

CMRCET/PRIN/Niruja Health Club/A.Y2014-15/01.

Date: 21<sup>th</sup> April, 2014.

**OFFICE ORDER**

(Sub: Constitution of Niruja Health Club)

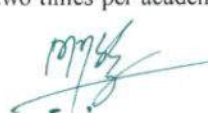

With reference to the office order "CMRCET/PRIN/21/2014, Dated 15<sup>th</sup> April, 2014", Niruja Health Club is constituted with the following Members for the A.Y 2014-15.

S.No.	Name of the Faculty	Designation & Dept.	Position
1	Dr. M.Ramalinga Reddy	Principal	Chairman
2	Dr. David	Medical officer	Convener
3	K.Soujanya	Asst. prof.H&S	Coordinator
4	A. Ambika	Asst. Prof, MBA	Member
5	Khaja Shareef Shaik	Asst. Prof, CSE	Member
6	D.RamaKrishna Sharma	Asst. Prof, EEE	Member
7	M. Kiran Kumar	Asst. Prof, ECE	Member
8	KPV Krishna Varma	Asst. Prof, Mech	Member
9	V. Niranjan	Asst. Prof, Civil	Member
S.No.	Name of the Student	Branch	Position
1	M Aishwarya	Mech	Student Member
2	ChityalaSrikanth	ECE	Student Member
3	ChinthalapaniSiddarth Reddy	CSE	Student Member
4	A Ravi Kumar	Civil	Student Member
5	Banoth Ashok	EEE	Student Member
6	B Varun Kumar	MBA	Student Member

Committee will work in line to meet the following objectives

1. To educate the students about the importance of health
2. To bring awareness among the students about various diseases, flues and also how to retaliate them
3. Motivate and encourage the students to conduct the health campaigns at various villages
4. To develop students as healthy and sound minded which is must for a good society
5. To strengthen the demographic dividend of our country

The committee shall meet as frequently as necessary to discharge its duties and in any case at least two times per academic year.

## MINUTES OF MEETING OF NIRUJA HEALTH CLUB

Date: 02-05-2014

Minutes of the first meeting of NIRUJA (Health) Club held at 10 AM on 02-05-2014 at ELCS LAB Block-I CMR College of Engineering & Technology.

### **Minutes of Meeting:**

A meeting was conducted by NIRUJA (Health) Club to discuss the various events to be conducted for the Academic Year 2014 – 2015.

- The chairman, Dr. Ramalinga Reddy welcomed all the members.
- Two events were suggested for the first semester while two more events were suggested for the second semester.
- M. Kiran Kumar, Asst. Prof, ECE suggested conducting an awareness program on the causes and prevention of Malaria to all the students because of increasing number of malaria patients.
- A. Ambika, Asst. Prof, MBA member suggested conducting an awareness program for the students on Nutrition as most of the students hailed from rural and semi-urban areas.
- All the members agreed to the opinion and accepted the proposal with enthusiasm to spread awareness on the causes and prevention of Malaria and awareness and the importance of Nutrition.
- These two events were collectively decided to be conducted for the first semester.
- For the second semester, R. Krishna Rao, Asst. Prof, CSE suggested briefing the students on the occasion of World Cancer Day.
- K. Soujanya, Coordinator of Niruja Health Club proposed to conduct an event on the eve of World Health Day keeping in view the overall health of everyone. One faculty member suggested that all the teaching and non-teaching staff also can attend this event.

**Resolution 01:** The NIRUJA (Health) Club committee members came to a conclusion to conduct two (2) events for the first semester (i.e.) the causes and prevention of Malaria for all the students and awareness program on Nutrition

**Resolution 02:** The NIRUJA (Health) Club committee members came to a conclusion to conduct two (2) events for the second semester (ie) World Cancer Day and World Health Day.

The meeting concluded with the Chairman thanking the members for their valuable suggestions.

**Preface:**

"Health is the greatest gift, contentment the greatest wealth, faithfulness the best relationship" – **Buddha**

From individual to the society health is the most important and vital aspect as healthy mind and body produces more efficient work. Keeping this on mind CMR College of Engineering & Technology has established **NIRUJA (Health) CLUB** in the year 2014. Niruja club plays an important role in bringing awareness about physical and mental health for students, their family and also to the society. Health campaigns and awareness programmes are conducted by Niruja club at the campus and also at various villages in coordination with students, faculty and management as and when needed and always dedicated for the health and hygiene of every student and society.

**Objective:**

1. To educate the students about the importance of health
2. To bring awareness among the students about various diseases, flues and also how to retaliate them
3. Motivate and encourage the students to conduct the health campaigns at various villages
4. To develop students as healthy and sound minded which is must for a good society
5. To strengthen the demographic dividend of our country

**Roles and Responsibilities:**

1. Coordinate with pre-camp planning efforts, as related to the Medical Team's duties at camp
2. Assist with volunteer Orientation & Training, as needed
3. Provide first aid kit to students and volunteers at times when needed
4. Maintain proper hygiene and utilize universal precautions at all times
5. Bringing awareness among the students to keep the surroundings clean there by nullifying the chances of infected by malaria, dengue and airborne diseases like swine flu
6. Conducting blood donation, HIV awareness, Health-Hygiene campaigns at regular intervals
7. College provides necessary facilities to the girl students during their monthly menstruation cycle like rest rooms, sanitary pads and also doctor gives inputs about their diet during this period
8. Create awareness to all the students regarding the health, nutritious food, vitamin deficiencies and their related diseases also the importance of physical workouts on daily basis
9. Conduct awareness campaigns regarding the side effects of Smoking, alcohol and also substance abuse.

There is multiple hierarchies in this committee to look after the smooth functioning under the esteemed guidance of principal and management

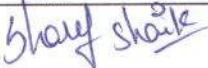

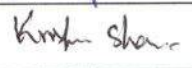

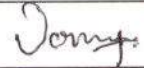

**Frequency of Meeting:** Twice a year/ as and when required

**Standard Operating Procedure (SOP):** Standard operating procedures are specific standardized procedures that regulate the routine actions of individuals in specific positions and assign roles and responsibilities within health committee. The procedures described below present the delineation of specific roles and responsibilities for Niruja (Health) club including identification, documentation, evidence collection and referral of various activities like seminars, awareness campaigns. The purpose of the Standard Operating Procedures is to provide clear and detailed description of step by step routine actions of Niruja club members with the following guidelines:

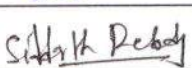

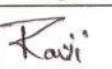

1. The Chairperson of the Niruja (Health) Committee shall be appointed by the management of CMR Group of Institutions in this case it shall be the Principal of CMRCET.
2. The composition of the Committee shall be at the discretion of the Chair and Management, but efforts shall be made to include committee members who represent the various segments like faculty, doctors, students, NGO's who work in the field of health and allied activities.
3. The minimum quorum required to conduct a meeting shall be  $1/3^{\text{rd}}$  of total members.
4. The Chair person shall confirm date, time and agenda with all members & confirm the venue the meeting.
5. Coordinator shall circulate the agenda, previous meeting minutes and a copy of all proposals and all study documents to each member for review. Each submission is discussed in detail and list of queries is compiled.
6. The Committee and any sub-committees formed will not have a defined number of members; rather will be staffed by an appropriate number to efficiently accomplish the task based on current needs.
7. The Committee shall produce a report to be submitted to the Management at both the mid-year and annual meetings.
8. All correspondence to the Niruja club must be signed by either the chairperson or Convener.

**Members present:**

1. Chairman : Dr. Ramalinga Reddy, Principal of CMRCET
2. Convener: Dr. David, Medical Officer
3. Coordinator: K. Soujanya ( Senior Faculty)
4. One faculty from each department

**Sub:** Permission to organize different Niruja Health club events in the year A.Y: 2014-15- Reg.

Respected Sir,

As you are aware that we organize different events for the benefit of faculty, staff and students, right from the beginning of the academic year, with prior permission, herewith I am submitting the proposed list of awareness programs for the A.Y: 2014-15

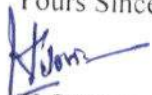

Hence I request you to kindly permit to organize the below mentioned awareness programs

S. No	Name of the Event	Date of the Event
1	Awareness program on Malaria	08-07-2014
2	Awareness program on Nutrition	21-08-2014
3	World Cancer Day(Feb.4 <sup>th</sup> )	03-02-2015
4	World Health Day(Apr.7 <sup>th</sup> )	24-03-2015

For smooth conduction of the events I request you to provide the necessary seminar halls, Auditorium and technical equipment.

Thanking You,

Yours Sincerely,

(K.Soujanya)

Coordinator

Niruja Health Club

Strategic Perspective Plan for the Academic Year 2014-15

Sl. No.	Date of the Event	Dept./Club	Name of the Event	Budget for the event	Details
1	08-07-2014	Niruja Health Club	Awareness program on Malaria Fever Prevention	-NIL-	As the malaria fever cases are increasing due to seasons shift it will be effective to conduct the such awareness program for the benefit of the students
2	21-08-2014	Niruja Health Club	Awareness program on Nutrition	-NIL-	It is observed that few students are becoming weak and even faint especially girl students due to lack of Nutritious diet. So to make the students aware about the importance of nutritious diet for their body and mind such program is necessary
3	03-02-2015	Niruja Health Club	World Cancer Day(Feb.4 <sup>th</sup> )	-NIL-	Cases of various types of cancers are growing day by day in the society. If they are detected at early stages they can easily be cured. So to make the students having handful of knowledge about the types of cancers such a program is necessary.
4	24-03-2015	Niruja Health Club	World Health Day(Apr.7 <sup>th</sup> )	-NIL-	Health is very important to the Human beings for their all-round development in the physical, mental and spiritual life. Having due regard to this and to make the students of CMRCET health centric conducting such an event is pivotal.

# Niruja HealthClub - Strategy Document

1. Health Club meeting is conducted at the beginning of each academic year.
2. A brief synopsis is given by the Niruja Health Club on the importance of the club and its activities.
3. Students are motivated to register inhealth club.
4. Students are encouraged to actively participate in the health club activities.
5. Health clubhas given instructions and suggestions to the students about implementation of the events as and when needed.

### REPORT ON MALARIA FEVER PREVENTION PROGRAM

Niruja Health club established by the office order **CMRCET/PRIN/Niruja Health Club/2014-15/01** dated 21<sup>st</sup> April, 2014 has conducted the Awareness program on Malaria Fever Prevention at CMR College of Engineering & Technology EEE seminar Hall block II on 08-07-2014. Dr. David has enlightened the faculty both teaching and non-teaching along with students on many aspects of malaria fever its symptoms. The speech in his words “Malaria is a vector borne disease which is transmitted from person to person via bites from infected mosquito (*Plasmodium falciparum*). After being bitten by the mosquito carrying malaria parasite a person will not notice the symptoms for one week to one month. During this time, malaria parasites multiply in a person’s liver before invading the red blood cells there by causing anaemia, neurological problems and many a times leads to death and he explained in detail about the prevention methods like keeping the surroundings clean, throwing away the stagnant water there by reducing the mosquito larvae”.

#### OUTCOME OF THE MALARIA AWARENESS PROGRAM:

After conducting the awareness program students, faculty both teaching and non-teaching has gained handful knowledge of the malaria fever and its prevention methods.

After the program all the students and faculty took a pledge to be a part of the Govt. of India’s National Strategic Plan with the aim to eliminate malaria by 2027

**Beneficiaries:**

One hundred and twenty Students; thirty faculty and staff have come to know about the malaria fever its symptoms and also how to keep the surroundings clean there by creating malaria free environment. Student volunteers learned also how to organize an event.

### REPORT ON AWARENESS PROGRAM ON NUTRITION

The Niruja Health Club with the support of the management has conducted an awareness program on Nutrition at CMRCET Auditorium dated 21-08-2014 for both students and faculty. The inaugural speech is given by Dr. M. Ramalinga Reddy, Principal CMRCET. Then Dr. Aruna has given her valuable speech about the importance of the Nutrition in everyone's life. She says that good nutrition means-an adequate, well balanced diet combined with regular physical exercise. There are two types of nutrients Macro and Micro both are very much essential for good growth of humans. She also explained about the diseases caused by the malnutrition like, Obesity, Diabetes, Cardiovascular disease and others. She also mentions that to maintain nutritious food one has to maintain a diet cycle like preparing a daily chart for the food we need to intake and include all fruits and vegetables in the chart.

#### OUTCOME OF AWARENESS PROGRAM ON NUTRITION:

Students, faculty got awareness on importance of nutritious diet.

All the participants took a pledge to make India to become part of Govt. of India's Malnutrition free mission there by making India a Malnutrition free country by 2022

#### Beneficiaries:

Two hundred Students, one hundred faculty and thirty staff have gained a lot of experience from the awareness program and gained knowledge on the importance of daily intake with all essential nutrients like proteins, carbohydrates, minerals and essential vitamins.

### REPORT ON WORLD HEALTH DAY

The Niruja Health Club with the guidance from the management has conducted an event for the world health day (Apr.7<sup>th</sup>) at CMRCET Auditorium dated 24-03-2015. All the students, faculty attended for the event. People from the vijaya diagnostic centre delivered a valuable speech on the importance of the health day and also how important for oneself to lead a healthy life. Highlights of the speech are “World Health day is celebrated globally on 7<sup>th</sup> of April every year which was started by WHO in the year 1948. People these days are so engrossed in their work that health has taken back seat. Junk food, improper diet, not drinking enough water per day also leads to illness.”

At the end of the event a team from Vijaya diagnostic centre conducted a series of health check-ups for students, faculty and staff like BMI, Cholesterol levels BP Sugar and other tests.

### OUTCOME OF THE WORLD HEALTH DAY EVENT

After conducting the event students, faculty both teaching and non-teaching has come to know how important to keep oneself healthy and lead a happy life.

#### **BENEFICIARIES:**

At the end of the event people from Vijaya Diagnostic centre conducted the health check-ups like BP, Sugar, BMI, Cholesterol levels and other tests for the students and faculty who are interested.

Two hundred Students, one hundred faculty and thirty staff have gained a lot of experience from the awareness program. They also came to how to keep one's body and mind healthy. Student volunteers learned how to conduct an event in a smooth way.
