To,  
The coordinator,  
IQAC,  
CMR College of Engineering & Technology.

Respected sir,

Sub: Request to approve the events to be conducted under Committee for Minority for A.Y:2023-24.

As per the Committee for Minority meeting held on 02-07-2023, all the committee members passed a resolution to conduct the below-mentioned events under the Committee for Minority for the academic year 2023-24. Hence, I request you to approve the following events to be conducted and to facilitate us with the resources for successfully completing the events under the committee for Minorities.

S. No	Name of the Event/Activity	Planned Date
1	Design Thinking for Transforming an Innovation into a Business	25/07/2023
2	Stress Management for Entrepreneurs	23/11/2023
3	Problem Solving and Ideation	13/02/2024
4	Startups in the IT Industry	15/04/2024

Thanking you,

Yours sincerely

(Abdul Subhani Shaik)  
Convener

## PROGRAM REPORT

---

**Event:** Workshop on “Design Thinking for Transforming an Innovation into a Business”

**Dates:** 25<sup>th</sup> July 2023

**Speaker:** Mr. Muneesh Babu

**Number of Students attended:** 62.

**Number of Faculty attended:** 8.

### Event Report:

The Minority Cell, CMR College of Engineering & Technology, Hyderabad, organized a workshop on “Design Thinking for Transforming an Innovation into a Business” for all students at the Institute on 25<sup>th</sup> July 2023. Objective:

The session was led by Mr. Muneesh Babu, an expert in design thinking and business innovation. This workshop aimed at equipping participants with a structured approach to innovation and entrepreneurship through the principles of design thinking.

The workshop was attended by students, faculty who were keen on understanding how to transform innovative ideas into viable business ventures.

### Workshop Highlights:

- 1. Introduction to Design Thinking:** Participants were introduced to the core concepts of design thinking, emphasizing user-centric problem-solving approaches.
- 2. Idea Generation and Validation:** Various techniques for brainstorming, prototyping, and validating innovative ideas were explored.
- 3. Business Model Development:** Participants learned how to create sustainable business models using frameworks like the Business Model Canvas.
- 4. Case Studies and Practical Exercises:** Real-world examples and hands-on activities helped participants apply design thinking principles to real business challenges.
- 5. Q&A and Networking Session:** The workshop concluded with an interactive session where participants engaged with experts and peers, exchanging ideas and insights.

### Conclusion:

The workshop provided a valuable platform for aspiring entrepreneurs to gain practical knowledge on how to bridge the gap between innovation and commercialization. The hands-on approach and expert guidance enabled attendees to better understand the journey from ideation to market realization.

The workshop is organized by Mr. Abdul Subhani Shaik, Convener Minority Cell. The workshop ended with a vote of thanks by Mr. Abdul Subhani Shaik and participants also gave their feedback. Totally 150 students and 68 faculty members have participated in this workshop.

## **Report on Workshop: "A Workshop on Stress Management for Entrepreneurs"**

**Date:** 23-11-2023

**Venue:** CMRCET

**Organized by:** Minority Cell, CMRCET

No. of Students Attended: 56

No. of Faculty Attended: 6

A workshop on "Stress Management for Entrepreneurs" was successfully conducted on 23-11-2023 at CMRCET. The event was organized by the Minority Cell of CMRCET with the objective of equipping entrepreneurs with effective stress management techniques to enhance productivity and well-being.

The workshop was attended by aspiring students and faculty members who were keen to learn practical strategies for managing stress in the fast-paced business environment. The session was led by Dr. Dowlath Ahmed, working as an Assistant Professor in the Dept. of MBA, at CMR College of Engineering & Technology.

### **Workshop Highlights:**

1. **Understanding Entrepreneurial Stress:** Participants gained insights into the common stressors faced by entrepreneurs and their impact on personal and professional life.
2. **Techniques for Stress Reduction:** Practical approaches such as mindfulness, time management, and relaxation techniques were discussed.
3. **Work-Life Balance Strategies:** Effective methods to balance professional responsibilities with personal well-being were explored.
4. **Resilience Building:** Tips on developing a resilient mindset to handle challenges and uncertainties in entrepreneurship.
5. **Interactive Session and Networking:** The workshop concluded with an open discussion, where participants shared their experiences and engaged with experts for personalized guidance.

The workshop provided a valuable platform for entrepreneurs, especially from minority communities, to develop coping mechanisms that would enable them to thrive in their business ventures. The interactive and engaging approach of the session ensured that participants left with practical takeaways to implement in their daily lives.

### **Conclusion:**

The workshop was well-received and appreciated for addressing an essential yet often overlooked aspect of entrepreneurship. It successfully created awareness about the importance of mental well-being and equipped participants with tools to manage stress effectively. The Minority Cell's initiative in organizing such an event was highly commendable, as it contributed to fostering a supportive entrepreneurial ecosystem.

## Report on Workshop: "Problem Solving and Ideation"

Date: 13-02-2024

Venue: CMRCET

Organized by: Minority Cell, CMRCET

No. of Students Participated : 58

No. of Faculty attended : 5

A workshop on "Problem Solving and Ideation" was successfully conducted on 08-02-2024 at CMRCET. The event was organized by the Minority Cell of CMRCET, to empower students and aspiring entrepreneurs with essential problem-solving techniques and innovative thinking strategies.

The workshop was led by Ms. P. Samyukhta, the Head of CIST and Innovation Ambassador at KG Reddy College of Engineering & Technology. Her expertise in fostering innovation and creative problem-solving provided valuable insights to the participants.

### Workshop Highlights:

- 1. Understanding Problem-Solving Techniques:** Participants were introduced to structured approaches to identifying and addressing challenges effectively.
- 2. Innovative Thinking and Ideation:** Various brainstorming methods and creative ideation strategies were discussed to generate impactful solutions.
- 3. Case Studies and Practical Applications:** Real-world examples helped attendees apply problem-solving frameworks to different scenarios.
- 4. Interactive Exercises:** Hands-on activities and group discussions encouraged collaborative problem-solving and knowledge sharing.
- 5. Q&A and Expert Guidance:** The session concluded with an open discussion where participants received personalized feedback and insights from Ms. Samyukhta.

The workshop provided a strong foundation for students and professionals to develop critical thinking skills and foster an innovative mindset. The interactive and engaging approach of the session ensured that participants gained practical knowledge applicable to both academic and entrepreneurial pursuits.

### Conclusion:

The event was organized by Mr. Abdul Subhani Shaik, convener of Minority Cell. The workshop was highly informative and well-received by participants. It successfully instilled a problem-solving mindset and encouraged creative ideation. The Minority Cell's initiative in organizing this event was contributed to nurturing innovative thinking among students and aspiring entrepreneurs. The event ended with a vote of thanks by Mr. Abdul Subhani Shaik.

## Report on One-Day Workshop: "Startups in the IT Industry"

Date: 15-04-2024

Organized by: Minority Cell, CMR College of Engineering & Technology

A one-day workshop on "Startups in the IT Industry" was successfully conducted on 15<sup>th</sup> April 2024 at CMRCET. The event was organized by the Minority Cell of CMR College of Engineering & Technology to empower minority students with insights into the startup ecosystem and entrepreneurial opportunities in the IT sector.

The keynote speaker for the workshop was Ms. K. Archana, an Assistant Professor in the Department of IT. She provided valuable guidance on how students can leverage their technical skills to build and sustain successful IT startups.

### Workshop Highlights:

- 1. Introduction to IT Startups:** An overview of the startup ecosystem in the IT industry and emerging trends.
- 2. Entrepreneurial Skills Development:** Key skills required to launch and manage a startup in the technology domain.
- 3. Challenges and Opportunities:** Discussion on common challenges faced by startups and strategies to overcome them.
- 4. Funding and Business Models:** Insights into funding sources, investment strategies, and viable business models for IT startups.
- 5. Interactive Q&A and Networking:** Participants had the opportunity to engage with the speaker and seek guidance on startup ideas and career opportunities in IT entrepreneurship.

The workshop provided a comprehensive understanding of the startup landscape and encouraged minority students to explore entrepreneurial ventures in the IT sector. It also served as a platform for networking and collaboration among aspiring entrepreneurs.

### Conclusion:

The event was organized by Mr. Abdul Subhani Shaik, convener of Minority Cell. The workshop was highly informative and well-received by the participants. It successfully created awareness about startup opportunities in the IT industry and inspired students to consider entrepreneurship as a viable career path. The Minority Cell's initiative in organizing this event was commendable, as it contributed to fostering innovation and inclusivity in the field of technology. The event ended with a vote of thanks by Mr. Abdul Subhani Shaik.
