STANDARD OPERATING PROCEDURE NCC COMMITTEE

National Cadet Corps, the biggest youth organization is functioning under the Ministry of Defense, Govt. of India. It inculcates discipline and sense of unity and patriotism in youth and trains in defense preparedness. It also aims at the development of leadership, character and comradeship among the youth. The Central and State Governments are giving a number of incentives including weightage for education, job reservation etc. for NCC cadets.

Our college has a company of 100 Cadets under 7 (T) Girls BN NCC and is commanded by Lt, Devagiri Divya, Dept of H&S. The students who get enrolled can attain 'B' and 'C' certificates after a service of two and three years respectively. Cadets participate in activities organized by 7 (T) Girls BN NCC through various camps viz. CATC, Republic Day etc.,

Objectives:

- To develop the qualities of character, courage, comradeship, leadership, discipline, secular outlook, spirit of adventure and sportsmanship and the ideals of selfless service among the youth in order to make them useful citizens.
- To create a human resource of organized, trained and motivated youth to provide leadership in all walks of life, including the Armed Forces

AIMS OF NCC:

- To create characteristics of co-operation discipline, leadership, selflessness, adventure in the youth.
- To create a force of youth, which shall be useful for national services at any time.

GOALS OF NCC:

NCC teaches the young minds the importance of discipline in life. It develops the physique of the young girls. It also gives the mind, self-control and satisfaction of achievement. It teaches leadership as well as good follower qualities.

MOTTO OF NCC:

Unity and Discipline (Ekta aur Anushasan)

DGs four cardinal principals of Discipline:

1. Obey with a smile
2. Be Punctual
3. Work hard and without fuss
4. Make no excuses and tell no lies

Report writing on Awareness Program On “Graduation Day Parade” on 21-07-2023

On 20th July 2023, an Awareness Program on “Graduation Day” was organized at CMR College of Engineering and Technology to celebrate the academic achievements of graduating students and provide them with valuable guidance on the journey ahead. The event aimed to inspire graduates as they prepared to enter the professional world and offered insights on various career opportunities, self-development, and lifelong learning.

This event saw active participation from the National Cadet Corps (NCC) unit of the institution. The program aimed not only to celebrate the academic achievements of the graduating students but also to foster a sense of discipline, leadership, and national service, as encouraged by NCC values.

OUTCOMES:

Graduation day outcomes can encompass a wide range of experiences. Academically, students may graduate with honors or receive distinctions for their achievements. Career-wise, some graduates might have job offers lined up, while others might be planning to continue their education through advanced degrees or professional certifications. Personally, graduates often feel a strong sense of accomplishment, having completed an important chapter of their lives. This day also brings a mix of emotions, including excitement for the future, nostalgia for the past, and sometimes uncertainty about the next steps.

Report writing On “Independence Day Parade ” on 15-08-2023

Independence Day is observed on 15th August each year and holds immense significance in the hearts of every Indian. It stands as a beacon of national pride and unity for every citizen. It marks the historic day in 1947 when India gained freedom from British colonial rule. The celebrations on this auspicious occasion serve as a reminder of the sacrifices made by our freedom fighters and inspire a deep sense of patriotism among the populace.

NCC cadets of our college participated in the independence day celebrations held in our college. For these young patriots, Independence Day is a powerful catalyst for personal growth, leadership development, and a deepening sense of duty towards their country.

OUTCOMES:

Independence Day serves as a transformative influence on NCC cadets, molding them into responsible, disciplined, and patriotic individuals. It ignites a passion for serving the nation and instills values of leadership, unity, and social responsibility. As these young cadets imbibe the spirit of independence, they emerge as future leaders who will continue to uphold the principles and ideals for which our nation stands. Their dedication and commitment stand as a testament to the enduring legacy of Independence Day in shaping the character of India's youth.

Report writing on Awareness Program On “Blood Donation” on 21-09-2023

On 18th September 2023, an Awareness Program focused on the importance of blood donation was organized at CMR College of Engineering and Technology in collaboration with the National Cadet Corps (NCC). The program aimed to educate students and community members about the significance of blood donation, dispel myths associated with the process, and encourage active participation in this vital social cause. The event sought to promote a culture of giving and foster a sense of responsibility toward community health.

OUTCOMES:

The Blood Donation Camp organized by NCC cadets not only addressed the immediate need for blood but also inspired a culture of voluntary donation and community service. Their dedication and selflessness exemplify the spirit of service, reflecting positively on the organization and the community as a whole. The blood donation drive organized by NCC cadets exemplifies their dedication to humanitarian causes. By actively participating in such initiatives, they not only save lives but also inspire others to contribute to the well-being of society. The event stands as a testament to the selfless service of NCC cadets, showcasing their potential as responsible and compassionate citizens of the nation.

Report writing on Awareness Program On “Cancer Run” on 09-10-2023

On 8th October 2023, an Awareness Program titled “Cancer Run” was organized at CMR College of Engineering and Technology with the goal of raising awareness about cancer prevention, early detection, and support for cancer patients. The event aimed to bring together the community to advocate for healthier lifestyles, encourage regular screenings, and provide solidarity for those affected by cancer.

NCC cadets of our college participated in the run which emphasize to work together to transcend barriers of age, race, and gender, promoting inclusivity and understanding among themselves.

OUTCOMES:

The Cancer Run held on 8th October 2023 achieved notable success in raising awareness about cancer prevention and early detection. Through the active involvement of NCC cadets, the program promoted healthy lifestyle choices and emphasized the importance of regular screenings to reduce cancer risks. The event also fostered a strong sense of community, as participants, including cancer survivors, shared their experiences and spread knowledge about cancer symptoms and prevention methods. Additionally, the fundraising initiative provided financial support for cancer research and treatment, demonstrating the collective effort toward fighting the disease

Report writing on Awareness Program On “Chandrayaan 3” on 16-11-2023

On 16th November 2023, an Awareness Program on India’s historic Chandrayaan-3 mission was organized at CMR College of Engineering and Technology with the active participation of the National Cadet Corps (NCC). The event aimed to educate students and the local community about the significance of India's lunar exploration and to inspire young minds to pursue careers in science, technology, and space research. The involvement of the NCC cadets added a layer of discipline, leadership, and national pride to the program. Through this initiative, NCC cadets effectively utilized art as a medium to create awareness on Chandrayaan-3.

OUTCOMES:

Participation in a drawing competition on launching of Chandrayaan-3 empowers NCC cadets with creative expression and knowledge dissemination. Through visually impactful artwork, cadets raise awareness about science and technology, promoting responsible behavior among peers and the community. Researching uses of Chandrayaan-3 enhances their understanding, fostering a sense of civic responsibility. The competition nurtures artistic talents, encouraging innovative ways to communicate complex messages. Displaying the artwork in public spaces amplifies its reach, engaging a broader audience and encouraging discussions on science and technology.

Report writing On “Republic Day Parade” on 26-01-2024

Republic Day is observed on 26th January every year. This annual event is celebrated by each and every citizen of India. On the auspicious occasion of Republic Day, our nation commemorates the adoption of the Constitution, embodying the spirit of democracy and unity in diversity. Educational institutions host flag hoisting ceremonies, cultural programs, and debates, fostering a sense of national pride among the youth. Republic Day reaffirms our commitment to democratic values, underscoring the strength of our diverse nation bound together by the principles of justice, liberty, equality, and fraternity.

NCC cadets of our college actively participated in the grand parade showcasing India's cultural heritage, military prowess, and technological advancements, filling hearts with patriotic fervor.

OUTCOMES:

Republic Day participation enriches the lives of NCC cadets by instilling patriotism, developing leadership skills, enhancing physical fitness, building character, fostering civic responsibility, boosting confidence, providing a sense of achievement, promoting community engagement, and inspiring a commitment to national service. These outcomes contribute significantly to their overall personal and professional development.
