Minutes of Meeting (NSS Unit-I)

With reference to the circular No. CMRCET/PRIN/NSS/2019-20/CIR-01, dated: 22-07-2019 the meeting was conducted and the minutes of meeting as follows:

The chairman of NSS committee, Major. Dr. V. A. Narayana welcomed all the committee members, and invited suggestions for the final execution of the working plan.

Major. Dr. V. A. Narayana NSS committee chairman suggested that our NSS unit should contribute little bit towards better society. In that suggesting blood donation camp and it should be organized twice in a year for the emergency and needy people. Dr. M. Nagaraju Naik NSS program officer was advised to take up Swachh Bharat and clean & green in our campus frequently and conduct visits to orphanage/old age homes. Other members of the committee put forth various ideas regarding NSS day celebrations, cancer awareness and traffic awareness camps. A Special camp especially for NSS volunteers is suggested as they themselves require exposure on community services. After considerations of all the opinions put forth by the committee members the working plan was finalized for the academic year 2019-2020.

All the programs suggested by committee members are relevant to community and social services and as a part of NSS unit the following programs are finalized to organize under NSS unit, all the events are collectively decided for first and second semesters.

Resolution:

- All the ten programs should be conducted during the A. Y. 2019-2020.
- All NSS committee members have collectively taken decision to organize the following programs for first and second semesters.

The meeting was concluded with the vote of thanks and valuable suggestions.

Brief Report on Fit India Movement

Date: 29-08-2019

Report:

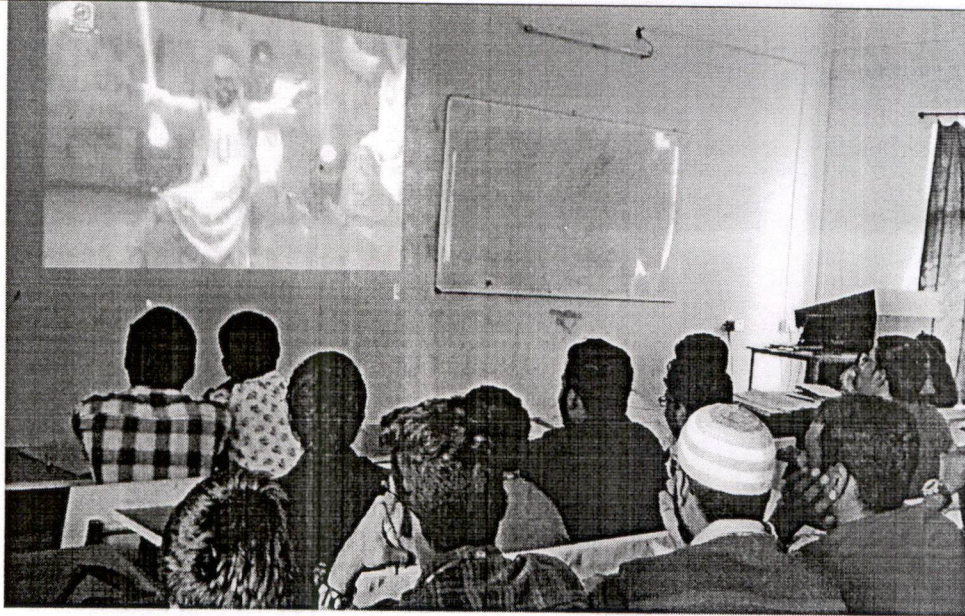

The NSS unit of CMR College of Engineering & Technology organized Fit India Movement (FIM) on the occasion of National Sports Day. Fit India Movement is a nation-wide movement in India to encourage people to remain healthy and fit by including physical activities and sports in their daily lives. It was launched by our Prime Minister Sri Narendra Modi on 29-08-2019. While launching the people's movement honourable prime minister said that the initiative was the need of the hour and it will take the country towards a healthier future. This movement is being launched on the birth anniversary of Major Dhyanchand, our hockey wizard. Prime Minister Narendra Modi paid tributes to Major Dhyanchand, India's sports icon, who enthralled the world with his game and techniques. Prime Minister said, "Technology has reduced our physical ability and has robbed us of our daily fitness routines, and today we are unaware of our traditional practices and lifestyle which could keep us fit. With time, fitness has been relegated a lower priority in our society. Earlier, a person used to walk or cycle for kilometers; today, mobile apps have to tell us how many steps we walked". Our principal, Major. Dr. V.A. Narayana addressed the students on this occasion and gave a few tips to students on fitness and lifestyle. He exclaimed that 'Fitness has always been an integral part of our culture. But there is indifference towards fitness issues now'. 'With technology, physical activity has reduced. We walk less now and the same technology tells us that we are not walking enough. 11 NSS volunteers and 76 students along with NSS program officer took part in the event and made it a grand success

Brief Report on Haritha Haram

Date: 31-08-2019

Report:

CMR College of Engineering & Technology organized the 'Haritha Haram' program on 31st August 2019 in and around the campus to spread awareness among the student and teaching community and to make a slight difference in the increasing temperatures that are contributing towards global warming. Trees also contribute to the environment by helping us in providing oxygen, conserving water, preserving soil erosion, and protecting wildlife. They also take in carbon-di-oxide and give us oxygen to breathe. They even provide us with a variety of fruits and flowers. Twenty four faculty members and nineteen students' participated in the event, and 56 saplings were planted. Shri Ch Gopal Reddy, secretary & correspondent, CMRCET, took the leading role by planted the first sapling. He exhibited a lot of enthusiasm in rendering his services towards greenery and encouraged all the students to gear-up with the event. Principal Major. Dr. V.A. Narayana delivered a speech about the environment and its importance. Our NSS program officer gave a tagline, 'Each one plant one and save one'. Also present on occasion were the senior faculty members and students. The event was a huge success as most of the students were seen outside their classrooms involving in making the campus green. All this was done to make a change, even if it was a drop in the ocean.

From :

The Blood Bank Medical Officer
Osmania General Hospital
Hyderabad.

Sir/Madam,

To :

The Principal
CMR College of Engineering & Technology

Kandlakoya.

Osmania General Hospital and Medical College, a temple of learning was constructed and Commissioned in the year 1889 to render Health Services to the population of Telangana, and in and around the states of A.P., Maharashtra, Karnataka etc., and to provide Medical Education, as an effort towards the excellence and to attain self-sufficiency in medical services. Every year OGH/OMC churns out 250 House Surgeon 1119 Post Graduate and 165 Super specialty doctors per year.

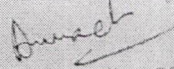

Osmania General Hospital is a 1400 hundred bedded hospital and every day 150 Elective and Surgical procedures are performed and every year approximately 97,000 emergencies are attended and per year 2,37,406 OP cases and 45,994 IP cases are the beneficiaries of this hospital health services.

The Blood Bank of Osmania General Hospital, Hyderabad is finding difficult to replenish the depleted stock of Blood in the Blood Bank inventory, due to the ever increasing demand for blood transfusion, as Osmania General Hospital is a major emergency and level one trauma care centre.

At this juncture, your esteemed organization is requested to conduct the exercise for the blood donation camps, as per the regulatory norms to supplement the blood reserve in the inventory of Blood Bank of Osmania General Hospital.

Thanking You,

Yours faithfully,

Dear Sir,

Sub: Request for voluntary blood donation camp.

Warm greetings from Thalassemia & Sickle Cell Society!!

Since 1998, the Society has been treating thalassemia affected and till now 2600 patients both affected by thalassemia and sickle cell obtain free service from our centre. Thalassemia is an inherited blood disorder. It reduces the amount of hemoglobin (red blood cells) the body can make, thus resulting in the inability of the red blood cells to carry a sufficient supply of oxygen to different parts of the body. This will cause anemia and if not treated, the heart and other organs in the body will slowly fail due to the lack of oxygen and may be fatal if not provided blood in time.

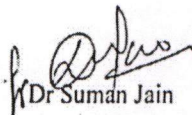

To provide constant supply of blood to thalassemics, the society took the lead to establish full fledged Blood Bank for storing, processing and testing whole blood and its components. More than 1200 units of blood are required every month to treat beta Thalassemia affected children. Every day there is a requirement of nearly 35-40 units of blood for these children.

We are facing acute shortage of blood for our kids. Hence we request you to kindly organize blood donation camp at your college and help save our kids.

We will be pleased to send our mobile team for collecting blood from your donors.

Thanking you

Brief Report on Blood Donation Camp

Date : 21-9-2019

Venue : EEE Seminar Hall, CMRCET

CMRCET NSS unit of CMRCET conducted a blood donation camp on 21st September 2019 in association with Osmania General Hospital blood bank and Thalassemia & Sickle Cell Society, Vuppala Venkaiah Memorial Blood Bank, Hyderabad. We have to create public awareness in blood donation, by bring-up many clubs, colleges, societies, offices which continuous organize blood donation camps on different occasions. It is a healthy gesture. We must keep this aptitude up at any cost. Our volunteer identifies the requirement of blood at government hospitals and other areas. By organizing such blood donation camps we may help them to enrich their capacity. We have donated 108 units of blood to Osmania General Hospital and 95 units of blood to Thalassemia & Sickle Cell Society, Vuppala Venkaiah Memorial Blood Bank. There was a good response from the faculty and the students as well. 57 teaching & non-teaching members, 241 students as well took part in the event. Sri Ch. Gopal Reddy, secretary and correspondent, CMRCET, who were keen about inculcating the feeling of humanity and kindness in the hearts of the present youth started this event and made it a grand success. Our principal Major. Dr. V.A. Narayana spoke about importance of blood. This program was organized by 59 NSS volunteers under NSS program officer Dr. M. Nagaraju Naik.

Brief Report on Vivek Band “Be Good Do Good”

Date : 23-01-2020

Venue: Ramakrishna Mutt, Hyderabad

CMR College of Engineering & Technology organized a wonderful program Vivek Band ‘Be Good Do Good’ to bring awareness on the activities that inculcate good habits and what are the steps to be undertaken by the students to be made known to the student community. With the aim to spread the message of ‘BE GOOD - DO GOOD’ on the occasion of the 155th birth anniversary of Swami Vivekananda, a mega youth campaign VIVEK BAND-2020 has been organized by Samskrithi Foundation, an organization which is working towards promoting social volunteering among youth. The Vivek Band Campaign aims to reach more than 6 lakh youth and students and let the message serve as a reminder of the immense potential and opportunities that the youth have, to transform their lives and to pledge to build a strong, healthy society. The campaign entails: 1. Wearing Vivek Band with the message ‘BE GOOD – DO GOOD’ on 12th January 2. Involving in a service-oriented i.e. DO GOOD activity between 12th-26th January 3. Organizing an inspirational talk to spread the spirit of service and nationalism 4. Sharing BE GOOD DO GOOD experience on social media with the hashtag #VivekBand and other platforms to inspire others.

Brief Report on One-Week Special Camp

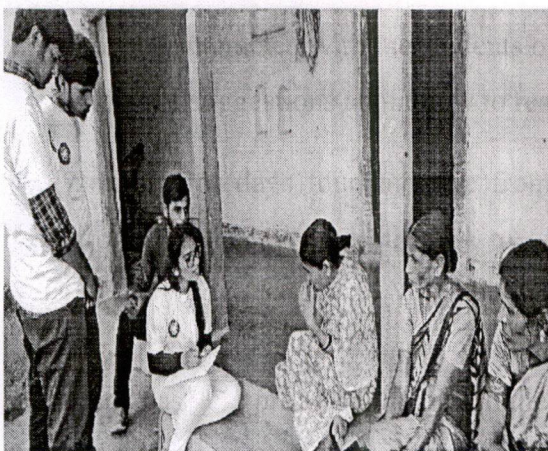

Date : 28-02-2020 to 04-03-2020

Venue : Kothapet Village, Shivampet (M), Medak (Dist), Telangana

A special camp was conducted during which we executed various programs from 28-02-2020 to 04-03-2020 at Kothapet village, Shivampet Mandal, Medak Dist., Telangana. On the first day we conducted a village survey and collected family details regarding the bread winners, number of children and the particulars of their education and also filled the data in Unnat Bharat Abhayan survey form. On the second day our volunteers organized free medical camp where the medical team examined BP, Sugar and pulse rate with an ECG machine. On day three we visited the govt. school and interacted with the students of classes 1st to 5th.. All the volunteers participated actively and gave suggestions about how to reach their goals.

On the mornings of days four and five from 8:00 AM to 12 PM, Swachh Bharat event was conducted and in the evenings from 4 to 6 pm, we organized Tree Plantation camp in the presence of the village Sarpanch, Mrs. Shanvi, Vice MPP Sri. Ramakanth Reddy, ward members and village representatives in the school premises. On day six we created awareness on digital payments and cashless process through mobile phones.

All the villagers who participated in the camp felt happy and we thanked the Kothapet villagers who extended their co-operation for one week during the special camp.
