LIST OF EVENTS CONDUCTED/PARTICIPATED BY CEE

A. Year-2021-2022

3. Community partners meet & Demo of Advanced grassroots innovations
on 31st July 2021

CMR College of Engineering & Technology under the umbrella of Centre for Engineering Education Research (CEER) has organized “*Community Partners Meet*” and “*Demo of Advanced Grass Roots Innovation*” meet on 31st July 2021. This meet created a platform to interact with NGOs, Sarpanches, Counselors, Academicians and Farmers from different places and discuss the issues of the community and come up with the better solutions.

As we are aware that, according to the latest national educational policy guidelines, School and colleges have to take certain responsibilities, namely to relate and build themselves with the surrounding community, both in identifying and sharing common goals or values and in strategically mobilizing resources to address needs or enhance opportunities of the nearby community.

The Meet started with the lighting of lamp by the Chief Guest **Sri. Nanduri Satya Surya Prasad Garu, DEO MEDCHAL**, Guest of Honor **Smt Marri Deepika Narsimha Reddy (Chairperson Medchal Municipality)**, special guests **Cheerla Ramesh (vice-chairperson-Medical Municipality)** and **Boddu Subhash Chandar (Grassroots Entrepreneur)** respectively. CMRGI CEO Mr Abhinav Reddy, CMRCET Principal Major Dr V.A Narayana, Dean FSA and senior faculty of CEER Smt Dr Fatima Mary, CEER HOD Dr Kotishwar.A are among the others.

While addressing the gathering Chief Guest specified about the importance of Education and how the students can help the society with the technology change. Other dignitaries also shared about their views and enlightened the audience with their experience. This meet provided wonderful opportunity to interact and establish reliable networking with the globally reputed leaders of academia and community partners. Total 34 participated in this meet out of which there are 9 farmers, 7 Teachers, 7 Sarpanchs, and 11 NGOs from different villages and places. They introduced themselves and also expressed their intentions for being part of this meet. This platform gave an opportunity for all of us to know the views of the NGO's, Farmers and how we colleges and schools can help each other for the better society. This meet also show cased the projects implemented by the students of CMRCET related to the issues they observed during their community visit to the nearby villages.

The Outcomes of this meet:

- As planned it gave wide scope for debate and discussion on community issues.
- NGOs projected their work and stated how they can help farmers in every aspects of innovation.
- Two NGOs Youngistan Foundation and Well Wishers Foundation were really impressed by the efforts which the CMRCET has put to bring all the people together who work together for the society and came forward to tie-up an MOU with CMRCET.

- As per DEO's request the CMRCET and CEER team is ready to provide technical assistance to Tinkering LAB.

5. MOU Signed with NGO

CMR College of Engineering & Technology has signed MOU with Well Wishers foundation (NGO) on 19/08/2021 under Centre for Engineering Education Research.

Well Wishers Foundation

"Give a little, Help a lot."

CMR GROUP OF INSTITUTIONS

MEMORANDUM OF UNDERSTANDING

Between

Well Wishers Foundation

And

**CMR College of Engineering & Technology
(CMRCET)**

Well Wishes Foundation

"Give a little, Help a lot."

CMR GROUP OF INSTITUTIONS

1. About WELL WISHERS FOUNDATION

WELL WISHERS FOUNDATION is a non-profit organization. We are a group of students, we are engineers who want to spread awareness about the growing threats and we believe, we can improve the conditions of our environment.

We work for the environment and don't expect any recognition from people. We just want people to see our work and help us to achieve the greater goals. We are currently organizing every event for public cause with the help of our members and volunteers.

2. About CMR College of Engineering & Technology (CMRCET)

CMR College of Engineering & Technology (CMRCET) is sponsored by MGR Educational society, which was established in 2002. The college is located in 10 acres of serene environment which is lush green and free of pollution. All B. Tech programmes are accredited by NBA. A UGC Autonomous institute, it aims to be a premier academic institution striving continuously for excellence in technical education, research and technological service to the nation.

2.1 Vision and Mission

The main Vision and Mission CMR College of Engineering & Technology (CMRCET) organization are as follows:

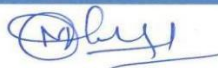

Vision

Our Vision is to remain a premier academic institution striving continuously for excellence in technical education, research and render technological services to the nation.

Mission

- Our Mission is to create and sustain a community of learning in which students acquire knowledge and learn to apply it professionally with a concern for the society.
- Pursue and Disseminate Research Findings and Offer Knowledge-Based Technological Services to Satisfy the Needs of Society and the Industry.

• Promote Professional Ethics, Leadership Qualities and Social Responsibilities.
Email: wellwishersfoundation25@gmail.com Web: www.well-wishersfoundation.com

Well Wishers Foundation

"Give a little, Help a lot."

3. Objective of Memorandum of Understanding (MOU)

- To impart knowledge on programming, design, thinking & entrepreneurship to needy students.
- To create awareness among all the students and faculty in helping the needy.
- To motivate all the students and faculty towards sciences and research.
- To work towards a policy change favouring society in all walks of life.

4. Institutional Commitment

Institution will carry out the activities, which are specific to WELL WISHERS FOUNDATION, as per details given below:

- Workshop for the students and faculty-** These activity will be conducted once in a year in the form of a workshop/Seminar for the students and faculty.
- Participation in WELL WISHERS FOUNDATION-** The faculty and students will participate in activities of WELL WISHERS FOUNDATION (Such as summer camps/seminars/Workshops etc.) outside the CMRCET, at least twice in a year.
- Subscription for WELL WISHERS FOUNDATION magazine.
- Institute may provide facilities to launch "WELL WISHERS FOUNDATION Technology Center" at CMRCET, to impart knowledge on programming, design, thinking & entrepreneurship to students as and when facilities are ready as per the terms and conditions laid out by the institute.

5. Commitment of Community Partner

- To conduct Workshop/Seminar for the students and faculty at least once in a year
- WELL WISHERS FOUNDATION will provide Internship to the students.

Well Wishes Foundation

"Give a little, Help a lot."

MEMORANDUM OF UNDERSTANDING CMR GROUP OF INSTITUTIONS

The general objective of this Memorandum of Understanding (MOU) is to stimulate and facilitate the development of collaborative and mutually beneficial programs related to students and needy who serve to enhance the better life on both organizations. Thus, WELL WISHERS FOUNDATION and CMR College of Engineering & Technology have agreed that in support of their mutual interests in the field of Free or Open Source Softwares (FOSS):

The MOU states that the two organizations will honor the agreement by Promoting interaction between WELL WISHERS FOUNDATION and CMR College of Engineering & Technology in mutually beneficial areas of

- Sharing the knowledge and capability in the concern areas for mutual benefits and become trusted partners in the area of Education and betterment of Society.
- Facilitate work from CMR College of Engineering & Technology students/faculties and vice versa related to development and future enhancement of the poor people.
- To collaborate, share information and technology to develop the required skills needed for the society.
- To offer internship for students on the area of Innovation, Entrepreneurship and development.
- To support the institute in following activities
 - o Capability development of the students.
 - o Workshops, Conclave, seminars, Events.

The Memorandum signed will be the guiding document for both the parties for execution of the actions and initiatives in the near future. Both the organizations will encourage its members to define the overall strategy and roadmap to carry out the action points contained in it and report on the progress achieved at regular intervals.

This agreement will take effect from the date of its signing and shall be valid for a period of three years from that date unless sooner terminated, revoked or modified by mutual written agreement between Parties, and may be extended by mutual written agreement.

6. CEER Faculty visit to ATAL Labs

Centre for Engineering Education Research organized ATAL Labs training for ZPHS schools. On this view CEER faculties visited different villages on 27th August 2021 and faculty interacted with head masters and teachers. This programme scheduled for 9 weeks according to syllabus.

7. Student participation in Project Expo-Sri Padmavati University, Tirupati

Centre for Engineering Education Research (CEER) faculty coordinated students to participate in National Entrepreneurship Competition held by Sri Padmavati Mahila Visvavidyalayam, Tirupati. On occasion of Bharat ka Amrit Mahotsav. During this event 8 faculties participated along with 8 teams of 31 students in this project expo.

Project details:

- Immersive Automatic Water Heater
- Video controlling hand gestured system
- Automatic side stand retrieval system
- Sewage Cleaning machine
- Fruit Plucker
- Distraction and drowsiness detection device for driver's
- College bus tracking
- Smart ceiling fan

8. Awareness camp on Eco friendly Ganesha Idols in Rural Villages

CMR College of Engineering & Technology under the umbrella of Centre for Engineering Education Research (CEER) has organized "AWARENESS CAMP ON ECO-FRIENDLY GANESHA IDOLS" camp on 8th SEP 2021. The main objective of this awareness camp is to create awareness and educate villagers on using Clay Ganesh idols. In this campaign faculty members along with student volunteers interacted with, MPTC, ZPTC, Sarpanchs, Counselors, local youth and children. Discussed issues of using plaster of Paris and its consequences to the society. Enlightened the villagers about the importance of using clay.

Ganesh chaturthi is a festival celebrated all over the nation, where people across the nation establish ganesh idols in their homes, and most of the idols were prepared by plaster of Paris. We know how the

plaster of Paris is harmful to the environment, concerned with the adverse affects of it, we the members of CEER department from CMR College of engineering & technology came forward to create awareness in the society along with our students. CEER department took an initiative along with college management.

In this camp we have visited four villages yellampet ,ravalkole, rajabolaram, muneerabad , we conducted campaign in all these four villages, were MPTC, ZPTC chair persons, panchayat secretaries of the villages, villages arpanch, ward members, village heads, and local youth, children attended. These camps are conducted in gram panchayat offices and also at center of the villages.

Students from different departments have participated and they shared their ideas and explained the importance of using clay ganesh and encouraged all villagers to use clay ganesh idols and then the villagers took an oath to use clay ganesh idols in the future as well.

Students also brought clay along with them and gave live demo on how to prepare clay ganesh idols. Local children also learnt how to prepare clay ganesha and they also prepared along with the students.

CEER department faculty and students with cooperation of college management distributed clay ganesh idols to the gram panchayat his and other local government departments nearby.

13 members from CEER department and 35 students has participated in this eco-ganesh idols camp

List of the student VOULNTEERS participated in the camp

12. ZPHS Students field visit to Birla Science Museum

On the 13th November, 2021 the students of Class I to VIII of ZPH School, Yellampet were privileged to visit the Birla Science Museum as an educational trip. Early morning at 8:00 on Saturday the students of class I to VIII assembled near the room as Head master gave us instructions before our departure. We boarded the buses allotted for the respective classes. It was a fun ride to the Birla Museum through the lanes and sprawling roads of Hyderabad. Finally, we arrived at our destination. It was a large building, surrounded by greenery and on the concrete banner to the entrance of the large compound were the words, "Birla Science Museum"

The B.M. Birla Science Museum, inaugurated in 1990 has designed hands-on exhibits based on simple laws of physics, perception, mechanics, optical illusions through mathematical puzzles, optics, electricity and magnetism, vibrations and sound, energy and motors, electronics and Hi-tech to topics like Environment. Here the students can discover the magic of science!!

The Archaeological Museum at BACRI exhibits a variety of unique archaeological objects, both excavated and collected. The galleries are arranged in chronological order to better showcase history as a coherent whole. The objects on display include excavated artifacts, items of pre-, early historic and megalithic periods, stone sculptures of Hindu, Buddhist and Jain culture and wood carvings. Bronze and temple ware, miniature paintings of historical schools of art, palm-leaf manuscripts and illustrated manuscripts are some of the other artifacts visitors can take in.

The Nirmala Birla Art Gallery / Dolls Museum located next to the Archaeological Galleries exhibits a varied collection of art objects amassed and contributed by Mrs Nirmala Birla, Chairperson of BACRI, and other members of the Birla family. The art objects on display include porcelain, glass, plaster of Paris, jade, crystal, sterling silver, mother of pearl, wood carvings and ivory.

The Room Royal of the Archaeological Museum houses a pre-Mutiny curtain dating to the time of poet king, Bahadur Shah Zafar. It is crafted in zardozi, a craft that was local to the Mughal capitals of Agra and Delhi. Zardozi is Persian embroidery usually done with gold wire and precious stones. This room also houses rare manuscripts, miniature paintings and a handwritten manuscript of Nobel laureate and Bengali poet, Rabindranath Tagore.

After a group of photograph they visited **Museum** and lunch hundreds of photographs in the premises were taken, they returned at 8:30 pm to the school.

Kandlakoya (V), Medchal Road, Hyderabad-501401.*

Outcomes:

1. Museums teach **critical thinking, empathy**, and other generally important skills and dispositions.
2. Trips to museums help get kids excited about school subjects.
3. Museums teach **subject-specific content and skills**.
4. Museums **expand the general world knowledge** of students.
5. Museum visits **increase students' cultural capital**; in turn, school groups help museums reach non-traditional museum goers.

13. Student Education Survey Data Collection

Faculty and students visited different villages, districts of Mahaboobnagar and Ranga redy on 13.11.2021 and done the survey on 'Impact of Covid-19 pandemic on school education in suburban and rural areas'. The outcome of this survey is to help the students to study in Government school by providing Good Infrastructure and ICT tools.

14. Faculty visit to ZPHS Schools for Academic Training

Centre for Engineering Education Research organized academic training for ZPHS schools. On this view faculty and students visited 6 different villages Muneerabad, Ravalkole, Yellampet, Rajabollaram, Pudur and Medchal on 20th Nov 2021 for academic training programme to teach Mathematics and Physics along with 4 students to each school.

In this faculty visit we interacted with head masters and concerned subject teachers about which topics/chapters need to be covered and about syllabus coverage. So that further training programme can be scheduled for 9 weeks according to syllabus.

15. Project Expo On Orientation Program

Centre for Engineering Education Research Conducted Project Expo on Orientation Day 25 November, 2021. *Guest: CH. Malla Reddy Garu* Visited our Campus on this Orientation day and He Appreciated the students for their new innovations. Few Parents Were So impressed and learnt new innovations during the Visit.

16. Academic training for ZPHS students

Centre for Engineering Education Research organized academic training for ZPHS schools. This program is scheduled for 9 weeks. On this view faculty and students visiting 6 schools to every Saturday. The villages which are under this program are Muneerabad, Ravalkole, Yellampet, Rajabollaram, Pudur and Medchal from 20th Nov 2021 onwards. During this period students teach academic subjects like mathematics and Science as part of training programme.

17. Project Expo during NBA Inspection

Centre for Engineering Education Research organized Project Expo during NBA inspection on 3rd Dec 2021. On this event all students explained project done by them in social innovation and Engineering exploration labs.

21. IUCEE Mission NEP - Project based learning 6 Mini courses for Engineering students

Centre for engineering education research faculty members are deputed for "Six mini courses for student Assessment in PBL for "Holistic and Multidisciplinary Education" (A.Y 2021-22) from 10th Jan 2021 to 26th April 2022. Which is organized by IUCEE experts. The IUCEE has six mini courses to develop student leaders using this approach.

1. Leadership and sustainability
2. Clean and green campus
3. Artificial intelligence for ALL
 - Introduction to Entrepreneurial thinking
4. Design Thinking and community based design
5. Social Emotional Learning

22. IUCEE Mission NEP Pilot with B.Tech First year students

Centre for engineering education research faculty members are deputed for "Six mini courses to a pilot batch of first year students (A.Y 2021-22)" from 15th Nov 2021 to 26th April 2022. The plan is for IUCEE international experts to offer the six mini courses to pilot batch of first year students.

1. Leadership and sustainability
2. Clean and green campus
3. Artificial intelligence for ALL
4. Introduction to Entrepreneurial thinking
5. Design Thinking and community based design

23. Report of One day FDP for Non-Teaching Faculty

One Day FDP on "Microsoft word" was successfully conducted in the CMR college of Engineering and Technology, on 24th January 2022 by **CENTRE FOR ENGINEERING EDUCATION AND RESEARCH**. The programme received an overwhelming response from the faculty members.

The program was inaugurated in the morning at 302 Room on 24th January 2022 by hands of Principal Major Dr. V.A. Narayana (CMRCET), Dr. A. Kotishwar HOD-CEER.

In welcome speech, Hon. Principal Major Dr. V.A. Narayana shared his views with the faculty

Participants that if faculty wants to develop themselves and their students, then attending such faculty development programme would enhance their skills practically. sir further shared that it helps to improve the performance of faculty in teaching and highlighted the importance and objectives of organizing faculty development programme . He briefed the participants about the subject chosen for FDP and highlighted the reasons and importance of the same.

In the inaugural speech Hon. Dr. Kotishwar HOD-

CEER, shared his views on faculty development programme he further added that this programme will provide special benefits to faculty members

Dr. R. Venkateshwar Reddy starts his discussion with very basic idea of concepts on Microsoft Word. He shared his technique like giving examples which helped to make subject fully understood and created interest among the participants

The following feedback was received from participants:

The participants were of the opinion that this FDP brought awareness on how to use Microsoft Word.

At the end vote of thanks by Mr. K. Sathish

Figure. One Day Faculty Development Program on Microsoft Word on 24th January 2022.

24. Report On One Day Workshop On Social Entrepreneurship

Event Title: Social Entrepreneurship

Dates: 28th January 2022

Event Coordinator: Mr. B. Suresh Ram, Assoc Prof

Organized by: Mr. Kayyam Sathish, Asst. Prof, Mr. Srinivas Vaddi, Asst. Prof

Inaugural Session: Dr. Kotishwar, HOD-CEER

Keynote Address: B. Subhash Chandar, Grassroot Entrepreneur, CEO-

Creativeminds, Coordinator-Palle Srujana

Number of Students attended 129

Number of Faculty attended 17

Event Report:

The Event titled- “One day Workshop on Social Entrepreneurship” conducted by Centre for Engineering Education Research, CMRCET and Jointly Organized by Palle Srujana and Centre for Innovation and Entrepreneurship (CIE) and MoE Institute Innovation Cell, Government of India. This event is conducted under Centre for Innovation and Entrepreneurship (CIE). This event is organized on 28th January 2022 through online mode.

In Welcome speech, **Principal Major Dr. V. A. Narayan** shared his views with

CMR COLLEGE OF ENGINEERING & TECHNOLOGY
(UG AUTONOMOUS)

*Approved by AICTE New Delhi, Permanently affiliated to
JNTU H Accredited by NAAC with 'A+' Grade, AIIB Tech Programmes Accredited by NBA*
Kandlakoya (V), Medchal Road, Hyderabad-501401.

the faculty Participants and Student Participants that if faculty or Students want to develop themselves and their students, taking these social entrepreneurship skills will really improve their skills. Sir also found that it helps to increase the effectiveness of teacher education and emphasized the importance and goals of social entrepreneurship organizations. He explained to the participants the topics they had chosen as entrepreneurs and emphasized their reasons and importance.

In the Inaugural speech Dr. Kotishwar HOD-

CEER, shared his views on Social Entrepreneurship. He further added that this programme will provide special benefits to faculty and students member.

Mr. Subhash Chandar then gave a **keynote speech** - at a discussion about the country's economic development. Innovation is key to incorporating human a value into the education system is essential. Innovation through sustainable human values is the key to national development.

Innovation through human values and sustainability is essential to the overall development of a country.

He discussed about **Palle Srujana** - how Grassroots innovations will be promoted and provided support for validation and reengineering. It also helps the innovators to get their technologies patented and take them to national and international level of recognition. The grassroots knowledge is linked to the formal system for validation, value addition, patenting, reengineering, manufacturability, marketability and business incubation etc. As most of the Grassroots innovations are being developed with locally available raw materials, they are mostly not in a marketable and manufacturable state. In addition, most of the grassroots innovators solve their problems through their creativity and do not intend to sell them. Based on the readiness of the innovation, and the innovator, each innovation at **Palle Srujana** is categorized into three - Ready For Sale (RFS), Ready For Entrepreneur (RFE), and Ready For Prototyping (RFP). **Palle Srujana** offers these grassroots innovations to the entrepreneurs in India and also abroad in the field of farming, low cost power generation, and comforts in daily life etc for manufacturing and marketing these affordable and highly useful innovations to the large cross-section of the society. How to solve customer problems, how to connect with consumers over

the Internet, how to start a startup, and how to transform innovation and invention into entrepreneurship. He discussed innovation and invention. How to work for the integrated problems?

25. Report On One Day Workshop On Design The Thinking

Event Title: Design The Thinking

Dates: 10th Feb 2022

Event Coordinator: Mr. Srinivas Vaddi, Asst Prof.

Organized by: Mr. Kayyam Sathish, Asst Prof.

Inaugural Session: Dr. Kotishwar, HOD-CEER

Resource Persons: Mr. B Suresh Ram, Assoc Prof. & Talluri Rajesh, Asst. Prof.

Number of Students attended 66

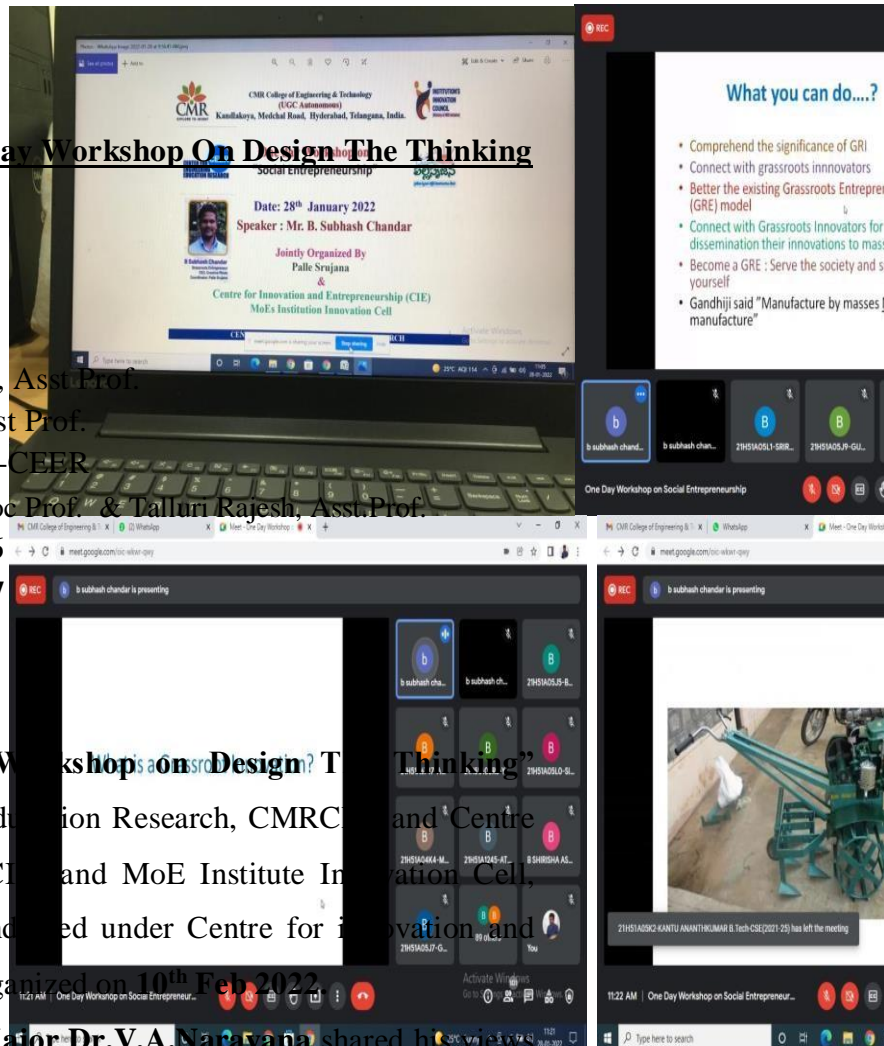

Number of Faculty attended 17

Event Report:

The event titled- “One day Workshop on Design The Thinking” was conducted by Centre for Engineering Education Research, CMRCET and Centre for innovation and Entrepreneurship (CIE) and MoE Institute Innovation Cell, government of India. This event is conducted under Centre for innovation and Entrepreneurship (CIE). This event is organized on 10th Feb 2022.

In **welcome** speech, **Principal Major Dr. V.A. Narayana** shared his views with the faculty and Student Participants that this Workshop helps in solving the Social and personal problems with the help of Design the thinking workshop. Adding to that he also said that this workshop is conducted to all the teaching staff of CMRCET in the year 2018 for their personal development and to change their perceptive of thinking.

In the **inaugural** speech **Dr. Kotishwar HOD-CEER**, shared his views on Design the thinking that Mr. Talluri Rajesh & Mr. B. Suresh Ram are who trained by William oaks Purdue University by taking the 6 months course on Design Thinking.

Mr. B. Suresh Ram & Talluri Rajesh explained the Process of design the thinking – Empathy, Define, Divergence, Convergence, Communicate. Importance of Observation, 5 why concept, Formulation of Need Statement and conversion of Need statement to Problem Statement. With the help of Real life case studies.

The students need to develop the Empathy based the person for the right design and then communicate with the person who faces the problem and define the issue with the sequence of steps.

The observation plays a major role to find the root cause of the problem for identifying the solution and we get diversified solution based on the observation and make the converge that means connecting the dots and giving the optimal solution.

The students are taken to the Project display and told them that how the seniors did their project and based on the design thinking concept.

This One day Workshop on Design The Thinking in Educational Institutions was really an informative to the faculty and students. In this event, various aspects like Design thinking skills, helps students to solve their personal and professional problems.

At the end vote of thanks by **Mr.K.Raju, Asst. Prof**

28. CAN DO WORKSHOP

Event Title: Can Do Workshop

Dates: 4thMarch2022

EventCoordinator:

Organized by: CMRCET

Inaugural Session:Major Dr V. A. Narayana (Principal), Dr.Kotishwar (HOD-CEER)

Resource Persons: Mr Srinivas the lead Ullas Trust, Srinu co-ordinator

Number of Students attended: 200

Number of teachers attended: 15 members

Number of Faculty attended: 20 members

Event Banner:

The poster is a white rectangular invitation with a black border. At the top left is the CMR logo. The text is centered and reads: 'CMR College of Engineering & Technology (AUTONOMOUS) Kandlakoya (V), Medchal Road, Hyderabad -501401.' Below this, it says 'Cordially invite you to Workshop on Personality Development Program for School Students' in red. The date and time are '04th March 2022 10:00 AM - 12:00 PM'. Logos for CEER and UllasTrust are on either side. The venue is 'BLOCK II - AUDITORIUM CMR COLLEGE OF ENGINEERING & TECHNOLOGY'. It is 'Jointly Organized by CENTRE FOR ENGINEERING EDUCATION RESEARCH (CEER) & ULLAS TRUST'. There are two floral arrangements at the bottom corners.

Event Report:

The event titled- “ **Can Do Workshop and Personality Development Program for 12 ZPHS Schools Students**” was jointly organized by Centre for Engineering Education Research(CEER), CMRCET in association with Ullas Trust on 4th March 2022 under NSS.

The inauguration was done by the Principal CMRCET and Ullas Trust technical lead Mr. Srinivas. The event was attended by 12 ZPHS school students of Class IX who excelled in their academics. The 12 schools are from Hasmathpet, Girmapur, Srirangavaram, Muneerabad, Pudur, Rajabollaram, Ravalkole, Nuthankal, Bachupally, Goudavelly, Medchal.

The college management has provided the transportation facility to all the schools to pick and drop from school to the college. One faculty to each school were sent to coordinate and escort them to the college. Under NSS coordinator the NSS students teams participated as a volunteers to organise the event. The event started with lighting of lamp with the eminent dignitaries, School teachers and students. The invocation song was sung by the students while lighting the lamp. Later , NSS coordinator Dr Nagaraju Naik , Dean FSA Dr. Fathima Mary,

CEER HOD Dr. Kotiswar addressed the gathering and inspired the students with their motivational words. Principal major Dr. V.A Narayana was presented as a Role model and he has given his experience of entering in to the teaching field after serving the nation as an Army. He gave his life experiences and said not to give up and try to find the good in everything. He inspired and made the students enthusiastic with his speech. Ullas trust coordinator has presented the Motivational “CAN DO” Audio Visual to the students. The students were provided with the abundant knowledge on growing competition and how the skills can be developed to grow. Lastly, the topper students of the class from each school were given the reward certificates for their outstanding performance in academics. Some students and teachers of ZPHS shared their experience of attending the workshop.

The CMRCET management facilitated the spoke person of Ullas Trust Mr.Srinivas with a memento and appreciated the work they have carried out. The management of CMRCET also provided the refreshments to all students and teachers of the schools.

కృషి, పట్టుదలతో లక్ష్యం చేరుకోవచ్చు

కార్యక్రమాన్ని ప్రారంభిస్తున్న ప్రిన్సిపాల్ వీపీ నారాయణ, అధ్యాపకులు

మేడ్చల్ రూరల్, మార్చి 4 : కృషి, పట్టుదలతో ఎంచుకున్న లక్ష్యాన్ని సులభంగా చేరుకోవచ్చని సీఎంఆర్ కళాశాల కార్యదర్శి చామకూర గోపాల్ రెడ్డి అన్నారు. గుండ్రపోచంపల్లి మున్సిపాలిటీ కండ్లకోయలోని సీఎంఆర్ సెట్లో శుక్రవారం ఉల్లాస్ బ్రస్టు, సీఈఈర్, ఎన్ఎస్ఎస్

యూనిట్ ఆధ్వర్యంలో కళాశాలలో జడ్పీ ఉన్నత పాఠశాలలో 9వ తరగతి చదువుతున్న విద్యార్థులకు 'కెన్ డూ' అంశంపై వర్క్ షాప్ నిర్వహించారు. ఈ సందర్భంగా గోపాల్ రెడ్డి మాట్లాడుతూ విద్యార్థి స్థాయి నుంచి కష్టపడే తత్వం అలవర్చుకోవాలన్నారు. అనంతరం చదువులో ప్రతిభ చూపిన విద్యార్థులకు నగదు బహుమతి, ప్రశంసాపత్రాలను అందజేశారు. దాదాపు 200 మంది జడ్పీహెచ్ఎస్ విద్యార్థులు పాల్గొన్నారు. కార్యక్రమంలో ప్రిన్సిపాల్ వీపీ నారాయణ, డీన్ ఫాతిమా మేరీ, సీఈఈఆర్ హెచ్ఎంజీ కోటేశ్వర్, ఎన్ఎస్ఎస్ ప్రోగ్రాం అధికారి నాగరాజు నాయక్, ఉల్లాస్ బ్రస్టు కో ఆర్డినేటర్ శ్రీకాంత్, వెంకటేశ్వర్లు, కార్తిక్, నిలీమ, అర్చన, వెంకటేశ్వర్ రెడ్డి, రాజేశ్, శ్రీనివాస్, సతీష్, ఎన్ఎస్ఎస్ విద్యార్థులు పాల్గొన్నారు.

విద్యార్థులు యూ 'కెన్ డూ'

మేడ్చల్ రూరల్: గుండ్రపోచంపల్లి మున్సిపాలిటీ పరిధి కండ్లకోయలో సీఎంఆర్ సెట్ కళాశాలలో ప్రభుత్వ ఉన్నత పాఠశాల విద్యార్థులకు 'కెన్ డూ' పేరిట వర్క్ షాప్ నిర్వహించారు. కళాశాల ఎన్ఎస్ఎస్ యూనిట్, ఉల్లాస్ బ్రస్టు ఆధ్వర్యంలో నిర్వహించిన వర్క్ షాప్ లో 12 పాఠశాలలకు చెందిన 9వ తరగతి విద్యార్థులు పాల్గొన్నారు. వర్క్ షాప్ లో ప్రతిభ కనబర్చిన విద్యార్థుల (ప్రతి పాఠశాల నుంచి 5 మంది చొప్పున)ను ఎంపిక చేసి వారికి ఆర్థిక సాయం, ప్రశంసాపత్రం అందజేశారు. విద్యార్థులలో దాగి ఉన్న నైపుణ్యాలు, ప్రతిభను వెలికితీసేందుకే వర్క్ షాప్ నిర్వహించినట్లు కళాశాల కార్యదర్శి గోపాల్ రెడ్డి, ప్రిన్సిపల్ నారాయణ తెలిపారు. ఈ కార్యక్రమంలో కోటేశ్వర్, నాగరాజు, శ్రీకాంత్, వెంకటేశ్వర్లు, కార్తిక్, నిలీమ పాల్గొన్నారు.

Event Outcome:

- The main outcome of this event is to motivate the students and guide the students towards improving the skills for the betterment of the society.

29. "BRAIN RAIN-2K22"

A project Exhibition Competition for School Students on 26th March 2022

BRAIN RAIN-2K22(A *Project Exhibition Competition for School Students*) at CMR College of Engineering & Technology, Kandlakoya, Medchal on **26th March 2022**. This is a best platform for the students to show case their talent and interact with other school students, teachers, faculty of Engineering college and other experts of academics.

This Project competition motivates students and drives them to put forth their best effort. It sparks interest, passion and ignites a fire within. Participants are encouraged to improve themselves and learn a new technique. Winning is just an added bonus. It keeps students aligned with the purpose and process while practicing good sportsmanship.

Participated Schools:

Total 88 number of projects were received from below mentioned schools where 295 students were attended and presented 88 different projects. 30 teachers were accompanied the students.

- | | |
|--------------------------------|---|
| 1. Model Mission High School | 2. Little Champs High School, Qutbullapur |
| 3. TVR Model High school | 4. Satyavani Vidyaniketan |
| 5. CMR High School, Bowenpally | 6. CMR International School |
| 7. Matrusri DAV Public School | 8. St. Martins High School |
| 9. ZPHS, Gowdavalli | 10. Sanghamitra School |
| 11. St. Anthony's High School | 12. CMR International School, Suraram |
| 13. ZPHS, Bachupally | 14. ZPHS, Medchal |
| 15. ZPHS, Hasmathpet | 16. ZPHS, Uppal |

Jury Members and evaluation process:

Evaluation was done in two rounds in which 8 best projects were short listed in first round and best 3 teams were short listed in second round.

- K.BAPAYYA, ECE Dept, MGIT
- N.NOEL, PHYSICS Dept, MLRIT
- B.KEERTHI, ATAL Incharge, CMR International School, Suraram
- B.SUBHASH, Grossroots Entrepreneur, PalleSrujana.

Winning Teams:

Among 16 schools, we received 88 projects from that 3 projects were selected as best projects.

- ❖ **CMR International School, Suraram**-----1st Prize-₹5000
- ❖ **ZPHS, Hasmathpet**-----2nd Prize-₹3000
- ❖ **TVR Model School, Jeedimetla**-----3rd Prize-₹2000

నైపుణ్యాల అభివృద్ధితోనే ఉత్తమ భవిష్యత్ సాధ్యమని తెలంగాణ విశ్వవిద్యాలయం చైస్ ఛాన్సలర్ ప్రొఫెసర్ రవీందర్ పేర్కొన్నారు. గుండ్ల పోచంపల్లి మున్సిపాలిటీ పరిధిలోని కండ్లకోయలో ఉన్న సీఎంఆర్ సెట్లో శనివారం అజురా-2కే22 పేరుతో జాతీయ స్థాయి విద్యార్థి సింపోజియం నిర్వహించారు. ఈ కార్యక్రమానికి ముఖ్య అతిథిగా వీసీ రవీందర్ మాట్లాడుతూ, ప్రతి విద్యార్థిలో నైపుణ్యాలు దాగి ఉంటాయన్నారు.

- మేడల్ రూరల్, మార్చి 28

సీఎంఆర్లో బ్రెయిన్-రెయిన్పై ప్రాజెక్ట్ ఎక్స్‌పో

ప్రదర్శనలను తిలకిస్తున్న వీసీ రవీందర్

మేడ్చల్‌రూరల్: కంప్లెక్సులోని సీఎంఆర్ సెట్ కళాశాలలో బ్రెయిన్-రెయిన్ 28 22 పేరిట ప్రభుత్వ పాఠశాల విద్యార్థులకు ప్రాజెక్ట్ ఎక్స్‌పో నిర్వహించారు. కార్యక్రమాన్ని తెలంగాణ

యూనివర్సిటీ వీసీ రవీందర్ గుప్తా, డీఎస్‌ఓ శ్రీనివాస్‌రెడ్డి, సీఎంఆర్ గ్రూప్ కార్యదర్శి గోపాల్‌రెడ్డి ప్రారంభించారు. ప్రభుత్వ పాఠశాలలకు చెందిన 124 జట్లు పాల్గొనగా వారిలో 88 జట్లను ఎంపిక చేశారు. ఉత్తమ ప్రతిభ కనబర్చిన 18 జట్లకు తెలంగాణ యూనివర్సిటీ వీసీ రవీందర్ గుప్తా బహుమతులు ప్రదానం చేశారు. ఈ సందర్భంగా ఆయన మాట్లాడుతూ విద్యార్థుల్లో దాగి ఉన్న సృజనాత్మకతను వెలికితీసేందుకు ఇలాంటి కార్యక్రమాలు దోహదపడతాయన్నారు. సీఎంఆర్ గ్రూప్ సీఈఓ అభినవ్‌రెడ్డి, అనురాగ్‌రెడ్డి, హెచ్ ఓడీ కోటేశ్వర్, సురేశ్‌రామ్, కన్వీనర్ వెంకటేశ్వర్లు, అధ్యాపకులు, విద్యార్థులు పాల్గొన్నారు.

30.Faculty participation in Prayog Vasant 2022 Exhibition of Engineering Exploration

KLE Technological
University

Creating Value

Leveraging Knowledge

“Engineering Exploration” course is a unique innovation born in the educational echo system of KLE Tech,. This first year course is co-designed and team-taught by faculty from multiple engineering disciplines. It focuses on problem solving, engineering design, multidisciplinary

skills, ethics and sustainability. It follows PBL pedagogy and students work in teams to solve identified problems. Prayog vasant 2022 exhibition serves as a platform for peer learning and celebration of student success.

KLE Technological University, Hubballi organized Prayog Vasant 2022, an exhibition of Engineering Exploration course projects done by first-year B.E students. Showcasing the efforts put in by 540+ students in designing 130 projects and their corresponding learning. The event was inaugurated by Dr. Ashok Shettar – Vice-Chancellor, KLETech. Dr. Vijayalakshmi. M, Director Centre for Engineering Education Research, KLE Tech, Deans and HoD's KLE Tech, Guests invited from various institutions/industries graced the event.

The event was scheduled for 06th April 2022 between 9.30 AM and 1.00 PM. The inaugural event was held between 9.30 AM and 10.00 AM, which was conducted at the C-lite library space. The exhibition included 130 projects done by more than 540+ students on 23 different problem statements.

Prayog Vasant is a platform for the students to share their experiences with the world. Prayog Vasant also serves the purpose of peer learning for the students. The exhibition provided an opportunity for the visitors to comprehend the projects and interact with the students' teams. A total of 15,00+ visitors from different locations visited the exhibition. The representations included from Belagavi, Bangalore, Mysore, Hyderabad, and Kottayam.

Recommendations:

It is observed that **Acrylic Sheets, Foam sheets** in respective models are provided by KLE Tech. It has come to know that the required hardware electronic components for the project are owned by individual teams.

It is noticed that AutoCAD inventor tool is used in few projects.

It is monitored that a Single Need statement is exposed in different ways as shown in figures.

- (i) According to the curriculum of KLE Technological University, CEER will undertake the projects for the Students only during the first year.
- (ii) The Working Functionality of the respective projects is being played continuously from starting (Initial Stage) to till completion (Final Stage) of the project using the devices like TAB, Laptop etc.,

With all gratitude towards CEER, PRINCIPAL MAJOR Dr.V.A NARAYANA GARU and the management of CMRCET for such continuous motivation and this opportunity to visit such wonderful Project Exhibition, we submit this detailed report.

31.Student Participation in Techno Project-Model Competition In Bhopal

Eight teams have registered for the “Techno-Project Expo” which is going to commence on 23rd of March-2022 at Bhopal (Online mode). The details of faculty and students registered for expo are furnished below.

S.No	Name of the faculty	Student Name	Roll No.
1	Mr.R.Venkateswara Reddy		20H51A05J4
2	Mr.T.Rajesh	Vaishyli	20H51A1230

3	Mr.G.Karthik Reddy	Pavan Kumar	20H51A1204
4	Mr.K.Sathish	G.Shrujanashaina	20H51A0439
5	Mr.P.Mahesh Babu	S.Shrutika	20H51A6267
6	Ms.B.Archana	Sahil kumar	20H51A64F6
7	Mrs.Ch.Neelima	T.Ajitha	20H51A6648
8	Mr.V.Srinivas	N.Sreekar	20H51A0540

Participant Certificates

ORIENTAL INSTITUTE OF SCIENCE & TECHNOLOGY, BHOPAL

32.Faculty Development Program on “Social Innovation”

Banner:

CMR COLLEGE OF ENGINEERING & TECHNOLOGY
(UGC Autonomous)
Accredited by NAAC with 'A+' Grade

One Week
FACULTY DEVELOPMENT PROGRAMME
On
SOCIAL INNOVATION
02/05/2022 To 07/05/2022
Organized By
CENTRE FOR ENGINEERING EDUCATION RESEARCH

Schedule:

C M R COLLEGE OF ENGINEERING & TECHNOLOGY
(UGC AUTONOMOUS)
Kandlakoya (V) , Medchal Road, Hyderabad, Telangana - 501 401
CENTER FOR ENGINEERING EDUCATION RESEARCH (CEER)
A One Week Faculty Development Programme on "Introduction to Social Innovation"
02 May 2022 - 07 May 2022
Schedule of the Faculty Development Programme

Day	Session	Description	Resource Persons
Day-1 (02/05/2022)	9:30am - 10:30am	Innagartion, Address by Principal & HOD	Ms. B. Archana
	10:30am-11:30am	Introduction to Center for Engineering Education Research (CEER)	Mr. R.Venkateshwara Reddy
	11:30am - 12:30pm	Design Thinking Lunch Break	Mr.B.Suresh Ram
Day-2 (03/05/2022)	01:30pm-3:45pm	Activity-Design Thinking	All CEER Faculty
	9:30am-11:00am	Community Study	Mr. B.Venkateshwar Rao
	11:00am-12:30pm	Lunch Break	Mrs. Shilparani HR
Day-3 (04/05/2022)	01:30pm-3:45pm	Activity-Community Study	Mr. B.Venkateshwar Rao Mrs. Shilparani HR
	9:30am-11:00am	Social Innovation across Four Sectors	Ms. K. Ramani Mrs. B.Shirisha
	11:00am-12:30pm	Lunch Break	
Day-4 (05/05/2022)	01:30pm-3:45pm	Activity-Social Innovation across Four Sectors	Ms. K. Ramani Mrs. B.Shirisha
	9:30am - 10:30am	Engineering Ethics	Mr.K.Raju Ms. Md Asma
	10:30am-11:30am		
	11:30am - 12:30pm	Lunch Break	
01:30pm-3:45pm	Activity-Engineering Ethics	Mr.K.Raju Ms. Md Asma	

Day-5 (06/05/2022)	9:30am-11:00am	Intellectual Property Rights (IPR)	Mr. B.Venkateshwar Rao Ms. Md Asma
	11:00am-12:30pm		Mr. B.Venkateshwar Rao Ms. Md Asma
	Lunch Break		
Day-6 (07/05/2022)	01:30pm-3:45pm	Activity-Intellectual Property Rights (IPR)	Mr. B.Venkateshwar Rao Ms. Md Asma
	9:30am-11:00am		Mr. B.Venkateshwar Rao Ms. Md Asma
	11:00am-12:30pm	Project Room Visit	All CEER Faculty
	Lunch Break		
	01:30pm-3:45pm	Key Takeaways, Feedback, Vote of Thanks	All CEER Faculty

Photos:

Certificates Distribution:

Outcomes of the FDP:

The participants are able to

- Illustrate the factors affecting social innovation
- Illustrate the impact of social innovation in various sectors
- Adopt the ethical values in doing innovation, which leads to betterment of society
- Summing up of several social issues to be addressed
- Analyze the feasibility and economical factors.

33. Prototype/Process Design and Development -Prototyping

Dates: 4th May 2022

Event Coordinator: Mr. Srinivas Vaddi, Asst Prof.

Organized by: Mr. Kayyam Sathish, Asst Prof.

Inaugural Session: Dr.Kotishwar, HOD-CEER

Resource Persons: Mr. B Suresh Ram, Assoc Prof. Mr.K.Raju Assistant Prof.,&
Mrs.B.Shirisha

Number of Students attended **69**

Number of Faculty attended **17**

Event Report:

One Day Workshop on “**Prototype/Process Design and Development -Prototyping**” was successfully conducted in the CMR college of Engineering and Technology, on 4th May 2022 by **CENTER FOR ENGINEERING EDUCATION RESEARCH**. The programme received an overwhelming response from the Students.

The program was inaugurated in the Afternoon at 118 Room on 4th May 2022 by hands of Principal Major Dr.V.A.Narayana (CMRCET),Dr.A.Kotishwar HOD-CEER. In welcome speech, Hon.Principal Major Dr.V.A.Narayana shared his views with the Student Participants that if Students want to develop themselves, then attending such workshop would enhance their skills practically. He further shared that it helps to improve the performance of Students in **Prototype/Process Design** and highlighted the importance and objectives of organizing **Development -Prototyping**. He briefed the participants about the subject chosen for Workshop and highlighted the reasons and importance of the same.

In the inaugural speech Hon.Dr.A.Kotishwar HOD-CEER, shared his views on Workshop he further added that this programme will provide special benefits to Students

Sri B.Suresh Ram starts his discussion with very basic idea of concepts on Prototype/Process Design and Development -Prototyping. He shared the process of social innovation which includes six stages: Prompts, proposals, prototype, sustainability, scaling, systematic change. Six stages move from idea generation to the creation of impact. Social innovation is not always sequential because some innovations jump straight into practice. Prompts highlight the need for innovation. This stage involves diagnosing the problem not just its symptoms will be tackled but going beyond symptoms to identifying the causes of a particular problem. Proposals with decision matrix: everybody has their own opinion, sustainability, scaling, quantity, production. NGOs are the people ready for social development. Systematic change according to the time we need to update what impact it has on the society system wise, society wise. What are the benefits people are getting. Giving examples it helped to make the subject fully understood and created interest among the Students.

The following feedback was received from participants:

The participants were of the opinion that this Workshop brought awareness on **Prototype/Process Design and Development -Prototyping.**

At the end vote of thanks by Mr.K.Raju Asst.Prof

34. National Technology Day 2022

Date: 11th May 2022

Event Coordinator: Mr. Srinivas Vaddi, Asst Prof.

Organized by: Mr. Kayyam Sathish, Asst Prof.

Inaugural Session: Dr.Kotishwar, HOD-CEER

Resource Person: Major Dr.V.A Narayana , Principal CMRCET, Hyderabad

Number of Students attended: 58

Number of Faculty attended: 17

Event Report:

One Day Workshop on “National Technology Day” was successfully conducted in the CMR college of Engineering and Technology, on 11th May 2022 by **CENTER FOR ENGINEERING EDUCATION RESEARCH**. The program received an overwhelming response from the Students.

The program was inaugurated in the Morning at 118 Room on 11th May 2022 by hands of Principal Major Dr.V.A.Narayana (CMRCET),Dr.A.Kotishwar HOD-CEER.

In the inaugural speech Hon.Dr.A.Kotishwar HOD-CEER, shared his views on Workshop he further added that this program will provide special benefits to Students.

The following Events are conducted on National Technology day.1. Need statement Presentations-which is an innovative need statements 2.Prototype Exhibition for the students of II B. Tech, scheduled on 11th May 2022. to exhibit their social innovation and awareness issues and the proposed solutions on a given Need statements.

Around 12 innovative ideas/prototypes were explained by 12 teams of interdisciplinary students.

Resource person started interaction by conveying the importance of Multidisciplinary Projects. The session was interactive and experiential learning approach is practiced by resource person through various activities. During the session, students shared their Opinions, Ideas, Thoughts, and Creativity.

In order to get the Need Statements, initially all these students were exposed to several communities. A practical approach will be applied to identify, analyze, available solutions and then to select a feasible solution which should be feasible.

35. One Week Faculty Development Program on Engineering Exploration & Practice

16th to 21st May 2022

CMR College of Engineering & Technology is sponsored by the MGR Educational Society, which was established in 2002. The Vision of the institution is to remain a premier academic institution striving continuously for excellence in technical education, research and render technological services to the nation.

We have started practicing the Project Based Learning (PBL) at our campus from A.Y 2018-2019. We are practicing Project Based Learning by introducing three courses namely Introduction to Social Innovation, Engineering Exploration & Practice, Social Innovation in Practice. These courses provide student centered learning environment. 900+ Projects/Prototypes/Models were implemented and some of them are deployed in various communities. The FDP is scheduled to train the faculty so that they may implement these courses at their institution. The FDP also planned to share knowledge, experiences, achievements, resources required, recognitions and challenges being faced during the execution over the past four years.

Total 18 faculty have attended the workshop out of which 14 faculty are from CMRCET and 4 faculty from CMR Engineering College. The FDP is very fruitful and useful for the participants.

Content Covered

- ✓ Introduction to Engineering Study
- ✓ Engineering Design
- ✓ Mechanisms
- ✓ Project Management & Sustainability
- ✓ Platform based development & Data Acquisition and Analysis

37. Installation Ceremony of “Rotary Club CMR College of Engineering & Technology”

Installation Ceremony of Rotary Club of CMR College of Engineering & Technology

was successfully organized in CMR college of Engineering and Technology, on 31st May 2022 by **CENTER FOR ENGINEERING EDUCATION RESEARCH**. The programme received an overwhelming response from the students.

The program was inaugurated in the morning at 159 Room training & placement seminar hall in the CMRGI central Auditorium on 31st May 2022 by hands of Chief Guest Sri PDG Suresh Chandrashekhar, Guest of Honor Sri Principal Major Dr.V.A. Narayana (CMRCET), installation Officer Rtn M.Harihara Prasad (DRCC,RI District 3150),Special Invitee Rtn Manoj Varanasi (District Rotaract Representative, Sri Padmaja – secretary, Sri, Rajesh – Treasurer, Sri Ramu - Director, Youth Services, Sri, Anuradha, Bhargav - Director, Literacy, Rotary club of Abhyuday Hyderabad, Sri G.Abhinav Reddy CEO CMRGI ,Dr.A. Kotishwar HOD-CEER Mrs. Dr. Prof. S.B. Fatima Mary.

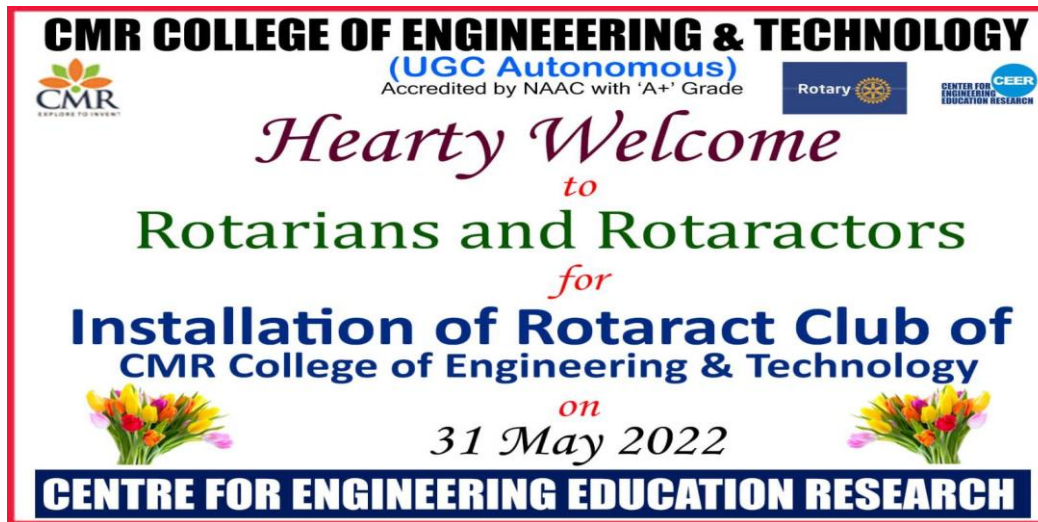

In welcome speech, Sri.Padmaja,started the programme with invocation song by student Harshith Srinivas 2nd year ECE.

In the inaugural speech Mr.Suraj working as a vice president for MNC, shared his views on Rotary club like anything we do we need to think act and apply he further added that this Rotary club will provide special benefits to Students.

The Hon.Principal Major Dr.V.A.Narayana shared his views with the Student elected as board of directors and members of rotary club that if Students want to develop themselves ,then involving in this Rotary club would enhance their skills practically and he also shared that it helps to improve the performance of their communication and public speaking skills and leadership skills..

Chief Guest Mr.Suresh Chandrashekhar gave his powerful and enlightened speech and many more which really inspired every one of us.

At the end vote of thanks by Mrs.Padmaja.

38.MOU Panchavati Rural Development Society

1. About CMR College of Engineering & Technology (CMRCET)

CMR College of Engineering & Technology (CMRCET) is sponsored by MGR Educational society, which was established in 2002. The college is located in 10 acres of serene environment which is lush green and free of pollution. All B. Tech programmes are accredited by NBA. A UGC Autonomous institute, it aims to be a premier academic institution striving continuously for excellence in technical education, research and technological service to the nation.

2. About Panchavati Rural Development Society

Panchavati Rural Development Society is a non-profit organization and is a registered Voluntary Organization under the Andhra Pradesh (Telangana areas) Public Societies Registration Act, 1350 Fasli (Act I of 1350.F) vide Registration No. 4586/94, dt.19-9-1994. The society is also Registered as a Charitable Institution U/S 12A & 80G of Income Tax Act 1961 vide F. No. Hqrs.II/12A/80G/89/94-95, dt.06-02-1996. The society's Permanent Account Number (PAN) : **AAA TP 4032 F.** Newly Registered u/s.12A **UNIQUE REGISTRATION No: AAATP4032FE20212, Dated 24-09-2021.80G UNIQUE REGISTRATION NO: AAATP4032FF20210, dated 24-09-2021.CSR Activities and the Registration Number is: CSR00017337 dt.08.11.2021 with Ministry of Corporate Affairs, Government of India- New Delhi.**

2.1 Objectives

The main objectives of the **Panchavati Rural Development Society** are as follows:

- To introduce early e-literacy learning to play school children's of rural communities.
- To train children's in the age-group of 6-14 years in computer typing , MS-Word, Paint, MS- Excel, Power Point, Internet knowledge.
- To train Youth and Adolescent girls in the age group of 14-18 years in MS Office package, DTP, accounts package and hardware training.
- Impart e-teachers training to 10+2 (Intermediate) / Graduates.
- To train Youth and Women in Communication Skills, Leadership development, Personality development, Spoken English and special courses like Fashion Designing, Web Designing, Multimedia courses etc. based on the need of the community assessment from time to time.
- To train & impart awareness session on importance of ICT & e-schemes to SHG women functionaries and community members in each village in Telangana State.

3. Objective of Memorandum of Understanding (MOU)

- To impart knowledge on programming, design, thinking & entrepreneurship to needy students.
- To create awareness among all the students and faculty in helping the needy.
- To motivate all the students towards Technology, sciences and research. .
- To work towards a policy change favouring society in all walks of life.

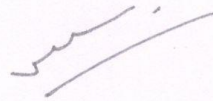

4. Institutional Commitment

Institution will carry out the activities, which are specific to **Panchavati Rural Development Society**, as per details given below:

- Workshop for the students and faculty-** These activity will be conducted once in a year in the form of a workshop/Seminar for the students and faculty.
- Participation in Panchavati Rural Development Society-** The faculty and students will participate in activities of Panchavati Rural Development Society (Such as summer camps/seminars/Workshops etc.) outside the CMRCET , at least once in a year.
- Institute may provide facilities to organize the events/activities of "Panchavati Rural Development Society" at CMRCET, to impart knowledge on programming, design, thinking & entrepreneurship to students as and when facilities are ready as per the terms and conditions laid out by the institute.

5. Commitment of Community Partner

- To conduct Workshop/Seminar for the students and faculty at least once in a year
- Panchavati Rural Development Society will provide training to the students.

MEMORANDUM OF UNDERSTANDING

The general objective of this Memorandum of Understanding (MOU) is to stimulate and facilitate the development of collaborative and mutually beneficial programs related to students and needy who serve to enhance the better life on both organizations. Thus, **Panchavati Rural Development Society** and CMR College of Engineering & Technology have agreed that in support of their mutual interests in the field of Free or Open Source Softwares(FOSS):

The MOU states that the two organizations will honor the agreement by Promoting interaction between **Panchavati Rural Development Society** and CMR College of Engineering & Technology in mutually beneficial areas of

- Sharing the knowledge and capability in the concern areas for mutual benefits and become trusted partners in the area of Education and betterment of Society.
- Facilitate work from CMR College of Engineering & Technology students/faculties and vice versa related to development and future enhancement of the poor people.
- To collaborate, share information and technology to develop the required skills needed for the society.
- To offer internship for students on the area of Innovation, Entrepreneurship and development.
- To support the institute in following activities
 - o Capability development of the students.
 - o Workshops, Conclave, seminars, Events.

The Memorandum signed will be the guiding document for both the parties for execution of the actions and initiatives in the near future. Both the organizations will encourage its members to define the overall strategy and roadmap to carry out the action points contained in it and report on the progress achieved at regular intervals.

This agreement will take effect from the date of its signing and shall be valid for a period of three years from that date unless sooner terminated, revoked or modified by mutual written agreement between Parties, and may be extended by mutual written agreement.

Either party may terminate the Agreement at any time during the term by the provision of three months written notice to the other party.

41.One Week Student Programm On "Basiscs Of Ardiuno"

One week student trianing programm On "Basiscs Of Ardiuno" during 27.06.2022 to 2.07.2022, for all 20 sections of B.Tech I year under Engineering Exploration practice course.

Event Title: Basics on Arduino programming

Dates: 27June2022 to 02 July 2022

Inaugural Session: Mr. B. Suresh Ram, HOD-CEER

Resource Persons: CEER Faculty

Number of Students attended

Number of Faculty attended

Event Report:

The event titled- “Basics on Arduino programming” conducted by Centre for Engineering Education Research, CMRCET and Centre for innovation and Entrepreneurship (CIE) and MoE Institute Innovation Cell, government of India. This event is conducted under Centre for innovation and Entrepreneurship(CIE).This event is organizedon **27 June2022**.

In **welcome** speech, **Principal Major Dr. V.A. Narayana** shared his views with the faculty and Students Participants that this Workshop aimed at imparting technical skills. This workshop will provide knowledge on basic arduino programming, electrical connections, function of electronic components and various sensors.

In the **inaugural** speech **Mr. B. Suresh Ram HOD-CEER**, shared his views on **Arduino programming**. He said that this workshop would be helpful to the Arduino based innovative projects and various sensors integrated with Arduino along with modules.

Mrs. Ch. Neelima & Ms. K. Ramani were explained about importance of arduino electrical connections, function of electronic components and various sensors and how to write a program for execution of experiments and how to download arduino software – integrated development environment. Some experiments are done by students also.

Following experiments are done during session by students:

- 1: Blinking an LED
- 2: LED glow when controller detects a button pressed using Arduino
- 3: Temperature Sensor
- 4: Interfacing Arduino with LCD
- 5: Interfacing Arduino Uno with Infrared Sensor
- 6: Interfacing Arduino Uno with Ultrasonic Sensor (Analog Sensor)

Arduino projects introduce students to basic electronics, computer hardware, sensors, motors, robots, and programming. Because Arduino projects interact with real world, this type of programming is called physical computing or interactive computing, and so is more fun to learn.

This One day Workshop on Integration of Sensors along with IOT Modules was really an informative to students they learnt the basics about computers, basic electronics, sensor and measurement technology and programming. We will also learnt how to combine software and hardware and how we can communicate with the outside world using computer programs and create simple prototypes.

At the end vote of thanks by **Ms. Amritha kumara Asst. Prof**

42. Project "Campus Mobility E-vehicle" shortlisted for MSME innovation scheme.

A project titled "campus mobility E-vehicle" was shortlisted for 14.81L funding under MSME innovation scheme implemented by Sahil Kumar, K.Harshith Srinivas, Rajnish under the guidance of B. Archana.

The certificate features logos at the top for the Ministry of Micro, Small and Medium Enterprises, Government of India; the Institution's Innovation Council (Ministry of Education Initiative); the UGC Autonomous logo; and the CMR College of Engineering & Technology logo. The central text reads: "CMR College of Engineering & Technology (UGC Autonomous) CONGRATULATIONS MSME IDEA HACKATHON 2022 MSME INNOVATION SCHEME SHAAR: CAMPUS MOBILITY E-VEHICLE SHORTLISTED FOR FUNDING FROM MSME". To the left is an icon of hands exchanging coins, and to the right is the text "FUNDING APPROVED Rs. 14.81 LAKHS *". Below this is a portrait of Archana Bathula, identified as the Faculty Mentor. At the bottom are three portraits of the project members: Sahil Kumar, K. Harshith Srinivas, and Rajnish Yadav. Logos for CEER (Center for Engineering Education Research) and CIE (Center for Innovation and Entrepreneurship) are at the bottom.
