

Name : Dr.Y.Rama Mohan

Designation: Professor

Qualification: M.Sc, Ph.D.

Experience: 15 years teaching + 23 years Industrial

Specialization: Chemistry

Date of Joining: 10/07/2012

Phone Numbers: 9959474342

Email-Id: dr.ramamohany@cmrcet.org.

Achievements/Publications/Workshops/Seminar/Guest Lectures

Publication

1. Spectrophotometric determination of certain cephalosporin drugs by using F-C reagent. The Eastern.Pharmacist. 465, sept1996 ,115
2. Estimation of Acyclovir and sparfloxacin using F-c reagent. The Eastern.Pharmacist. 498, sept1998,111
3. Estimation Cefadroxil by orthogonal polynominal functions. The Eastern.Pharmacist.491, sept1998,119
4. Spectrophotometric estimation of Cisapride in formuations. Indian Drugs.35(12),754
5. Extractive spectrophotometric estimation of doperidone. Indian Drugs.36(50),754,360
6. Spectrophotometric determination of certain fluoroquinlone drugs Indian Drugs.37(5),336

Workshops

1. Participated in a two days faculty development workshop conducted at TRR engineering college, Hyderabad.
2. Attended faculty development programme held at St.stanley college of engg&tech, Muthangi, Patancheru.
3. Participated in the webinar conducted by AICTE on Universal human values.
