Brief Report on “Covid-19 (Good Health with Good Life)”

Venue: Medcahl Basti & Rajbollaram village

Date: 27-05-2020

The NSS/NCC units of CMR College of Engineering & Technology have initiated to fight against the Covid-19 pandemic situation. The NSS program officer and the head of the institution have envisaged and assigned a task to the NSS/NCC volunteers to succor to the needs that included the distribution of medicines, food, and essential commodities to the poor people. In this regard, our volunteers collected more than Thirty Lakh rupees from the teaching, non-teaching faculty, staff, and students. Sri Ch. Gopal Reddy, Secretary & Correspondent of CMR Group of Institutions handed over a check of Twenty five lakh rupees for this noble cause to Mr. K.T. Rama Rao, Municipal Minister, Government of Telangana, and the remaining five lakh rupees was spent on food and medicine to the needy. Major. Dr. V.A. Narayana, Principal of CMRCET distributed medicines at Medchal Basti while the College Management along with the Professors, Heads of the Departments, NSS/NCC Program officer, and volunteers distributed food and other commodities. Sri CH Gopal Reddy delivered a speech urging everybody to change their lifestyle by wearing masks and sanitizing hands to maintain good health. He appreciated all the participants and offered special thanks to the program officers for organizing it. Major. Dr. V. A. Narayana, in his speech, appreciated the program officers and all our NSS/NCC volunteers who helped directly and indirectly by volunteering their support during the pandemic. Brief Report on “National Doctor's Day”

Date : 01-07-2021

Venue : Virtual Mode

"God and the doctor we alike adore

But only when in danger, not before

The danger over, both are alike requited

God is forgotten and the doctor is slighted"

CMRCET celebrated “National Doctor’s Day” on 01-07-2021 through virtual mode, it was nothing less than an eye opening session which is a way of recognizing the service of physicians to our lives and ultimately to the nation. It was conducted by the NSS unit in association with the health club, student counselling centre and the fitness club. Our guests of honour for the day were Ajay Mishra, a retired IAS officer and Dr Ashish Chauhan. Neither of them has left any stone unturned in their respective fields and is pure examples of passion and dedication. In this program were participated more than 500 students including NSS/NCC volunteers and organized by NSS program officer Dr. M. Nagaraju Naik, Dr. Rohini Reddy

Welcome note by Dr. M. Nagaraju Naik and delivered a speech about importance of doctors in our life by Dr. Fatima Mary, Dean (Student Affairs). With the covid-19 pandemic hovering over us for nearly 2 years now and doctors being our only ray of hope it was necessary to thank them. Meanwhile we got to know their difficulties and how different were their lives from ours. We started by briefing how the day is celebrated in various countries on different dates while in India it is on 1st July to honour the birth and death anniversary of a great physician and second chief minister of West Bengal, Dr Bidhan Chandra Roy then by hearing from our dignitaries and then proceeded to Mr Ajay Mishra. Apart from being at the IAS of the Andhra Pradesh Cadre. He later served as Vijayawada’s Municipal Commissioner, Warangal’s District Collector, a Transport Commissioner, Secretary of Drinking Water Supply Dept. and Revenue and Energy Dept., and worked in the United Nations Mission in Kosovo (Europe) and is currently writing poems in Hindi on current affairs. His remarkable achievements only proved age is never a factor. Alongside he had prepared a short heart touching poem for the occasion as a piece of appreciation for our frontline warriors. Each line made us even more proud to have them and how wrong were we to protest against them and blame for not doing well.

Upon saying this, next we had the diabetologist and immunization expert of Apollo Hospitals Dr Ashish Chauhan with 20 years of experience. He is an inspiring socialite, a hidden musician, a national level political analyst. His achievements over the years have been remarkable and inspiring to many of us. The outcome of the meeting led to a change of viewing the covid-19 lockdown and how well it can be utilized rather than checking the increase in number of cases every minute and being anxious. He says, the only way to recover from covid 19 is by not panicking and believing in the course of medication being prescribed. The day ended with a quick Q/A session and hearts full of gratitude.

Here are a few moments from the beautiful day

Report on Haritha Haram

Date : 10-07-2021
Venue : Auditorium premises

Haritha Haram is a mission taken by the Government of Telangana to eradicate deforestation. Due to the need of land for industrial and residential set up, trees are being cut restlessly and this phenomena leading to global warming. Hence CMR College of Engineering & Technology (CMRCET), Kandlakoya, Medchal took initiative and organized Haritha Haram.

Haritha Haram will help us increase the forest cover from 24 % to 33 %. Trees make the soil fertile and it helps crops grow well. In the ongoing great green movement Haritha Haram, NSS volunteers and faculty members of CMRCET planted a large number of saplings in its campus. As we mould students into great personalities similarly it's pleasure to take part in such a program so that students may be enlightened, Nearly 24 students, and 41 staff members actively participated in the mission. At the end of the event our Secretary & correspondent Ch. Gopal Reddy, principal Major. Dr. V.A. Narayana, enlightened the students about need of the hour. Sri Ch Malla Reddy, chairman, CMRCET who was elected as an Member of Parliament (MP) from Malkajgiri constituency visited the college on the occasion and planted the first sapling. He exhibited a lot of enthusiasm in rendering his services towards greenery and encouraged the students with a tagline 'Each one plant one'. Also present on the occasion were the Secretary & Correspondent of CMRCET, Mr. CH. Gopal Reddy, NSS program officers and other senior faculty members. The event was a huge success as most of the students were seen outside their classrooms involving in making the campus green.
