A Brief Report on Traditional Day:

The CMR College of Engineering & Technology organized Traditional and fresher's Day on 12-01-2017 at CMRCET auditorium. Student conclave committee members took active part and celebrated the occasion. Traditional knowledge refers to the knowledge, innovations and practices of indigenous and local communities around the world. Developed from experience gained over the centuries and adapted to the local culture and environment, traditional knowledge is transmitted orally from generation to generation.

It is an eventful day, it is observed as a celebration of diverse culture. It is a day designated for students, staff and management to come in traditional attire. The main difference between culture and tradition is that Culture is the ideas, customs and social behavior of a particular social group whereas Tradition is the transmission of customs and beliefs from one generation to another.

- Invitation – Inviting the management, staff members and all the students to attend the festivals
- Spreading the message to the students and staff members to come in Traditional attire from their home state or specific culture of their choice.
- Display of various festivals, related food items and the ethnic objects

Fresher's Day Report:

The student conclave committee members took the following responsibilities in organizing the 1st B.Tech Fresher's day

- The term fresher is used basically for the students directly coming out from the college. They do not have any experience of job so far. ... Fresher means you have just passed from a college and lack experience. This applies to a technical - graduate or any graduate/post graduate lacking experience
- The very purpose of Fresher's Day party is to welcome newcomers in a friendly

Brief Report on Azura2k17

The CMR College of Engineering & Technology has organized Azura2k17 on 23 & 27th March, 2017. It is a premier educational Institution dedicated to impart quality education and promote excellence in academic pursuits in the field of Science, Engineering, Technology and Management.

AZURA2k17 is one of the most awaited technical fest of CMRCET with plans on being a meeting ground for faculty, industry and the student fraternity. It is going to be an event that will explode with all the technical advancements and innovations. These events helped in boosting the technological skills and creative talents of the students across India. AZURA2k17 promises to be much more grand festival for intellectuals, industries and more importantly for talented individuals. In this event exhibited project expo with variety of models from CMR group of institutions and outside institutions and selected best project award.

Azura2k17 Convener Dr. Srinivas Varma and Co-convener Dr. M. Nagaraju Naik Principal, senior faculty members and management were participated.

TECHNICAL EVENTS:

- Paper Presentation
- Memory Circuit
- Robotics
- Capture The-Captcha
- Tech Quiz
