)**.

The **aim** of this event was to sensitize all the men and the women in the college about the early detection of Breast cancer.

25. Women's Day – Celebrating womanhood

Date: 08.03.2019

Walking through history, women who were given importance contributed a lot to the society. In the past few decades women have been time and again breaking gender barriers and have always proved themselves to be on par with their male counterparts. It's a day when we celebrate the amazing social, cultural, economic and political achievements of women. On 8 March 2019 CMR College of Engineering & Technology celebrated women's day to salute the (s)heros of the college. The college honoured the entire female faculty who stood as a pillar of strength for the college, since the beginning. This year the Programme was graced by Ms. Saajida Khan (Rashtrapati award for being first woman Sound Engineer) as the Chief Guest, Ms.J Padmavathi (Medchal MPDO) and Ms. Sashikala (Head Mistress for Government School, Medchal).

The event was organized by the **Student Counseling Centre** and the **Women Empowerment Committee** with an aim to meet the empowered women and be aware of the need for women empowerment.
