Date: 17.08.2021

## CIRCULAR

As per R-18 regulation of B.Tech & MBA, the students have to secure minimum required number of credits from all regular and supplementary examinations for the promotion to the next year. The requirements of credit are as follows.

Course	Year	Minimum no. of credits required
B.Tech	I Year to II Year	19
	II Year to III Year	47
	III Year to IV Year	72
MBA	I Year to II Year	26

In this connection, the list of students having shortage of credits and not eligible for promotion from the A.Y. 2020-21 to A.Y. 2021-22 will be finalized after declaring all the regular and supplementary results of A.Y. 2020-21.

Hence the students are permitted to the classes conditionally and they can be stopped if failed to secure the minimum required credits as mentioned above.

Already detained students who are desired to take readmission are allowed to register, however the readmission is subject to fulfillment of required number of credits for promotion.
