Strategic Perspective Plan for the Academic Year 2015-16

Sl. No.	Date of the Event	Dept./Club	Name of the Event	Budget for the event	Details
1	22-07-2015	Niruja Health Club	Awareness program on Swine Flu	-NIL-	H1N1 influenza (Swine flu) cases and death toll seems increasing year by year; the reasons can be attributed to the lack of awareness about the symptoms and precautionary measures. So conducting such program for the students, staff and faculty about the influenza will benefit them a lot.
2	23-01-2016	Niruja Health Club	Awareness program on Menstruation Cycle related issues	-NIL-	As many girl students come from the rural background, they don't have sufficient knowledge about the menstrual cycle related issues. So health club will conduct an awareness program for girl students about menstruation related problems, solutions and dietary measures to be taken
3	16-03-2016	Niruja Health Club	World Tuberculosis Day(Mar.24 th)	-NIL-	TB cases in Telangana are on the rise compared to the Nation-wide. So to make the students aware about its symptoms, treatment conducting such program is very much necessary.
4	30-03-2016	Niruja Health Club	Awareness program on good Sleep	-NIL-	Good Sleep produces healthy mind and healthy mind produces better work output. Having due regard to the importance of good sleep Niruja health club will conduct awareness program for students to make them efficient nation builders.

REPORT ON SWINE FLU PREVENTION PROGRAM

Niruja Health club has conducted the Awareness program on Swine flu prevention at CMR College of Engineering & Technology EEE seminar Hall block II on 22-07-2015. Dr. David has enlightened the faculty both teaching and non-teaching along with students on many aspects of Swine flu and its symptoms. Swine flu (H1N1) is a respiratory disease caused by viruses (influenza viruses) that infect the respiratory tract of pigs, resulting in nasal secretions, a barking cough, decreased appetite, and listless behaviour. Swine flu produces most of the same symptoms in pigs as human flu produces in people. The most common way for a human to catch swine flu is through contact with a pig. Symptoms of swine flu include coughs, chills, and aches, similar to seasonal flu.

Every now and then the cases of swine flu are increasing in Hyderabad. So I request all of you to take care. When season changes the cases raises so, wear a masks while you move in public places. All of know there is a famous saying "Prevention is better than cure."

OUTCOME:

After conducting the awareness program students, faculty both teaching and non-teaching has gained handful knowledge of the Swine flu, symptoms prevention and vaccination methods.

BENEFICIARIES: A total of one hundred and twenty Students, faculty and staff have come to know about the Swine flu its symptoms and also to wear masks while moving in public places.

REPORT ON AWARENESS PROGRAM ON GOOD SLEEP

Niruja Health Club has conducted the awareness program on good sleep at CMR College of Engineering and Technology auditorium on 30-03-2016. Dr. David has enlightened the students, faculty and staff on many aspects of good sleep and its symptoms. He mentions that Sleep, like nutrition and physical activity, is a critical determinant of health and well-being. Sleep is a basic requirement for infant, child, and adolescent health and development. Sleep loss and untreated sleep disorders influence basic patterns of behaviour that negatively affect family health and interpersonal relationships. Fatigue and sleepiness can reduce productivity and increase the chance for mishaps such as medical errors and motor vehicle or industrial accidents. Sleep timing and duration affect a number of endocrine, metabolic, and neurological functions that are critical to the maintenance of individual health. If left untreated, sleep disorders and chronic short sleep are associated with an increased risk of: Heart disease; High blood pressure; Obesity; Diabetes and others

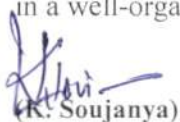

OUTCOMES:

After conducting the awareness program students, faculty staff has come to know the importance of good sleep

BENEFICIARIES:

One hundred and ten students, ten faculty and fifteen student volunteers have gained a lot of experience from the awareness program. Student volunteers learned how to conduct an event in a well-organized manner.
