## Canteen Committee

### Minutes of the meeting

The following points are discussed in the canteen committee meeting held on 25-01-2024.

**Ban of plastic materials:** Daily usage of plastic in college has been increasing tremendously and it became big challenge for us to make it bio degradable .So in order to make a solution a resolution has been passed that plastic usage should banned completely in college premises by students and staff

**Lunch with all items should be made available up to 2 PM:** The College is having two different timings for first years, second and third years as such it became a challenge as the lunch time normally scheduled in canteen hours is 12.00 Pm to 1.00 Pm but the same has to be extended till 2.00Pm taking into consideration the availability of food and the rush during the hours. But it is specific that canteen has to be cleared by 2.00 Pm and all the students should get back to their classes
