PROGRAMREPORT

The Career Guidance Unit is intended primarily to assist students in their career planning and provides information that helps the students to give a direction to their aspirations and interests. The CGPU believes in timely counselling and arrange training sessions that enhances the students to compete with the best challenges in Industry. Career counselling programs are undertaken periodically by the placement coordinator to guide the students. Interactive sessions by the eminent persons in respective fields are conducted regularly.

Objectives

1. To give training and guidance to students on career related matters and assist them in exploring new opportunities.
2. To invite companies/organizations for campus interviews and provide them necessary facilities for conducting written test, Group discussion, Technical and HR interview etc. To arrange industrial visit and training for final year and pre-final year students.
3. To organize various types and levels of training programs like mock interviews, Group discussions, experience sharing by eminent personalities, business communication skills and conduct model tests for various types of aptitude tests.
4. To display various job advertisement coming in employment news, opportunities and career columns in leading newspapers.

The proposed basic training consists of the following modules and for a maximum of 30 hours duration. Timing will be based on the conveniences of different batches/groups and as a part of time-table.

1. V Levels of Aptitude
2. English Grammar and Verbal Ability
3. Training for group works and team effectiveness
4. Training for Communicative English / Developing Business Communication skills
5. Training on Personality
6. Mock Interviews (HR / TR)
7. Mock GDs
8. Resume Preparation
9. Model Campus Interview Tests

Students are guided by an efficient team of counsellors who help students in choosing their line of work from a plethora of choices. Care is taken to ensure students are placed in fields where they have an aptitude to excel, keeping in view their personal traits and qualities. All students are welcome for career guidance and counselling. To appraise students about the importance of communication skills, critical thinking skills, and collaborative skills; All members are accepted the suggestions.

The resource person of the seminar was the Kulkarni. The Seminar was presided over by the principal of the college

CMR COLLEGE OF ENGINEERING & TECHNOLOGY

PROGRAM REPORT

Babu Jagjivan Ram Jayanti celebrated in our college on 5th April 2016 at Mechanical seminar hall Block-III.

Description:

Babu Jagjivan Ram (5 April 1908 – 6 July 1986), known popularly as Babuji, was an Indian independence activist and politician from Bihar. He was instrumental in the foundation of the All India Depressed Classes League, an organisation dedicated to attaining equality for untouchables, in 1935 and was elected to Bihar Legislative Assembly in 1937, after which he organised the rural labour movement.

In 1946, he became the youngest minister in Jawaharlal Nehru's interim government, the first cabinet of India as a Labour Minister and also a member of the Constituent Assembly of India, where he ensured that social justice was enshrined in the Constitution. He went on to serve as a minister with various portfolios for more than forty years as a member of the Indian National Congress (INC). Most importantly, he was the Defence Minister of India during the Indo-Pak war of 1971, which resulted in the creation of Bangladesh. His contribution to the Green Revolution in India and modernising Indian agriculture, during his two tenures as Union Agriculture Minister are still remembered, especially during 1974 drought when he was asked to hold the additional portfolio to tide over the food crisis.

Though he supported Prime Minister Indira Gandhi during the Emergency (1975–77), he left Congress in 1977 and joined the Janata Party alliance, along with his Congress for Democracy. He later served as the Deputy Prime Minister of India (1977–79); then in 1980, he formed Congress (J). At his death, he was the last surviving minister of the Interim Government.

Outcomes:

Celebration of the great personalities gives the motivation to the students to achieve their goals in their life.

PROGRAM REPORT

A Report on Dr. B R Ambedkar Jayanti Celebrations at CMRCET

To mark the 125th birth anniversary of Dr Ambedkar, our students put up a short programme on April 14, 2016 which commenced with a prayer song. Two of our students Akhilesh, Sandhya spoke in brief about him. In their speech, they cited about Dr. Ambedkar birth and his contribution in the framing of our Indian Constitution and also its application which is our future responsibility. The programme ended with the chief guests' message which was bold and clear that "One need not be born into great and influential families but with goal, hard work and responsibilities one can become great", taking the example of our very own Dr. B R Ambedkar. Dr. Bhimrao Ramji Ambedkar with traditional fervour and enthusiasm in CMR College of Engineering & Technology. The program started with floral tribute to Dr. B. R. Ambedkar. The one-day event was planned to bring out the multi-faceted personality of Dr. B. R. Ambedkar through speeches along with spectacular cultural activities. Many students from all institutes of CMRGI graced this occasion.

The program highlighted the importance of bringing Amedkarite movement to the masses and in the mainstream media using and creating a unique cultural identity. The world and civil society needs to follow Dr. Ambedkar thoughts in a contemporary political situation to tackle oppression of a marginalized segment of society. With this event, CMR College of Engineering & Technology has maintained its annual legacy of celebrating birth anniversary of Dr. Ambedkar with great strength and enthusiasm. The program officer of the was Mr. D Ajay.

Major objectives:

1. To make students aware about the role of Dr. B. R Ambedkar in making Indian Constitution.
2. To enable the students to know about the duties of Indian Citizen. .
3. To make students know about the importance of a society.

The event was presided over by the principal of the college Dr. M. Ramalinga Reddy expressed the importance of education in building a moral nation in present environment. The introductory remarks were made by the IQAC Coordinator of the college Prof. G Devadas, all the HODs and faculty members were participated in this event. Dr B Lokeswara Rao highlighted on the change in the mindset to face competition and enhance leadership skills.

Outcomes:

Participants understand the thoughts of Dr. B.R. Ambedkar in building a great nation.
