

Mr. ANIL SANTI

Personal Information

Designation	: Assistant Professor
Qualification	: M.Tech.
Experience	: 4 years
Specialization	: Systems & signal processing
Date of Joining	: 16-06-2014
Phone Numbers	: 9676458404
Email-Id	: sanil@cmrcet.org
Subjects taught	: PTSP, DSP, DIP and CMC
Labs Handled	: BS Lab, DSP Lab and AC Lab

Achievements/Publications/Workshops/Seminar/Guest Lectures

Publications

1. **Anil santi**, G Nagarjun “Calculation of VSWR and Return loss in CMPA by varying the parameters of the Antenna” Journal of Advanced Research in dynamical and control systems, vol-9,issue 4, oct-2017 .
2. Mary swarna latha, **Anil santi**, anil Gantala,P. anjaneyulu “Distance measurement using standard ultrasonic transducer HC SR04”, Journal of Advanced Research in dynamical and control systems, vol-9,issue 4, oct-2017 .
3. Prameela Reddy, **Anil santi**, abdul subhani shaik “tongue controlled wheelchair movement” International Journal of Engineering Science and Computing, Vol 6, issue No.11, November 2016.

Achievements

1. Qualified UGC NET for Assistant professor.
2. Qualified GATE 2011, 2017.

Workshops / FDP's Attended:

1. **Two-Weeks Faculty Faculty Development Programme on Signals & Transform Techniques and their Applications** from 21st-30th May 2018, in association with E & ICT Academy, NIT Warangal.
2. **One week workshop on LabVIEW programming** from 14th-19th May 2018 at Vasavi College of engineering.
