

Education

- Ph.D: JNTU Hyderabad, 2016 (Geotechnical Engineering)
- M.Tech: JNTU Kakinada, 2003 (Geotechnical Engineering)
- B.Tech: SVU Tirupathi, 1999 (Civil Engineering)

Research Interest

- Foundation Engineering
- Ground Improvement Techniques,
- Recyclable Materials in Geotechnics

Awards

- Received GATE fellowship from MHRD, India for doing Masters
- Received 3rd Prize from 2nd Indian Young Geotechnical Engineers Conference held by JNTU Kakinada on 14-15 March –2009

Appointments

- Professor and HOD, Department of Civil Engineering, CMR College of Engineering & Technology, Medchal, Hyderabad, T.S., INDIA (June, 2013- Till date)
- Associate Professor and HOD Department of Civil Engineering, CMR College of Engineering & Technology, Medchal, Hyderabad, T.S., INDIA (December, 2010- May 2013)
- Assistant Professor and HOD Department of Civil Engineering, CMR College of Engineering & Technology, Medchal, Hyderabad, T.S., INDIA (June, 2009- November, 2010)
- Full-Time Research Scholar, Department of Civil Engineering, College of Engineering, JNTUH, Hyderabad, T.S., INDIA (June, 2006- May 2009)
- Senior Research Scholar, Department of Civil Engineering, College of Engineering, JNTUK, Kakinada, A.P., INDIA (June, 2003- May 2006)
- Lecturer, Regency Institute of Technology (RIT)A.P (01-01-2006- 30-06-2006)

Research Publications

- Inter National Journal -11
- National Journal -03
- International Conference -08
- National Conference -17

Research Projects

- Applied for Young Scientist for DST, “Conservation And Management of Surface And Groundwater along the Granitic Terrain of Chinthapally Mandal Nalgonda District Telangana”
- Applied for DST Project Under SEED, “Conservation and Management of Surface and Groundwater along the Granitic Terrain of Chinthapally Mandal Nalgonda District Telangana”.
- Applied for AICTE project, “Contamination of Groundwater and its bearing on Environment - A Geo-chemical study of Kondapalli Industrial area, Krishna District, Andhra Pradesh”.
