Women's achievements as businesswomen and successful entrepreneurs both in India and around the world offer a glimmer of hope in a world which seems to be overwhelmingly male dominated. In our own country we have various organizations like Confederation of Women Entrepreneurs, Association of Lady Entrepreneurs, and Federation of Women Entrepreneurs.

Their success as independent businesswomen, as Chief Executive Officers and as owners has to be celebrated by all who strive for an equal world. However, one has to remember that women's participation in work and industry is as old as the history of work itself. In order to spread the importance of entrepreneurship skills among women, especially in the age of start ups, CMRCET has organized an awareness camp for the girl students and women faculty of the college on 24<sup>th</sup> October 2016. The college invited Dr. P.V Ramarayalu explained an entrepreneur to share her experiences and challenges she faced in the course of her journey as an entrepreneur. In his speech Dr. P.V Ramarayalu explained how most women had fewer opportunities for education and a career in the past. According to her women could not organize themselves due to fewer opportunities for participation in civic and political life. But in recent decades there is a drastic change due to increased opportunities in higher education and government of India's active involvement in encouraging women's participation in various sectors of economy. As a result today we have women business leaders in areas like banking and finance (Arundhati Bhattacharya), media (Ekta Kapoor), Indra Nooyi (Pepsi), Health and Medicine (Kiran Mazumdar Shaw), Information Technology (Aruna Jayanti Capgemini). She asked the girl students to become aware of their potential and utilize the opportunities provided by the government of India in the form of various schemes. The workshop was jointly organized and conducted by the **MBA department and Women Empowerment Committee.**

## Challenges for women in the society – A Workshop

Date: 27.01.2017

Every society has its own challenges for women irrespective of its stage of economic development. But the cultural and social foundations of a society will have profound impact on the lives of its women. In a liberal and progressive society which has evolved over the years, for instance New Zealand which ranks among the top countries in gender equality, women have equal opportunities along with men and are secure from violence to a great extent. But the same cannot be said about developing societies with issues of inequality and violence. Thus women in India face some unique challenges because of its cultural and social structure which is predominantly patriarchal. As a consequence they are vulnerable to violence and prejudice. CMRCET conducted a workshop for the girl students and lady faculty of the college to create awareness among them. It invited very senior faculty **Prof S Fatima Mary** of the college to speak on the given topic to sensitize the students about the challenges that a society can pose for students.

### . Women's Day celebration: Role of Women in the Society

Date: 08.03.2017

William Golding, the Novelist, Playwright and Poet said, "I think women are foolish to pretend they are equal to men. They are far superior and always have been."

This proved right today when CMR College of Engineering & Technology celebrated **International Women's Day** with a lot of fervor and talent display. The Chief Guest for the Day was Dr. Uma Aysola, who is associated with CSR and health care management. Speaking to the audience who comprised of Women faculty and girl students, she said that Life is all about making choices and feeling responsible. And in the Indian patriarchal society, a woman getting a chance to make a choice is very rare. And if she does get it, it is all the more difficult because she needs to stand by her decisions of pursuing a career and maintaining a family in a male dominated world. The multi tasking that she does shows on her health and her environment. Dr. Uma said, "Don't sink, and swim."

The other speakers at the event were, Dr. N. Satyanarayana, Director of Academics, Major Dr. V.A. Narayana, Principal, Dr. M. Sudhakar, Dean Planning and Development and Prof. S. Fatima Mary, Head, Women's Protection Cell, CMRCET.

This event was organized by the **Student Counseling Centre** and the **Women Empowerment Committee** with an **aim** to make the women aware that Life is all about making choices and feeling responsible.

## UoH women's forum holds celebrations

Every woman should take care of her health and plan her work, say experts

HYDERABAD

The women's forum of the University of Hyderabad celebrated International Women's Day. All women employees of the University attended in the celebrations in large numbers.

Speaking on the occasion, Prof Vipin Srivastava, Pro Vice-Chancellor, UoH said that he would propose an initiative of educating some women employees who are uneducated and improve their skills. "Towards this I would like two women employees to take active role in implementing this", said Prof Vipin Srivastava.

Prof Goeta Verma, Dean, School of Medical Sciences, said "Every woman should take care of their health and importance should be given on planning and timing which will help to reduce stress. This will in turn help in reducing the risk of diseases. Care should be taken to go for regular check-ups after 40 years of age and regular walking which will help in preventing life-threatening ailments like cancer etc."

CMR Engineering college CMR College of Engineering & Technology celebrated international women's day with fervor and gaiety. Speaking on the occasion, Dr Uma Aysola, of CSR and Health Care Management said "Life is all about making

choices and feeling responsible. In the Indian patriarchal society, a woman getting a chance to make a choice is very rare. If a woman does get it, it is all the more difficult because she needs to stand by her decisions of pursuing a career and maintaining a family". She urged women not to sink but swim. Dr N Sarjanarayana, Director of Academics, Major Dr VA Narayana, Principal, Dr M Sudhakar, Dean Planning and Development and N Farima Mary, Head, Women's Protection Cell, CMRCET also spoke.

### CAMPUS DIARY

## Women's Day celebrated

To celebrate and appreciate womanhood, a special event dedicated to women was organised at CMR Technical Campus, Hyderabad, on International Women's Day.

CMRTC chairman Ch. Gopal Reddy, secretary Ch. Vasantha Latha, and principal A. Raji Reddy praised women for their contribution to the society that generally goes unrecognised. M. Evelyn Gladys, senior faculty, thanked the organisers for making CMRTC women feel special and honoured.

### CMRCET joins in too

CMR College of Engineering and Technology joined in the celebration too. Chief guest Uma Aysola associated with corporate social responsibility and healthcare management, said that in the Indian patriarchal society woman rarely get a chance to make a choice, and they prove themselves worthy despite that.

"Her multi-tasking reflects the health and environment around her," Ms. Aysola said.

The event concluded after many theme oriented skits and dances.

18.04.2017

Sir,

Sub: **Annual Report** of the **Women Empowerment Cell** for the year 2016-17. Regarding.  
The **Women Empowerment Cell** in the year 2016-17 has conducted the following programs

| S.NO * | EVENT   | DATE       |
|--------|---|------------|
| 1      | Awareness of social responsibility of women through Blood donation camp | 19.08.2016 |
| 2      | Workshop on Entrepreneurship Skills                                     | 24.10.2016 |
| 3      | Challenges for women in the society                                     | 27.01.2017 |
| 4      | Women's Day Celebration: Role of Women in the Society                   | 08.03.2017 |

The **outcome** of all these programs are that the girl students and the lady faculty became more involved and enthusiastic towards, technology and entrepreneurship. They became aware of the reality of the world from the events and learnt to be more self reliant. This year we planned six events but could execute four events only. The WEC - MUDITA members resolved to continue to work towards the welfare of the students and staff in the coming years too.
