**INDUSTRY INSTITUTE INTERACTION CENTRE**

**Summary On Industry Institute Interaction Meet Held On 06th Jan, 2018**

The Industry Institute Interaction Centre of CMRCET was established in 2016 under the Industry Institute Interaction Scheme of the Ministry of Human Resources Development, Govt. of India with sole aim to understand industrial requirements of the region and act as bridge between academia and Industry.

The aim of this Centre is to evolve educational programs consistent with requirements of the industry which can provide engineering personnel capable of meeting the accelerating pace of the technological development of this region.

In this direction, the first Interaction meet with industry was organized in CMRCET on 6th January, 2018 to bring all the Technologists on one Platform and discuss the Industry-Institute related issues for betterment of all the stakeholders. Overall more than 30 Industrialists of Engineering, Electronics, IT and Electrical besides Senior faculty of various institutes under JNTU and OU have Participated in this meet.

**Dr. Ramesh Datla,** Chairman, Confederation of Indian Industry (CII) – National MSME Council and Managing Director of Elico Limited has informed about various missions of Indian Government and requirement of skills for young Engineers to be successful. He suggested to form a specialised Research Centre by each department and also by collaborating with other sister instates in the campus. He also informed about AICTE-CII awards on incubation, innovation, projects dealing with the industry problems etc.

**Sri K. Harish Reddy,** President, Cherlapally Industries Association, Hyderabad & Managing Director at Dynatech Industries informed the importance of learning on the job and turning into entrepreneur and Job opportunities for Engineers in various industries in Hyderabad.

**Sri Vijay Kumar Gupta,** CEO of Kwality Photonics has told the future of LED and the involvement several engineering branches in realizing the product.

**Mr. M.J. Purohit,** Chairman and Managing Director of Axiom group has told that by 2030 Electrical cars and solar power will predominantly rule the world and 50% of the components of these cars are made of Power Electronics related products.

**IIIC Meet Coordinator, Dr.B.Srinivasa Varma,** Professor of Mechanical Engineering has told about the activities of the cell.
Principal of the institute, Major Dr V A Narayana has informed the strength and activities of the institution.

Sri Ch. Gopal Reddy Secretary and Correspondent has addressed the meeting and conveyed the thanks to the senior personnel in the industry and all the participants for making the meet successful.
Activities undertaken during summer of 2018

- Over 100 students of Mechanical Engineering have attended internships in various industries and Prestigious institutes
- Ashok Leyland, Kompally; Azad Engineering, Hyderabad; BARC, Mumbai; BDL, Hyderabad; Bosch, New Delhi; SC Railway Diesel Shed, Moula-Ali; DRDL, Hyderabad; Ennem Excel, Patancheru; IIT, Hyderabad; Mahalifts, Cherlapally; Mahindra & Mahindra; ARCI, Hyderabad; NFC, Hyderabad; NSIC, Hyderabad; ODF, Sanga Reddy; Ramtech, Hyderabad; Rane Brake Lining, Gajwel; Rane Valves, Prajnapur; Rotec, Patancheru; Singareni Collories, Kothagudem; Tata Motors, Hyderabad; SKODA, Hyderabad; Veljan Hydraulics, Patancheru; Vizag Steel; Mahindra & Mahindra, Zaheerabad; Fluid Check Valves; Shiva Balaji Motors, Hyderabad

Activities planned during summer of 2019

- Aim is to achieve 250 student internships at various industries/organisations along with IIT’s, BARC, DRDO and other prestigious institutes for Mechanical, Civil, Electrical, Electronics & Communication Engineering and Mechanical Engineering students in various industries and Prestigious institutes
- SkyyRider, Bhubaneswar - 30
- Robocoupler, Visakhapatnam - 30
- Mechrise, Hyderabad - 45
- NSIC, Hyderabad - 10
- CITD, Hyderabad - 10
- BARC, Bombay - 1
- NIT, Rourkela - 1
- Mahindra & Mahindra, Zaheerabad - 4
- KTPS, Ramagundam - 2
- NTPC, Ramagundam - 2

(**Till 9th May, 2019)

Chairman: Dr. B. Srinivasa Varma, Professor of Mechanical Engineering
The Other members are:

1. Dr. M. Nagaraju Naik, Professor, Electronics and Communication Engineering
2. Dr. J. Srinivas Rao, Professor, Civil Engineering
3. Dr. Ch. Ravi, Professor, Civil Engineering
4. Sri. H. Shiva Naik, Assistant Professor, Civil Engineering
5. Dr. S. Muthu Balaji, Professor, Electrical and Electronics Engineering
6. Dr. R. Anand, Associate Professor, Electrical and Electronics Engineering
7. Sri. K.P.V. Krishna Varma, Mechanical Engineering
8. Sri. S. Dharma Teja, Mechanical Engineering
9. Sri Chakradhar, Electronics and Communication Engineering
10. Dr. Dilshad Ansari, Computer Science and Engineering
11. Md. Sirajuddin, MBA
