Brief Report on Azura2k17

The CMR College of Engineering & Technology has organized Azura2k17 on 28 & 29th November, 2017. It is a premier educational Institution dedicated to impart quality education and promote excellence in academic pursuits in the field of Science, Engineering, Technology and Management.

AZURA2k17 is one of the most awaited technical fest of CMRCET with plans on being a meeting ground for faculty, industry and the student fraternity. It is going to be an event that will explode with all the technical advancements and innovations. These events helped in boosting the technological skills and creative talents of the students across India. AZURA2k17 promises to be much more grand festival for intellectuals, industries and more importantly for talented individuals. In this event exhibited project expo with variety of models from CMR group of institutions and outside institutions and selected best project award.

A Brief Report on Traditional Day:

The CMR College of Engineering & Technology organized Traditional and fresher's Day on 12-01-2018 at CMRCET auditorium. Student conclave committee members took active part and celebrated the occasion. Traditional knowledge refers to the knowledge, innovations and practices of indigenous and local communities around the world. Developed from experience gained over the centuries and adapted to the local culture and environment, traditional knowledge is transmitted orally from generation to generation.

It is an eventful day, it is observed as a celebration of diverse culture. It is a day designated for students, staff and management to come in traditional attire. The main difference between culture and tradition is that Culture is the ideas, customs and social behavior of a particular social group whereas Tradition is the transmission of customs and beliefs from one generation to another.

- Invitation – Inviting the management, staff members and all the students to attend the festivals
- Spreading the message to the students and staff members to come in Traditional attire from their home state or specific culture of their choice.
- Display of various festivals, related food items and the ethnic objects

Fresher's Day Report:

The student conclave committee members took the following responsibilities in organizing the 1st B.Tech Fresher's day

- The term **fresher** is used basically for the students directly coming out from the college. They do not have any experience of job so far. ... **Fresher** means you have just passed from a college and lack experience. This applies to a technical - graduate or any graduate/post graduate lacking experience
- The very purpose of **Fresher's Day** party is to welcome newcomers in a friendly atmosphere and avoid social evils, to encourage their creative impulses to boost their confidence. It is the **day** where seniors and juniors finally bond and unite to celebrate being part of the college.

A Brief Report on Annual Day:

The CMR College of Engineering & Technology organized Annual Day on 15-04-2018 at CMRCET campus. The committee members took an initiative to arrange various cultural programs for Annual day. **Annual Day** forms an integral part of our college activities. It is an occasion of **celebration**, felicitation, feast and festivity where students present not only their wonderful performances but also receive honors for their curricular and co-curricular achievements.

The **annual function** in college denotes its working anniversary since from the day established

- Invitation – Printing & Distribution of Invitation cards to various Dignitaries
- Receiving the guests on their arrival , escort them to the refreshment room and honor them with bouquets and badges
- Stage Management - Stage Decoration and beautification of the venue to present a better show. To finalize and conduct all the events on the stage smoothly.
- Anchoring –To host the complete event on the day of event
