

NAME: BANOTH SREENIVAS

Personal Information

Designation : Assistant Professor

Qualification: M-tech

Experience : 3.2 Years

Specialization: Computer Science and Engineering

Date of Joining: 12-12-2014

Phone Numbers: +919949234683, 7386553878

Emai-Id: srinu.vagg@gmail.com

Achievements/Publications/Workshops/Seminar/Guest Lectures

Publication

1. “**Latent variate factorial principal component Analysis of microelectrode recording of subthalamic-nuclei neural signals with deep brain stimulator in Parkinson disease**” B.Sreenivas published in international journal of Bio informatics, during in Jan 2018.
2. “**Latent Variate Factorial and Clustering Analysis of EMG Writer`s Cramp Neuromuscular Signals**” B.Sreenivas published in Research Journal of Engineering and Technology during Jan 2018.

Achievements

1. Presented a Technical paper presentation in **Technozion'09** held at **NIT Warangal**.
2. Received Merit Certificate in A National Level Technical Symposium –Technocraft-2010

Workshops

1. Participated in FDP on “Research Issues and Methodologies in Computer Science &Engineering” conducted by CMRCET at Hyderabad.
2. Participated **IUCEE** International Engineering Educator Pre-Certification Workshop.
