## REPORT ON SAVE SOIL

Save soil was an exclusive online meeting with Sadhguru on Sunday 13/02/2022 at 7 PM. He delves deeper into how each one of us can save soil. Yogi, Mystic and Visionary, Sadhguru is one of the most influential people of our times. All his efforts are towards just one goal (i.e) Raising Human consciousness. From around the world to

It is a 100 day motorcycle journey from United Kingdom to India, across 26 countries and 30,000 KM. Sadhguru is travelling as a lone motorcyclist, bringing together experts, global leaders and citizens from around the world to address this impending crisis.

Save soil movement began 24 years ago. For 3 decades by now, Sadhguru has been continuously bringing the importance of soil and the alarming threat of soil extinction into the spot light.

The save soil movement will work towards:

Turning the world attention to our dying soil

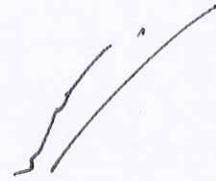

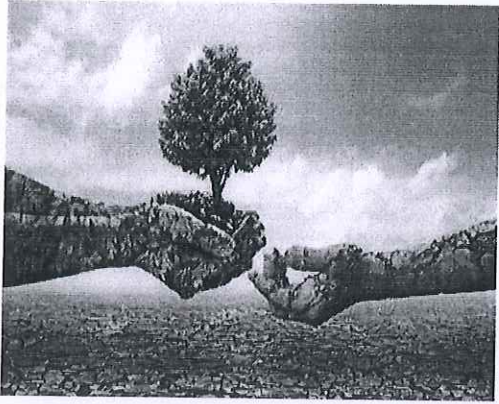

Inspiring people to safe guard, nurture and sustain soil.

To maintain a minimum 3 -6% of organic content in soils .

So it is the responsibility of every individual to protect and safe guard our soil by not polluting it and by growing more trees. In case we are saving our soil, then we are protecting our earth planet also.

More than 40 students have attended the online webinar. The session was inspirational and eye opening. Let every one of us join our hands to save our soil.

Handwritten scribble or signature.

## CELEBRATION EVENT

## WORLD EARTH DAY

Date: 22nd April 2022

*Shri. Ch. Gopal Reddy*

Chief Guest: Shri. Ch. Gopal Reddy

Secretary & Correspondent CMRGI

**NATIONAL GREEN CORPS (NGC)**

CMR College of Engineering & Technology

## REPORT ON WORLD'S EARTH DAY

For the past 40 years, Earth Day has been celebrated around the world to call attention to some of our most pressing environmental and social problems, including climate change, biodiversity loss, and dwindling natural resources.

World's Earth day is organized in CMRCET campus on 22<sup>nd</sup> April 2022, to spread awareness about conserving earth. As part of the event plantations, importance of food and water shortage, Usage of eco-friendly products and usage of electricity were carried out. Our Chairman CH. Gopal Reddy Garu, Principal Major Dr. V.A.Narayana Garu took initiation by plantation. This Program is mainly done to conserve earth and mother nature. Students and staff took part in this endeavour and initiative. Each one of them took a pledge to save Mother Earth by doing simple doable actions. Our continuing effort in our daily life will make this beautiful planet thrive

1

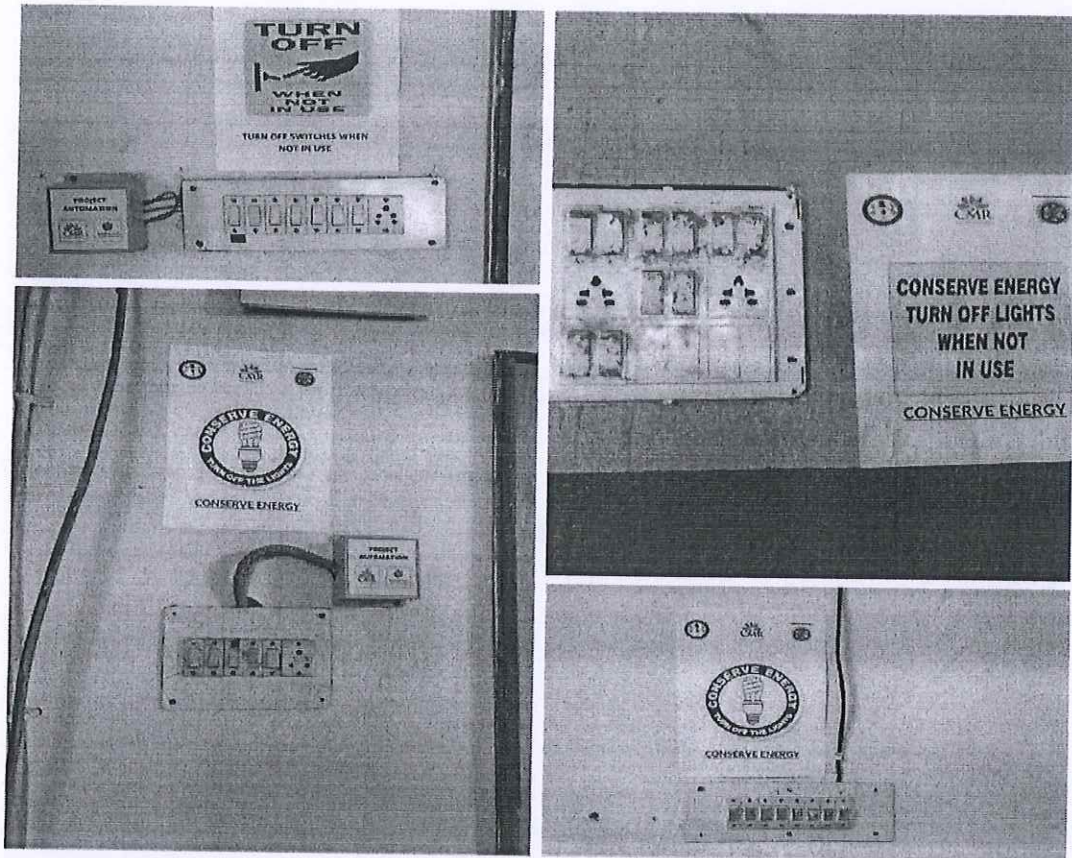

To emphasize the importance of food and water shortage, the students conducted a food drive in the dining hall of the college. They requested their peers to serve themselves small portions of the food rather than piling their plates and return for seconds, thus avoiding wastage. The students discarded the waste in the biodegradable and non-biodegradable baskets.

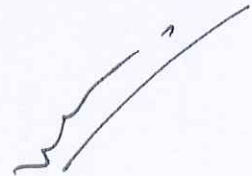

The students took the responsibility of managing the indoor plants, setting up a schedule with the help of their teachers to water the plants. They planted seeds of Aloe Vera, Coriander, Lemongrass and Tulsi. Students wrote poems and shared why it is important to take care of our home, Planet Earth.

They announced the Earth Hour and took on the initiative to unleash a week-long crusade to encourage the entire college to switch off electric lights and ACs in favour of and using natural light for an hour. They made posters and campaigned vigorously to motivate the entire college. The electricity consumption data was shared as a proof of their contribution to a larger goal of conserving our precious resources.

More than 160 students actively participated in this event and it was a great success.

## CMR COLLEGE OF ENGINEERING & TECHNOLOGY

*An autonomous institution with NAAC Accreditation (A Grade)*

\*Approved by AICTE\* Permanently affiliated to JUNTUH \*NBA Accreditation

Kandlakoya (V), Medchal Road, Hyderabad -501 401.

### ATTENDANCE FOR WORLD'S EARTH DAY

DATE : 22/04/2022

VENUE : CMRCET Campus

#### LIST OF FACULTY PARTICIPANTS

S.NO.	NAME OF THE FACULTY	MAIL ID
1	J.Saroja	jsaroja@cmrcet.ac.in
2	Bushra Fathima	bushrafatima@cmrcet.ac.in
3	Ms. D. Divya Reddy	ddivya@cmrcet.ac.in
4	Ms. G. Laxmi	glaxmi@cmrcet.ac.in
5	Ms. Krishna Veni	krishnaveni@cmrcet.ac.in
6	Ms. S. Swapna	sswapna163@cmrcet.ac.in
7	P.Rosy Matilda	rosy@cmrcet.ac.in
8	Dr. M. Ravi Kumar	drmrvikumar@cmrcet.ac.in
9	Dr. C. Chandrashekar	chandrashekar@cmrcet.ac.in
10	Ms. Saneera	sameeranarahari@cmrcet.ac.in

To,  
The Principal  
CMRCET  
Kandlakoya  
Medchal Road  
Hyderabad- 501401.

Through IQAC Co-Ordinator

Sir,

Sub: Requesting permission to organize workshop under Saksham.

I, Mrs J.Saroja, Green Officer of the National Green Corps and Assistant Professor of H&S department, earnestly request your permission to organize an NGC event.

- Date of Event: 25/04/2022
- Name of event: Workshop on Clean and Green energy
- Venue of event: Online

I request you to grant me permission and do the needful.

Thanking you

Date: 23/04/2022

### CIRCULAR

All the students are requested to participate in the workshop organized under Saksham on “Clean and Green Energy” by National Green Corps.

#### Event Details:

Date: 25/04/2022

Time: 6.30 PM

Venue: Online

**Contact:** Mrs J.Saroja , NGC Convener (9666002020).

**Green Officer**

**Principal**

**Copy Submitted to:** (1) The Secretary Garu – For your kind information Pl.

Copy to:

1. IQAC coordinator
2. Deans
3. Examination Branch
4. AII HODS
5. Administrative Officer
6. Accounts Officer
7. Librarian
8. Training & Placement
9. Concerned Faculty
10. Student Notice Board

## REPORT ON CLEAN & GREEN ENERGY

A Workshop was conducted by Saksham 2022 in adoption of Green and Clean Energy. This event was conducted to motivate the students to keep their environment clean and green by using fuels like CNG, Bio-fuels, solar, wind, water, bio-energy and all instead of using coal, petrol, diesel and all. Fossil fuels may get exhausted within few years; hence we have to use eco-friendly fuels which do not cause pollution.

The workshop has started with fossil fuels, like coal, petro, diesel etc. The advantages and disadvantages of it. Due to over consumption, these fuels are getting exhausted. The how do we sustain? A lot of studies are going on to use alternate resources. The green fuels have the potential to significantly reduce the greenhouse gas emissions by as much as 30% from their combustion in internal combustion engine. The various possible methods used for their productions determine the fuel sensitivity to the environment and the energy balance.

An Eco-Friendly Fuel is an ecologically abundant energy. Its creation and usage have the lowest effect on the atmosphere. Eco-friendly Energies regenerated from naturally arising substances – examples are biogas and biodiesel. Most fuels like petroleum, coal, etc., are constructed from the organic residues of extinct plants and animals. They comprise a significant proportion of carbon and hydrocarbons. As an outcome, they release harmful vapors.

With boosting energy desire, the creation and usage of these fuels are additional and thus built many severe environmental difficulties like Air Pollution, Global Warming, Rising Sea Levels, etc.

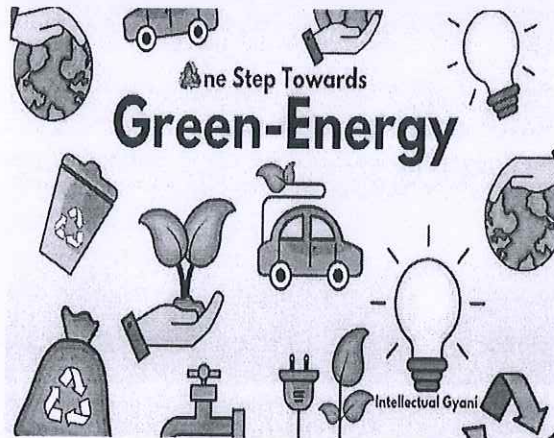

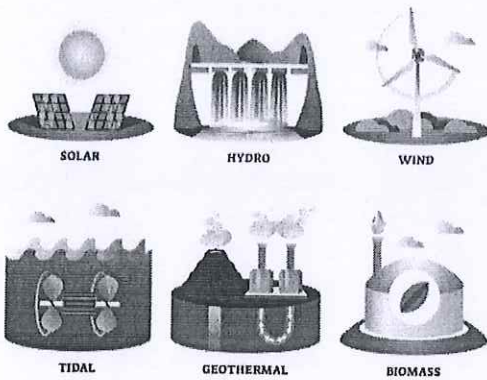

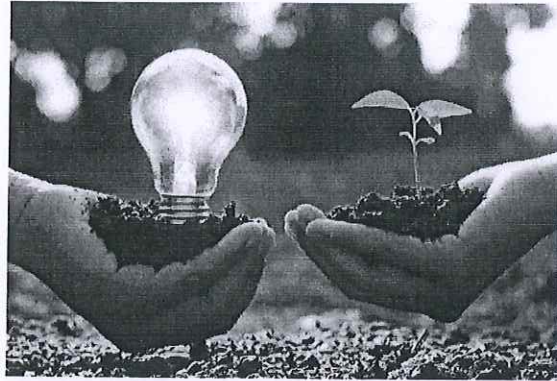

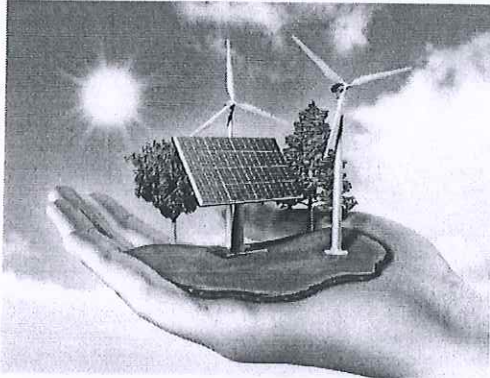

Some Eco-friendly fuels are:

- Natural gas
- Compressed natural gas (CNG)
- Liquefied petroleum gas (LPG)
- Bio-fuels like Biodiesel
- Electricity
- Hydrogen gas

Green energy is that which comes from natural sources, such as the sun. Clean energy are those types which do not release pollutants into the air, and renewable energy comes from sources that are constantly being replenished, such as hydropower, wind power or solar energy.

The most important aspect of clean energy is the environmental benefits as part of a global energy future. While clean, renewable resources also preserve the world's natural resources, they also reduce the risk of environmental disasters, such as fuel spills or the problems associated with natural gas leaks.

More than 50 students have participated in this workshop. The workshop was very informative and motivational. We on behalf of management and students appreciate Mr. Ramana Garu for giving an inspirational lecture on GREEN AND CLEAN ENERGY. We also extend our thanks to THE HINDU for conducting webinar for the benefit of the students.

## WORLD ENVIRONMENT DAY

Date: 4<sup>th</sup>, June 2022

Time: 11.00 AM

In association with

Competitions  
Elocution &  
Poster Making

Prizes &  
Certificates to  
winners

BHARAT UNNAT ABHIYAN  
&  
INSTITUTION INNOVATION  
COUNCIL

## REPORT ON WORLD ENVIRONMENT DAY

Date :04/06/2022

World Environment Day Is celebrated in CMR College of Engineering & Technology on 4<sup>th</sup> June, 2022, in association with Bharat Unnat Abhiyan and Institution Innovation Council The main purpose of the celebration was to raise global awareness and to take positive environmental action to protect nature and the planet earth. It is a day that reminds everyone on the planet to get involved in environment friendly activities.

The event started with our beloved Principal Dr. Major V.A.Narayana addressing the students. He has delivered his speech by motivating the students to keep the environment clean, by using eco-friendly products which do not cause any harm to the environment. Our Chairman Dr. CH. Gopal Reddy has motivated the students to do sapling, to enrich greenery. HOD's of various other departments also graced the occasion.

Students come together to pledge towards building a greener planet. Keeping this aim in view, Department of Basic Sciences and Humanities celebrated World Environment Day on 4th of June 2022. Students of various branches from department participated and celebrated world environmental day enthusiastically.

Competitions such as Elocution & poster making were conducted.

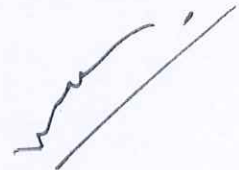

The Topic for Elocution was "GO GREEN OR FIND A NEW HOME".

The Google form link for elocution was, <https://forms.gle/29PzbTs2zzwXdtr87>

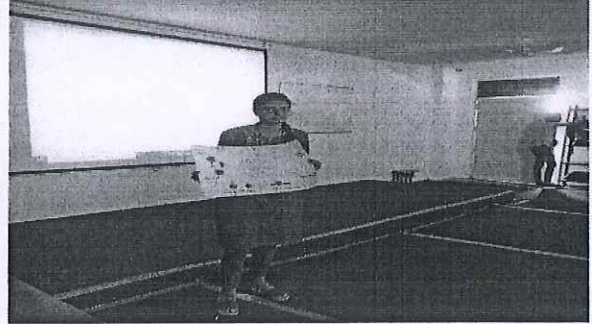

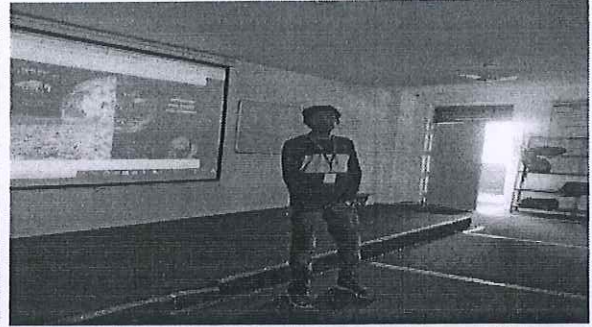

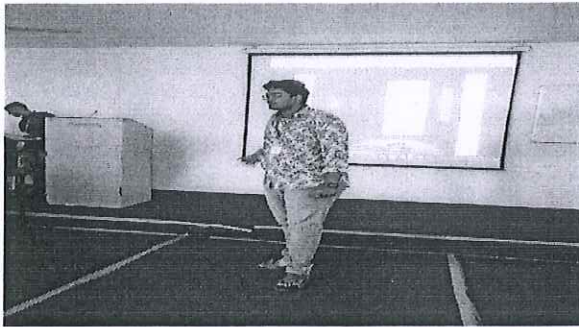

The Topic for Poster Making Competition was "ALTERNATIVES FOR PLANET EARTH".

The Google form link for poster making was, <https://forms.gle/7ghN66junt53Z7wj9>

Google form link was shared with students through which they shared their pictures. The following are the glimpses of it.

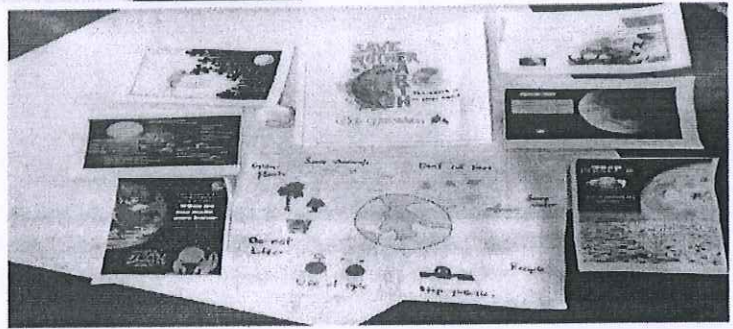

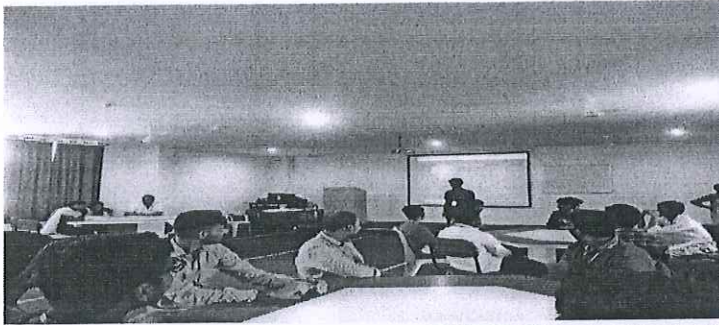

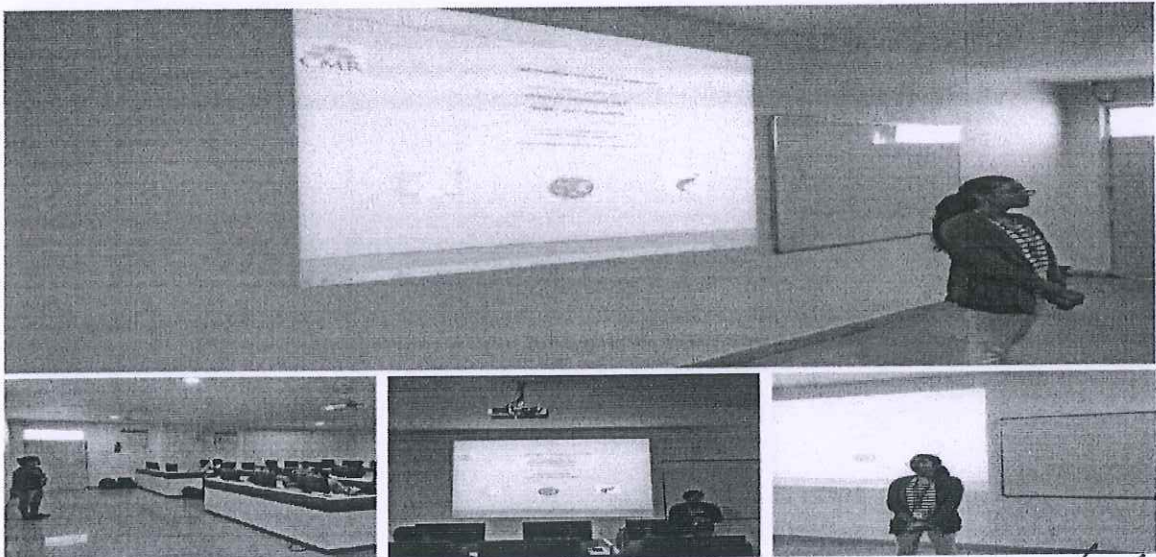

**Students with their poster presentations**

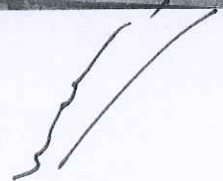

**Faculty Evaluating**

**Student participants & few posters**

**Students in elocution competition**

All in all, the event was a great success. More than 80 students got involved in these competitions. Students were given prizes and certificates.

# ESSAY WRITING

## CONTEST

*NATIONAL POLLUTION CONTROL DAY*

HOSTED BY

### CONTEST CATEGORIES

DESCRIPTIVE ESSAY (up to 600 words)

POEMS (up to 20 lines)

SHORT STORIES (up to 1500 words)

#### OBJECTIVES :-

- TO MAKE THE PARTICIPANTS AWARE ABOUT THE MANY WAYS IN WHICH ONE CAN MANAGE AND CONTROL INDUSTRIAL
- ENCOURAGING PARTICIPANTS TO BE AWARE HOW THEY CAN AVOID POLLUTION CAUSED DUE TO INDUSTRIAL PROCESS OR HUMAN NEGLIGENCE
- AND THINK OF INNOVATIVE IDEAS OR SOLUTIONS FOR POLLUTION FREE ENVIRONMENT

 TIMINGS:- 9:30 AM to 1:30 PM

 DATE:- 2<sup>nd</sup> DECEMBER 2022

 VENUE :- will be allotted to participants on arrival

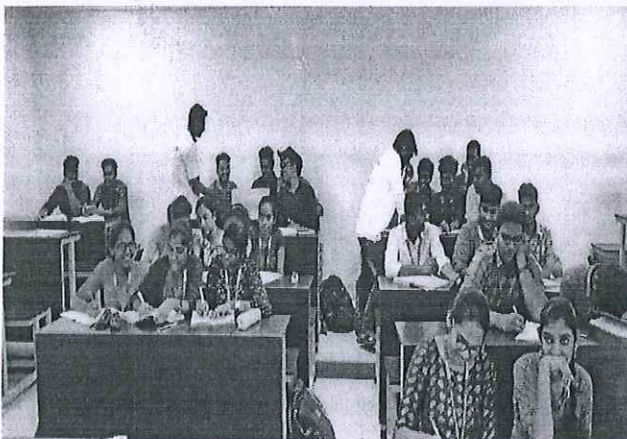

## REPORT ON NATIONAL POLLUTION CONTROL DAY

National Pollution Control Day is organized in CMR College of Engineering & Technology, Medchal on 2<sup>nd</sup> December 2022. The main objective of this day is to raise awareness about pollution control measures and prevention of industrial disasters.

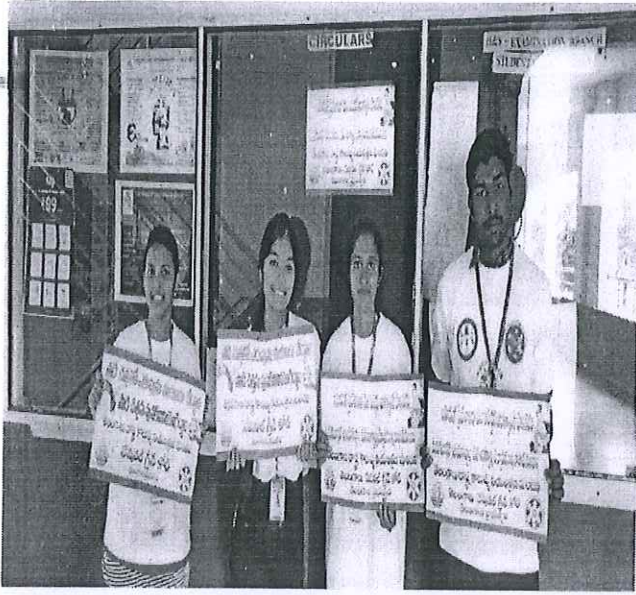

To celebrate this event, the students of I B.Tech were gathered in the main auditorium. Our beloved Principal Major Dr. V.A. Narayana along with all the Heads of various Departments have addressed the students. The students were sensitized about the current scenario of environmental pollution, its disastrous consequences and suggested different methods to stop and control air pollution.

The students observed this day through awareness raising activities on virtual platform requesting the society to GO GREEN and create a clean and pollution free environment for a healthy living. The students have also made posters and did coloring activity with inspiring messages on pollution and ways of minimizing them in their virtual classrooms.

As part of National Pollution Day Essay Writing Competitions was also conducted. Many students have actively participated with great enthusiasm and took the pledge to save mother earth for themselves and for the coming generations.

## NATIONAL ENERGY CONSERVATION DAY

# POSTER MAKING COMPETITION

Awards  
For Top 3

DATE :- 14<sup>TH</sup> DECEMBER 2022

TIMINGS :- 9:30 AM to 1:30PM

VENUE :- will be allotted to  
participants on arrival

### OBJECTIVES:

- Contribution to energy conservation and innovative steps taken towards becoming an energy-efficient nation
- Making participants aware of global warming and climate change to engage students
- Helping the students to think about developing innovative ideas

BYOC

Please submit  
before  
13:30 Hrs

## REPORT ON NATIONAL ENERGY CONSERVATION DAY

National Energy Conservation Day is organized by CMR College of Engineering & Technology, Kandlakoya, Medchal on 14th December 2022, in collaboration with MoE's Innovation Cell and Institutions Innovation Council to raise understanding and awareness of National energy conservation among students, teaching staff and non-teaching staff. This day is observed to spread awareness about the importance of energy and the need of conserving energy by using less energy.

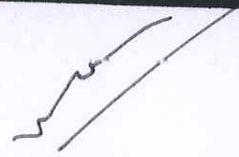

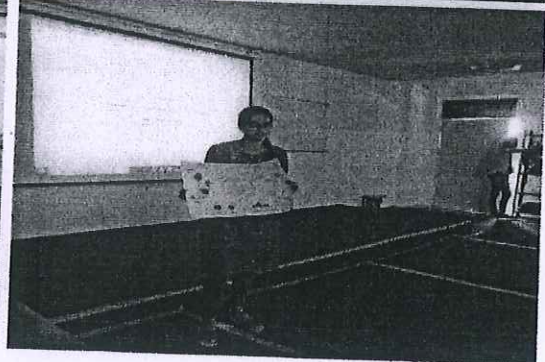

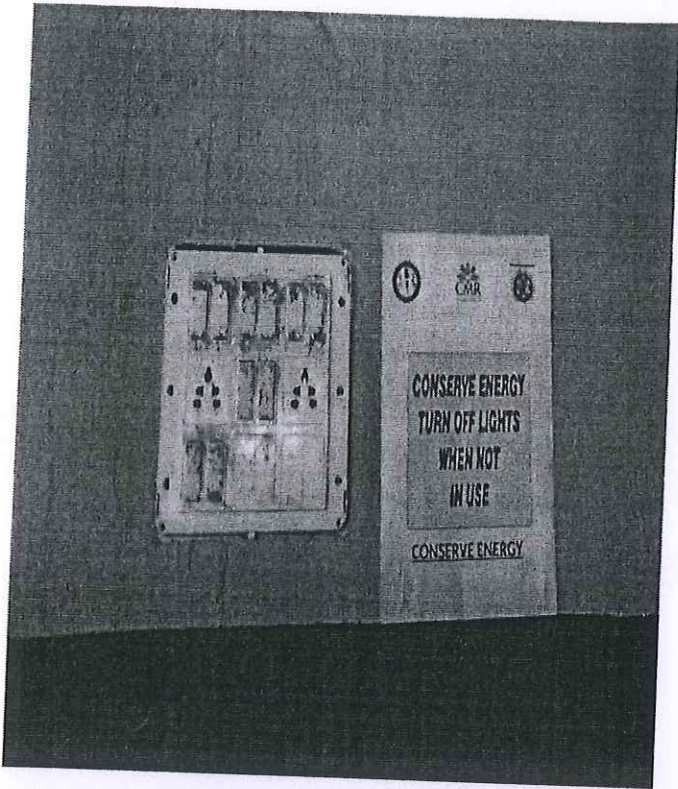

The event was organized from 11 AM in CMRCET auditorium. Students of various departments, teaching and non-teaching staff has gathered in large number to grace the event. Our Chairman, CH Gopal Reddy sir, Principal, Major Dr. V.A.Narayana , Heads of Various Departments have attended the event.. Our principal has addressed the gathering, by explaining the importance of saving the energy and the ways of energy conservation by turning off the lights, by unplugging appliances when they are not in use, by walking or by cycling instead of driving to save energy. The speech also included awareness of global warming, climatic changes and promotes efforts towards saving energy resources. To make energy conservation plans more effective, every person should include energy conservation in their behavior. The students were also motivated to think about developing innovative solutions.

As part of the program stickers were pasted near switch boards, near water coolers to promote energy conservation. Saplings of plants was also carried out.

In addition to the above activities poster making competitions were also conducted. Students actively got involved in large number. More than 150 students took part in the competition. The students with extrardinary performance were given prizes. Overall it was an extrardinary event with lot of fun & frolic.
