

Name Mandapati sridevi

Personal Information

Designation: Assistant professor

Qualification: MSc Applied Mathematics

Experience:16

Specialization: Applied Mathematics

Date of Joining: 24-08 -2011

Phone Numbers:8790191938

Email-Id: msreedevi@cmrcet.org

Achievements/Publications/Workshops/Seminar/Guest Lectures

Workshops

- 1 National conference on mathematics in Kakatiya university
- 2.National conference on mathematical modeling in GNIT
3. IUCEE Program in CMRCET
4. TEQIP III in JNTUH
5. Applications of Numerical Methods in O.U
6. Applications of Maths in Field of Engineering in CMREC
7. Published a paper on “Stability Analysis of an Epidemic model with infected Immigrants and Optimal Vaccination” vol8,Issue2,IJRTE.
8. Published a paper on “Dynamics of An SI Model with Time delay and Diffusion”vol8, Issue11,IJSTR.

9. Published a paper on “Stability Analysis of Tumor and Immune system Interactions with Treatment”vol8, JARDCS.
10. Published a Paper on “Dynamics of an SIS Epidemic Model with Double Epidemic Hypothesis” vol.35,Issue-2, IJED .
- 11.Presented a paper entitled “Dynamical Analysis of Tumor and Immune system Interactions” in the “International Conference on Advances in Science, Engineering& Mathematics (ICASEM 2020)”
12. Presented a research paper on “Stability Analysis of an SI model with time delay” in the international Conference on Mathematical Sciences and Applications-ICMSA 2019.
