PROGRAMREPORT

The position of schedule caste and schedule tribe is always a question mark for the society being a developing country we are saying that we are giving equal status to them as compared with other caste but in reality it's not like this. In modern times also they are facing problems but we can say that the extent of suffering is less as compared to previous times. For improving their conditions, the government is taking various steps like specific laws are being made for them, commissions were made only for their betterment and by means of reservation also, the government is trying to improve their condition. Specifically, our Constitution guarantees justice and equality of opportunity to all its citizens. It also recognizes that equal opportunity implies competition between equals, and not 'unequals'. Recognizing the inequality in our social structure, the makers of the Constitution argued that weaker sections have to be dealt with on a preferential footing by the state. A special responsibility was, thus, placed upon the state to provide protection to the weaker sections of society. The Constitution provided for protective discrimination under various articles to accelerate the process of building an egalitarian social order. Thus, preferential treatment for the depressed classes (SCs and STs), should not be understood as an act of magnanimity on the part of the political elite at the national level but rather a strategy to give them a share in power in politics and administration and to uplift them socially and economically. In my research paper I just explained the condition of schedule caste and schedule tribe and what are the provisions available to them under the constitution of India. These provisions are just like a helping hand for them to improve their condition. When all the sections of people are developed then only our country will become a developed country. The introductory remarks were made by the IQAC Coordinator of the college, Dr B Lokeswara Rao and all the HODs and faculty members participated in this seminar. Devadas highlighted the change in the mindset to face competition and enhance leadership skills.

The program aims to create awareness on different situations of the institution, which a student might or may undergo in their walk of life, raised on day to day life in the question hour students ask the speakers queries.

The feedback obtained from the students revealed that:

1. The program was given equality of opportunity to all its citizens.
2. To develop leadership skills in the students.

Outcomes:

Participants understand the use of skills in their carrier and professional life.

PROGRAM REPORT

Babu Jagjivan Ram Jayanti celebrated in our college on 5th April 2018 at Mechanical seminar hall Block-III.

Description:

Babu Jagjivan Ram (5 April 1908 – 6 July 1986), known popularly as Babuji, was an Indian independence activist and politician from Bihar. He was instrumental in the foundation of the All India Depressed Classes League, an organization dedicated to attaining equality for untouchables, in 1935 and was elected to Bihar Legislative Assembly in 1937, after which he organized the rural labour movement.

In 1946, he became the youngest minister in Jawaharlal Nehru's interim government, the first cabinet of India as a Labour Minister and also a member of the Constituent Assembly of India, where he ensured that social justice was enshrined in the Constitution. He went on to serve as a minister with various portfolios for more than forty years as a member of the Indian National Congress (INC). Most importantly, he was the Defence Minister of India during the Indo-Pak war of 1971, which resulted in the creation of Bangladesh. His contribution to the Green Revolution in India and modernising Indian agriculture, during his two tenures as Union Agriculture Minister are still remembered, especially during 1974 drought when he was asked to hold the additional portfolio to tide over the food crisis.

Though he supported Prime Minister Indira Gandhi during the Emergency (1975–77), he left Congress in 1977 and joined the Janata Party alliance, along with his Congress for Democracy. He later served as the Deputy Prime Minister of India (1977–79); then in 1980, he formed Congress (J). At his death, he was the last surviving minister of the Interim Government.

Outcomes:

Celebration of the great personalities gives the motivation to the students fundamental social issues like social justice, removal of untouchability, caste based prejudices, removal of inequality and discrimination.
