Subjects Taught For B.tech:-

- Ø Computer Networks
- Ø Mobile Computing
- Ø Database Management System
- Ø Software Testing And Methodologies
- Ø Operating System
- Ø Network Programming
- Ø Distributed systems
- Ø Unified Modeling Language
- Ø Software Engineering
- Ø C language with DS
- Ø Design patterns

Subjects Taught for M.Tech :-

- Embedded systems
- Unified Modeling Language
- Distributed Database

LABARATORIES HANDLED :

Network Programming
Sql and pl/sql
Operating system
Unified Modeling Language
It Work Shop

Qualitative Analysis of self :

Consistency in doing job.
Good Communication and interpolated skills.
Quick grasping power and learning capabilities.
Optimistic approach during difficult situations.

Educational qualification :-

- **M.Tech(CSE)**(**2009-11**) from **JNTUH** With 75.62%.
- **M.C.A** (2002-05) from KAKATIYA UNIVERSITY WARANGAL with 67.56%.
- **B.C.A**(1999-02) form KAKATIYA UNIVERSITY WARANGAL with 60.50%.

Personal profile :-

Date of Birth : 10-08-1980.
Martial Status : Married.
Languages known : English, Telugu,Hindi.
Hobbies : Reading Books and Motivating students.

Declaration :-

I hereby declare that all the information furnished above is true and genuine to the best of my knowledge.
