Standard Operating Points (SOP)

The NSS unit formed standard operating points for execution of various programs. All points are framed with the presence of principal, NSS program officer and other executive body members

- The chairman of NSS unit, Dr. M. Ramalinga Reddy welcomed all the committee members. The first agenda point was to form the objectives of the NSS committee.
- Our NSS committee chairman Dr. M. Ramalinga Reddy suggested that all the programs should be connected to social and community services so that it will help to develop a better society.
- NSS program officer suggested blood donation camp should be conducted every year either once or twice in our college so that it will help the needy.
- Other committee members have advised that clean and green, traffic awareness and career developments to our NSS volunteers and students. By considering others opinions we decided to organize six programs for the academic year 2014-15.
- Collective decision was taken by all the committee members for the conduct of all the events for first and second semesters.

Introduction to NSS Committee:

National Service Scheme (NSS) Logo

The first education commission recommended the introduction of national services in 1950 by students on a volunteer basis. After all the recommendations finally in 1969, September 24th was declared as NSS Day and birth centenary year of Mahatma Gandhi, the father of nation to whom social service was almost a religion. The scheme now extended to all the States and Universities in the country. Students, teachers, parents, guardians, persons in

authority in the government, realize the need and significance of NSS. The motto of the NSS is “**NOT ME BUT YOU**”. This word is the essence of democratic living and upholds the need for selfless service and appreciation of others. The symbol of the NSS is designed based on ‘Rath wheel’ of Konark, the Sun Temple of Orissa. The wheel signifies the progressive cycle of life. The symbol of NSS Badge contains 24 wheels in the Rath of the Sun Temple of Konark. Each Wheel has eight bars which represents 8 pahars of day. The red colour in the badge indicates that the NSS volunteers are full of blood, i.e. lively, active and spirited. The navy blue color indicates the cosmos of which the NSS is a tiny part ready to contribute its share for the welfare of the mankind.

OBJECTIVES:

- The main objective of the NSS is to instill the idea of social welfare in students and provide community services without bias.
- Every volunteer works to ensure that who is the actual needy to get help for their living which promotes living standards.
- Student personality traits will be improve through community services.
- NSS volunteers should work by mingling with the community agents who represent the people.
- To find inherent talent in his/her knowledge through community services.
- To develop creative and constructive social work action.
- To promote or to serve in the weaker section of community.

Roles / Responsibilities:

- Students should enroll their name as an NSS volunteer in the college and enrollment is limited to 100 members in every academic year.
- Requires active participation in all the activities and to work with/among people.
- Proper dress coding with NSS badges during off the campus or on the campus is mandatory.
- Identify needs, problems and resources of the community along with program officer or local leaders.
- To establish rapport with the people in the project area for community developments.

- Every volunteer should complete 100 hours of work and keep day-to-day record in work activities/experience in work diary and submit to the group leader/program officer for periodic guidance.
- All volunteers should work under the guidance of a group leader nominated by the program officer.
- They shall make themselves worthy of the confidence and cooperation of the group/community leadership.
- They should scrupulously avoid entering into any controversial issues.

Resolution:

- We resolved that every academic year programs should be conducted and reviewed twice.
- All the NSS committee members have collectively taken decision to organize the various programs.
- The meeting concluded with the vote of thanks and valuable suggestions.

Committee Members Present:

Brief Report on Tree Plantation:

The CMR College of Engineering & Technology organized 'Tree plantation' on 22-07-2015 in and around the campus to spread awareness among the student and faculty community and to bring slight difference in the increasing temperatures that are contributing towards global warming.

Trees also contribute to the environment by helping us in providing oxygen, conserving water, preserving soil erosion and protecting wildlife. They also take in carbon-di-oxide and give us oxygen to breathe. They also provide us with a variety of fruits and flowers. Fifteen faculty members and fifty-three (53) students participated in the event and planted 63 saplings.. On this occasion Mr. Ch Malla Reddy who was newly elected as an MP from Malkajgiri and chairman of CMRCET visited the college and planted the first sapling. He showed a lot of enthusiasm in rendering his services towards greenery and encouraged the students with a tagline 'Each one plant one'. Even Secretary and Correspondent of CMRCET, Mr. Gopal Reddy and the Principal CMRCET Dr. M. Ramalinga Reddy graced their presence and planted the saplings. . The event was huge success as most of the students were seen outside their classrooms involving themselves in making the city green.

Brief Report on Career Guidance and Goal Settings:

Career is important for every student because without goals one cannot succeed. Every student need to have a set of clearly defined goals. One should have a “clear picture” of what one aspires to do. Articulating our vision statement for our career is the first step in helping them eventually reach our career goals. Professor, A. Narayana delivered a speech on” How to set vision and goals and how to work to achieve our goals”. All first and second year students participated in this program and clarified their doubts regarding goal setting. He even shared some tips on effective goal setting.

Squeeze out your goals in a positive way

- You be precise in setting date and time, once you precise automatically you achieved your goals.
- Set hierarchy order of your goals and arrange according to your attention towards and helps you avoid feeling overwhelmed by having too many goals.
- Write your shot and long term goals and set in realistic goals that you can achieve and that are in your own control.

Lecture by Major. Dr. V. A. Narayana

Report on Blood Donation Camp:

A blood donation camp was organized at CMR College of Engineering & Technology (Autonomous). Hope for Life blood bank medical teams attended the event. More than 536 students voluntarily donated blood and 56 volunteers volunteered for this event. The blood bank assisted by the volunteers took all necessary precautions to provide complete safety to the donors. Nearly 326 units of blood was collected and donated to the bank. The blood was collected with the intentions of helping the needy patients in government hospitals. With the cooperative efforts of the college management, students, blood bank members and NSS volunteers, the event turned out to be a huge success. The faculty of CMRCET also donated the blood indeed providing more encouragement for the students.

Report on Traffic Awareness Camp:

CMR College of Engineering & Technology organized an awareness program titled 'Safe Driving, Saves Alive' to remind the students about the importance of their lives and to follow safety measures to be safe. This event was held to bring awareness on increasing number of accidents. The program was held on 26-11-2015 at Medchal Junction.

Mr. M. Gangadhar, Inspector of police person accompanied with our NSS volunteers and students and spoke about the basic rules and regulations that one should follow to keep themselves and others safe. NSS program officer spoke about the importance of wearing a helmet while riding a two-wheeler and car driving within the speed limit.

The event was a successful one with the students being reemphasized on road safety and personal safety. The Principal of CMR College of Engineering & Technology, Dr. M. Ramalinga Reddy was present on the occasion along with the other management members. The management and Principal thanked Mr. M. Gangadhar for his presence.

After this event, the college decided to mandate the use of helmets for all the students and faculty who commute to college on bikes.

Brief Report on school dropout children Program:

Most of the children drop out of the schools in rural localities. So we need to create awareness among their parents. Our NSS volunteers visited Bachurajpally village on 20-02-2016 and gathered the statistics of the school dropout children and identified nearly 13 students. Reasons for the drop out are bad influence, family and socio-economy, poor health conditions and academic difficulties. But among all the reasons the main reason was health and socio economic problems.. Our NSS volunteer given clear information about government schemes and educated them about hygiene. All the villagers and the serpent appreciated the volunteers and accepted the suggestions that they have shared.

Minutes of Meeting (NSS)

The NSS volunteers are more enthusiastic and energetic to serve the better society. In this academic year six programs were conducted by the NSS unit. This is the time to take activity wise review of all the events conducted and look for the suggestions for better enhancement of committee.

First program was tree plantation. In this program we have collected 53 saplings from GHMC and planted in our campus to spread awareness among the student and teacher community. And to make a slight difference in the increasing temperatures that are contributing towards global warming. Second program was career guidance and goal setting for all the NSS volunteers and students. We invited one eminent personality Prof. Major V. A. Narayana for guest lecture on career development and goal setting.

Third program was on traffic awareness. All our NSS volunteers created awareness and explained traffic rules among public and also exhibited banners and posters at Suchitra junction.

Fourth program was about school dropout children. In this event 36 NSS volunteers participated and educated people of Bacharajpally village, Medak Dist about the importance of education. Nearly 13 parents were educated regarding the importance of education.

In this academic year blood donation camp was organized twice and even world blood donor day was celebrated on July 14th in the calendar. All NSS volunteers, students and faculty were motivated to donate blood for great cause nearly 542 units of blood.

Unfortunately we were unable to organized two programs scheduled those are Adult and child education awareness camp and Personality development programs due to unavoidable conditions. The conducted program was more helpful to public people and blood needy children.

All the programs are connected with community, society and environment benefits with our NSS volunteers.

Program Outcomes: we have organized six programs during the academic year 2015-16. The program outcome is all NSS volunteers got knowledge through community visits and by guest lecturers/seminars in career development.

Resolution:

1. We have successfully organized six programs during the academic year 2015-16
2. All committee members have decided to endeavor with same enthusiasm for next academic year: 2016-2017.

List of Board Members including students

S.No	Name of the member	Designation	Signature

Sub: A brief Annual report of the NSS for A.Y 2015-2016-Reg

The NSS unit has successfully organized six programs. First program was initiated to tree plantation for greenery campus. Second program was Career guidance and goal setting for all the NSS volunteers and students for career developments.

Third program was on traffic awareness. All our NSS volunteers created awareness and explained traffic rules among public and also exhibited banners and posters at Suchitra junction. Fourth program was about school dropout children. In this event 36 NSS volunteers participated and educated people of Bacharajpally village, Medak Dist about the importance of education

Other two programs are blood donation camp, our NSS volunteers and students successfully organized and donated 256 units of blood to Hope for Life blood bank society.

Unfortunately we were unable to organized two programs scheduled those are Adult and child education awareness camp and Personality development programs due to unavoidable conditions. The conducted program was more helpful to public people and blood needy children.

Out Comes of the NSS Programs:

- All the NSS volunteers have understand community problems.
- NSS volunteers accomplished social leader and efficient administrator.
- All the above programs organized to understand human nature.
