**Minutes of Meeting:**

**ITEM I: Course Structure and syllabus of B.Tech(ECE)**

B. Lokeshwara Rao  
HOD, ECE Department  
CMR College of Engineering & Tech  
Hyd-020-001491.

- a) Dr. M. Madhavi Latha, suggested that 4 mathematics subjects in I, II and III semesters may be brought down to 3 by removing the portions, which are not essential.
- b) Dr. M. Lakshminarayana, suggested that English, Physics and Chemistry subjects be restricted to one semester only.
- c) Dr. M. B. Srinivas, suggested that lab and theory in respect of Computer Programming through C may be combined
- d) Prof. M. Sudhakar, suggested that lab and theory in respect of Data Structures may be combined
- e) Dr. K. Ramalinga Reddy, suggested that the Network Theory may be shifted to II semester
- f) Prof. B. Lokeswara Rao, suggested that courses like Electronic Circuit Analysis and Pulse & Digital Circuits may be combined into one course
- g) Dr. MBR Murthy, suggested that Antenna & Wave Propagation and Digital Signal Processing may be interchanged
- h) Prof. B. Lokeswara Rao, suggested that the courses like Digital Design through Verilog HDL and Data Communications may be kept as elective

**Resolution:** After thorough discussion, the above modifications were accepted and implemented. The members approved the course structure and syllabus of B.Tech (Electronics & Communication Engineering) which is enclosed.

**ITEM-II:** Course structure and detailed syllabus of M. Tech (Embedded Systems)

- (a) The chairman informed the members that the course structure and syllabus of JNTUH has been adopted without changes.

**Resolution:** The members approved the course structure and syllabus of M. Tech (Embedded Systems) which is enclosed.

The meeting concluded with the chairman thanking all members for sparing their valuable time and suggestions.
