MUDITA MINUTES OF MEETING

Date: 28-07-2018 Time: 2:00-4:00 PM Venue: Dept of CSE –ROOM NO 306

Chaired By: Major Dr V.A.Narayana, Principal, CMR College of Engineering & Technology

Members present:

1. Chairman: Major Dr V.A.Narayana, Principal of CMRCET
2. Convener: Mrs. K.L.S.Soujanya
3. One faculty from each Department
4. One Student member from Each Department

The chairman Major Dr V.A.Narayana welcomed all the committee members.

Item 1 : Review of the previous year's WEC - activities

S.NO	EVENT	DATE
1	Personal and Menstrual Hygiene and Self Esteem for better living	31.07.2017
2	Gender Discriminations: LGBT Communities	29.10.2017
3	Cyber Crime Awareness for Secure Life	02.11.2017
4	Women in the competitive world: Talk by Alumni	28.02.2018
5	Women's Day Celebration: Living for a Purpose	08.03.2018

Item 2: Planning activities for the forthcoming year

S.NO	EVENT	DATE
1	Personal and Menstrual Hygiene and Self Esteem for Better living	30.07.2018
2	Gender Equality in education with reference to Telangana - Seminar	20.08.2018
3	Seminar on awareness for lady faculty on research grants exclusively for women	29.09.2018
4	Seminar on Osteoporosis - Care from Childhood	20.11.2018
5	Blood Donation Camp: Awareness of Emergency Blood Donation	16.02.2019
6	Breast Cancer Awareness - Risks for both Genders	23.02.2019
7	Women's Day Celebration - Celebrating Womanhood	08.03.2019

The meeting came to a close after all the attendees resolved to continue to take an active part in the activities to enhance the strength of the **Women Empowerment Cell**.

Report : Personal and Menstrual Hygiene and Self Esteem for Better Living

Date: 30.07.2018

Feminine hygiene is a big deal not just because of period it's also because of sweat which has stronger odour during periods. Keeping the under arm and genital areas clean means feeling fresh and comfortable. Of course staying on top of personal hygiene during periods is especially important.

When a girl has her period a small amount of bleeding takes place from her Vagina. This bleeding is considered as menstruation and is not something to be scared of. It is important to counsel the girls regarding use of napkins, sanitary pads or tampons and to be changed every few hours during the day even if the flow of blood is not very great. Counseling should be given to girls to wear fresh underwear everyday and change the sanitary pads to avoid menstrual odour. It is important to clean the genital area twice a day, it not only means being confident to smell ok but also that won't be risked of getting infection.

Girls feel uncomfortable or have cramp like pains in the abdomen, when they have periods, to avoid this pain they can go for regular exercise or walking. It is important to take iron related food not only during the periods but also regularly.

Dr. KLS Soujanya Professor. of the CSE Department convenor WEC – MUDITA conducted the session for the second year girl students. This event was organized by the **Women's Protection Cell, Mudita (Women Empowerment Cell)** with an **aim** to dispel the taboos attached to Menstruation.

Report: Gender Equality in education with reference to Telangana - Seminar

Date: 20.08.2018

Inquiries into forms of injustice and inequality identified gender inequality as one of the most persistent forms of injustice across societies and cultures. Not surprisingly gender equality has become central to the idea of development and focus of both policy makers and planners. For instance, The Beijing Declaration and Platform for Action, adopted at the UN's Fourth World Conference on Women (1995), identified "Education and training of women" as one of the twelve critical areas of concern. Thus, a study of the Sustainable Development Goal 4 for India, of the 17 SDGs adopted by the United Nations, reveals that only 65.46% of women are educated as compared to 82.14%. The study also reveals that for every 100 girls enrolled in primary education, 74.6% of women are not enrolled in higher education. It is in this context that CMR CET conducted a one day seminar on "Gender Equality in Education" on 20th August 2018.

The college invited Dr. A.Usha Bala as the chief guest to address the students and the faculty. In her speech she traced the socio economic history of Telangana and its impact on educational achievement of Women. She also dwelt on educational institutions established to impart education. She talked about the contribution of institutions like Koti Women's College, Osmania University, Durgabhai Deshmukh College for Women and other such institutions. While higher educational had institutions existed in Telangana, the lack of tertiary level institutions made it difficult for women to continue their education beyond primary level. Thus according to 2001 statistics there is a gap of 22.1% between men and women in Telangana. There was reduction of 6.56% compared to 1991 statistics. According to Census 2011 the literacy rate of Telangana is 66.5%. The female literacy ratio is lower than the national average of 65.5%. She explained how Telangana faces some challenges in the form of inability of Tribal communities, nomadic and migrating.

The **aim** of this event is to apprise the women faculty and girl students of the situation of girl education in Telangana and how to improve it. This was organized by the **Student Counseling Centre** and the **Women Empowerment Cell**.

Report : Seminar on Osteoporosis: Care for both Genders

Date: 20.11.2018

The third year MBBS students of Bhaskar Medical College representing MSAI (Medical Students Association of India) conducted a seminar on Osteoporosis for all the female faculty of CMR College of Engineering & Technology on 20th November to bring awareness in women. This event was completely patronized by the Secretary and Correspondent, Mr. C.H Gopal Reddy and Principal, Major Dr. V.A. Narayana of CMR College of Engineering & Technology, owing to the care and concern of the women force working for the college. The awareness program was a huge success as all the faculty were sensitized towards the growing problems in menopausal women. The event was coordinated by Ms. Rohini Reddy and Ms. Rosy Matilda and organized by the **Student Counseling Centre** and the **Women's Protection Cell, Mudita - (Women Empowerment Centre)**.

Report : Blood Donation Camp: Awareness of Emergency Blood Donation

Date: 16.02.2019

Every year 14 June is celebrated as World Blood Donor Day in order to raise awareness about the importance of safe and voluntary blood donation and also to thank the donor community. The themes that are selected to observe blood donor day over the years indicate how blood overcomes national and sectarian barriers. For instance the theme for 2016 is: "blood connects us all." Similarly the theme for 2013 is "give the gift of life: donate blood." But unfortunately awareness about the need for voluntary blood donation has not spread among the general public. This is important because in situations of emergency like accidents or natural calamities availability of blood donor becomes critical in saving lives, especially in the cases of rare blood groups like O negative. Thus one should be able to reach out to the blood donors immediately in medical emergencies where time is crucial since compatibility tests have to be conducted before blood transfusion. So there is a need for a record of donors to be prepared, which should include as many as possible.

Report: Women's Day – Celebrating womanhood

Date: 08.03.2019

Walking through history, women who were given importance contributed a lot to the society. In the past few decades women have been time and again breaking gender barriers and have always proved themselves to be on par with their male counterparts. It's a day when we celebrate the amazing social, cultural, economic and political achievements of women. On 8 March 2019 CMR College of Engineering & Technology celebrated women's day to salute the (s)heros of the college. The college honoured the entire female faculty who stood as a pillar of strength for the college, since the beginning. This year the program was graced by Ms. Saajida Khan (Rashtrapati award for being first woman Sound Engineer) as the Chief Guest, Ms.J Padmavathi (Medchal MPDO) and Ms. Sashikala (Head Mistress for Government School, Medchal).

The event was organized by the **Student Counseling Centre** and the **Women Empowerment Cell -MUDITA** with an **aim** to meet the empowered women and be aware of the need for women empowerment.

18.04.2019

Sir,

Sub: **Annual Report of the Women Empowerment Cell** for the year 2018-19. Regarding.
The **Women Empowerment Cell –Mudita** in the year 2018-19 has conducted the following programs

S.NO	EVENT	DATE
1	Personal and Menstrual Hygiene and Self Esteem for Better living	30.07.2018
2	Gender Equality in education with reference to Telangana - Seminar	20.08.2018
3	Seminar on awareness for lady faculty on research grants exclusively for women	29.09.2018
4	Seminar on Osteoporosis - Care from Childhood	20.11.2018
5	Blood Donation Camp: Awareness of Emergency Blood Donation	16.02.2019
6	Breast Cancer Awareness - Risks for both Genders	23.02.2019
7	Women's Day Celebration - Celebrating Womanhood	08.03.2019

The **outcome** of all these programs are that the girl students and the lady faculty became More involved and enthusiastic towards health, technology and social responsibility. They became aware of the reality of the world from the events and learnt to be more self reliant. The WEC - MUDITA members resolved to continue to work towards the welfare of the students and staff in the coming years too.

Convener
