Procds No. JNTUH/EB/Grace Marks/1/2022

Date: 19-11-2022

Sub: JNTUH-Exam Branch-Enhancement of grace marks from 0.25% to 0.50% and applying for any number of theory subjects instated of 3 (three) theory subjects for B.Tech R18 A.Y 2021-22 outgoing students to get degree - Approval Orders.

Read: 1 Procds No. JNTUH/EB/Grace Marks/ 2022, dated 06-08-2022.

2 Univ. Order No. JNTUH/386/2022, dated 09-11-2022

3 Representations of the B.Tech R18 Regular, 2019 Lateral Entry students and their parents.

4 Note orders of the Vice-Chancellor dated 19-11-2022.

ORDER:

In the University Order (2) read above, the University has approved for adding grace marks of 0.25% of total marks which will be added up to maximum three theory subjects as given below:

Degree	Total of maximum marks in all eight semesters	Grace marks to be added (0.25% of maximum marks)	Rounded marks (maximum)
B.Tech (R18) Regular admitted (For the A.Y 2021-22 outgoing students only)	5900	14.75	15
B.Tech (R18) Lateral entry admitted (For the A.Y 2021-22 outgoing students only)	4600	11.5	12

There are several representations received from the B.Tech R18 Regular, 2019 Lateral Entry students and their parents for subject exemption and further enhancement of grace marks similar to other Universities to be added in view of disturbance in regular class work (offline mode) for two years due to COVID pandemic and students have been mandated for attending online class. It was observed that few students who stays in villages could not attended all the classes due to internet and other technical issues. Because of this students could not have performed well in the examinations. In the present B.Tech R18 regulations there is no chance for subject exemption as it was available to B.Tech R15 and R16 Regulations.

In view of the above, it is proposed to enhance the percentage of grace marks to be added from 0.25% to 0.50% of total marks as mentioned below, further applying these enhanced grace marks for any number of theory subjects instead of three theory subjects:

Degree	Total of maximum marks in all eight semesters	Grace marks to be added (0.50% of maximum marks)	Rounded marks (maximum)
B.Tech (R18) Regular admitted (For the A.Y 2021-22 outgoing students only)	5900	29.50	30
B.Tech (R18) Lateral entry admitted (For the A.Y 2021-22 outgoing students only)	4600	23	23

This enhancement of grace marks shall be applicable to only for B.Tech. (R18 Regulations) 2018 regular, 2019 lateral entry admitted batch students and for the students admitted in previous regulations and completed fourth year in R18 regulations, without subject exemption, who are eligible to get degree in the academic year 2021-22 only. For all other batch students as well as other regulation students, the above enhancement of percentage grace marks will not be applicable and they have to satisfy their applicable rules and norms as per their academic regulations for getting the degree.

In view of the above circumstances, the Vice-Chancellor is pleased to accord permission to the Director of Evaluation for enhancing the grace marks from 0.25% to 0.50% and applying grace marks for any number of theory subjects (i.e maximum of 30 grace marks for regular and 23 grace marks for lateral entry students) for R18 B.Tech 2018 regular, 2019 lateral entry admitted batch students, and those who were admitted in previous regulations and completed final year in R18 regulations without subject exemption, who are eligible to get degree in the academic year 2021-22 only, subject to ratification by the Academic Senate/ Executive Council.

These orders shall come into force with immediate effect for the students of JNTUH University Colleges, JNTUH Affiliated and Affiliated Autonomous Colleges.
