Report on Gram Sabha Meeting under Unnat Bharath Abhiyan

Organized by: Centre for Energy and Environmental Research (CEER) and NSS-CMRCET(Board of Social Welfare)

Event Date: 26th January 2023

Venue: Muneerabad Village, Medchal.

Introduction:

On the occasion of Republic day our national flag was hoisted and hosted the Gram Sabha Meeting in Muneerabad Village, organized under the Unnat Bharath Abhiyan, aimed at observing and understanding the priorities of the people residing in the village. The collaborative effort between CEER, NSS-CMRCET(Board of Social Welfare), and the CMRCET student team was instrumental in facilitating a meaningful dialogue to address the needs of the community. The meeting served as a platform to identify key concerns and develop a comprehensive plan of action to contribute positively to the society.

Participation:

The meeting was jointly organized by the following entities:

- Board of Social Welfare
- Centre for Energy and Environmental Research (CEER)
- NSS-CMRCET (National Service Scheme - CMR College of Engineering and Technology)
- The student Council members from CMRCET, played a crucial role in the success of the event

Objective:

The primary objective of the Gram Sabha Meeting was two-fold:

Observation and Understanding:

1. To observe and understand the priorities of the residents in Muneerabad Village.
2. To identify the key challenges and concerns faced by the community.

Plan of Action:

1. Our National Flag was hoisted by the sarpanch and the faculty members of CMRCET on the occasion of Republic day.
2. To promote initiatives that contribute to the overall well-being of the society.

Meeting Highlights:

The Gram Sabha Meeting commenced with a warm welcome to the villagers and an introduction to the purpose of the gathering. The agenda included open discussions, interactive sessions, and group activities to encourage active participation.

During the meeting, the following topics were covered:

1. Community Priorities:

Residents were encouraged to express their concerns, needs, and priorities.

Issues related to healthcare, education, infrastructure, and employment were among the key topics discussed.

2. Plan of Action:

The student team presented ideas for potential solutions and initiatives.

A collaborative discussion ensued, leading to the formulation of a comprehensive plan of action.

Recognition and Award:

The CMRCET student team was acknowledged for their outstanding achievement.

The team received the Best Intinta Innovation Award from TSIC, State Government of Telangana, for their project titled "Payment Through Parent Account," implemented under the SIP Course.

Conclusion:

The Gram Sabha Meeting in Muneerabad Village, organized under Unnat Bharath Abhiyan, proved to be a successful endeavor in fostering community engagement and understanding the grassroots issues. The collaborative effort between CEER, NSS-CMRCET(Board of Social Welfare), and the student team not only facilitated a constructive dialogue but also resulted in a concrete plan of action to address the identified concerns.

The recognition and award received by the CMRCET student team further highlight the commitment and excellence demonstrated by the participants. This event serves as a model for future community-centric initiatives under Unnat Bharath Abhiyan, emphasizing the importance of involving local communities in the development process.

At the end of the event, NSS as a student body under Board of social welfare along with CEER and the student team of student council have come forward and volunteeringly helped the team to make the event successful. They also worked hard to

REPORT ON YOGA DAY CELEBRATIONS

Date: June 21, 2023

Yoga Day, celebrated on June 21st every year, promotes the practice of yoga and its numerous benefits. This report provides an overview of the Yoga Day celebrations held in the yoga hall of our college on June 21, 2023, highlighting the activities and participation of students and faculty.

The college yoga hall was transformed into a serene and inviting space for the Yoga Day celebrations. The hall was decorated with vibrant yoga-themed banners and posters creating an atmosphere of tranquillity and positivity. Yoga mats were arranged in rows to accommodate participants comfortably. Students and faculty members actively participated in the Yoga Day celebrations. The event witnessed a diverse representation from various academic disciplines and age groups, fostering a sense of unity and inclusivity.

The celebrations commenced with an opening speech by yoga instructor emphasizing the significance of yoga for physical and mental well-being. Trained yoga instructors from a well-known yoga foundation led the yoga sessions. The sessions consisted of a sequence of pranayama and meditation catering to participants of different skill levels. To enhance understanding and engagement, demonstrations of specific asanas and their correct alignment were provided. Participants were encouraged to ask questions and seek guidance from the instructors on specialized topics such as yoga for stress management, yoga for flexibility, and yoga for concentration were conducted, offering valuable insights and practical tips.

Conclusion:

The Yoga Day celebrations held in the college yoga hall provided an enriching and rejuvenating experience for participants. The event not only promoted the practice of yoga but also served as a platform for fostering a sense of community and well-being among students and faculty. Through diverse yoga sessions and informative talks, participants were able to deepen their understanding of yoga and its positive impact on their physical, mental, and emotional well-being.

The success of the Yoga Day celebrations in the college yoga hall further encourages the integration of yoga into the college's curriculum and extracurricular activities, promoting a culture of wellness and mindfulness among the entire college community.

Event Name : Engineer's Day Report

Event Date : 15-09-2023

The CMR College of Engineering & Technology NSS units has organized "Engineers Day" on 15th Sept., 2023. Engineers day is observed on 15 September annually in honor of Sir M Visvesvaraya, who was the father of Engineering and an eminent Engineer of India. The day is celebrated to perceive the contribution and achievements of Sir M Visvesvaraya. Engineers Day 2023 is celebrated with a chief guest of Dr. PSR Srinivasa Sastry, Former Outstanding Scientist and founder director DSP laboratory, DRDO, Hyderabad. Dr. Dinivasa Sastry delivered a lecture about importance of science and technology, especially Chandrayan-3. Major Dr. V. A. Narayana, principal CMRCET has given brief introduction about engineers day as every year Engineers Day is celebrated on the 15th of September to commemorate the birth anniversary of Sir Mokshagundam Visveshvaraya. He was the first Civil Engineer in India and contributed many important things to the field of Engineering. It is also known as Civil Engineering Day 2023.

Dr. M. Nagaraju Naik, NSS program Officer delivered a speech as By observing his contribution and dedication Government of India awarded him with the prestigious award 'Bharat Ratna'. Engineers Day is the inspiration for all Engineers to follow Sir M Visveshvaraya's principles and work for the development and growth of the country using their knowledge and skills. Dr. K. Vijaya Kumar, Dean of academics, Dr. G. Devdas, Dean planning and developments, Dr. M. Vijayashanthi, NSS program officer unit-2, Rohini Reddy, cultural event coordinator, professors, senior faculty members, staff, students and NSS volunteers participated made a grand success. Here enclosing some of the pictures and news paper clippings.

Conclusion:

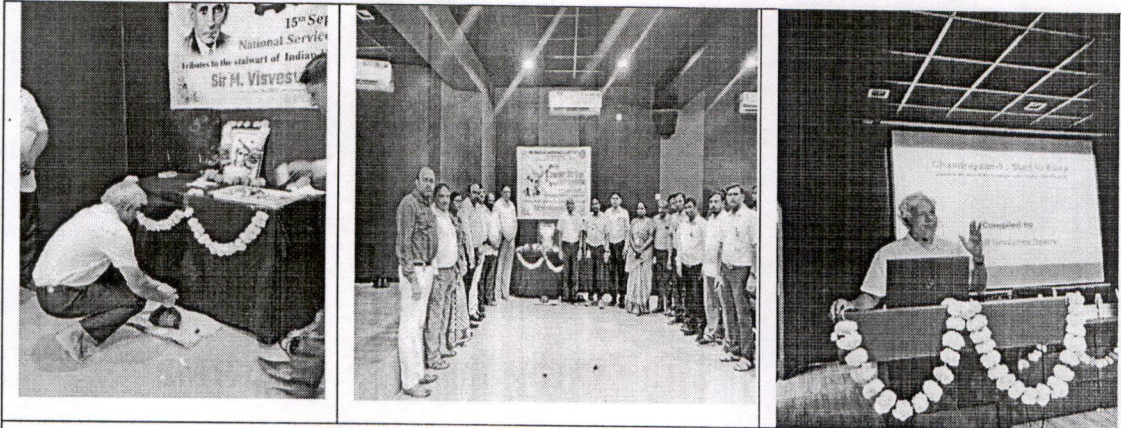

The enthusiasm and active participation of attendees reaffirm the significance of engineering in our society. These celebrations serve as a testament to the dedication of CMR College of Engineering and Technology in fostering a culture of excellence in engineering education and research.

Moving forward, the college intends to continue organizing such events to inspire the next generation of engineers and promote the importance of engineering in addressing global challenges.

BLOOD DONATION REPORT

Date: 14-10-2023

Venue: CMRCET Campus

Report

CMRCET NSS units conducted a blood donation camp on 14-10-2023 in association with Osmania General Hospital blood bank, Hyderabad. We have to create public awareness in blood donation, by bring-up many clubs, colleges, societies, offices which continuous organize blood donation camps on different occasions. It is a healthy gesture. We must keep this aptitude up at any cost. Our volunteer identifies the requirement of blood at government hospitals and other areas. By organizing such blood donation camps we may help them to enrich their capacity. We have donated 122 units of blood to Osmania General Hospital. There was a good response from the faculty and the students as well. 28 teaching & non-teaching members , 241 students as well took part in the event. Sri Ch. Gopal Reddy, secretary and correspondent, CMRCET, who were keen about inculcating the feeling of humanity and kindness in the hearts of the present youth started this event and made it a grand success. Our principal Major. Dr. V.A. Narayana spoke about importance of blood. This program was organized by 59 NSS volunteers under NSS program officer Dr. M. Nagaraju Naik.

Event Date : 15-10-2023

The CMR College of Engineering & Technology NSS units has organized "National Innovation Day (Dr. APJ Abdul Kalam's Birth Anniversary)" on 15th October, 2023. Former President and renowned scientist Dr APJ Abdul Kalam was born on October 15, 1931, in Tamil Nadu. His birth anniversary is also observed as World Students Day as a mark of respect for his love for students and vision to nurture the future generation. He was popularly known as the 'Missile Man' of India. Dr. APJ Abdul kalam. Event chief guest Dr. PSR Srinivasa Sastry, Former Outstanding Scientist and founder director DSP laboratory, DRDO, Hyderabad. was delivered a lecture about importance of Innovation and technology developments. Also highlighted the main achievements and thoughts of Dr APJ Abdul Kalam by putting light on APJ Abdul Kalam's contribution to the Indian society and how, he played each and every rule with such perfection and enthusiasm. Major Dr. V. A. Narayana, principal CMRCET has given brief introduction about Dr APJ Abdul Kalam. Dr. M. Nagaraju Naik, NSS program Officer delivered a speech about National Innovation Day. Dr. K. Vijaya Kumar, Dean of academics, Dr. G. Devdas, Dean planning and developments, Dr. M. Vijayashanṭhi, NSS program officer unit-2, Rohini Reddy, cultural event coordinator, professors, senior faculty members, staff, students and NSS volunteers participated made a grand success. Here enclosing some of the pictures and news paper clippings.

Conclusion:

The enthusiasm and active participation of attendees reaffirm the significance of innovations in our society. These celebrations serve as a testament to the dedication of CMR College of Engineering and Technology in fostering a culture of excellence in technological education and research. Moving forward, the college intends to continue organizing such events to inspire the next generation of engineers and promote the importance of engineers in addressing global challenges.

Haritha Haram Program Report

Date: 18-12-2023

Venue: CMRCET Campus

Report:

CMR College of Engineering & Technology organized 'Haritha Haram' program on 18-12-2023 in and around the campus to spread awareness among the student and teaching community and to make a slight difference in the increasing temperatures that are contributing towards global warming. Trees also contribute to the environment by helping us in providing oxygen, conserving water, preserving soil erosion, and protecting wildlife. Few faculty members and NSS volunteers participated in the event, and 32 saplings were planted. Shri Ch Gopal Reddy, secretary & correspondent, CMRCET, took the leading role by planted the first sapling. He exhibited a lot of enthusiasm in rendering his services towards greenery and encouraged all the students to gear-up with the event. Principal Major. Dr. V.A. Narayana delivered a speech about the environment and its importance. Our NSS program officer gave a tagline, 'Each one plant one and save one'. Also present on occasion were the senior faculty members and students. The event was a huge success as most of the students were seen outside their classrooms involving in making the campus green. All this was done to make a change, even if it was a drop in the ocean.

Sub: Requesting permission to conduct International Women's Day in our Institution-Reg.

Respected Sir,

This is Dr. M. Nagaraju Naik working as NSS program Officer in CMR College of Engineering & Technology, Hyderabad. Our NSS /NCC volunteers are doing good job towards better society. The main purpose of the program is to create a gender-equal world. It is about celebrating a woman's success and raising awareness against bias. So we all should choose to 'challenge' to bring the change. we would like to organize International Women's Day with the support of our NSS Program Officer Dr. M. Nagaraju Naik and NSS/NCC volunteers. Our volunteers are more enthusiasm to celebrate Women's day on 9th March, 2024. So please grant permission to celebrate National youth day in our campus.

Report on Women's Day Celebration

Organized by: NSS-CMRCET(Board of Social Welfare)

Event Date: 9th March, 2024

Venue: CMRCET Auditorium.

Introduction:

On March 9, 2024, the CMRCET Auditorium resonated with the vibrant celebration of International Women's Day, organized by the Board of Social Welfare and the NSS unit. The event was a remarkable success, bringing together the lady faculty and girl students of 3rd and 2nd year in a joyous and empowering atmosphere.

Participation:

The meeting was jointly organized by the following entities:

- Board of Social Welfare
- NSS-CMRCET (National Service Scheme - CMR College of Engineering and Technology)
- The student Council members from CMRCET, played a crucial role in the success of the event.
- Bringing together the lady faculty and girl students of 3rd and 2nd year

Objective:

The primary objective of Women's day was two-fold:

Empowerment and Celebration: The event aimed to empower and celebrate the women within the CMRCET community, including both faculty members and students. Through inspirational speeches, cultural performances, and a diverse range of activities, the occasion sought to uplift and recognize the achievements, resilience, and contributions of women in various fields.

Fostering Unity and Awareness: The event focused on fostering a sense of unity among the participants by showcasing the rich cultural diversity within the institution. The ramp walk featuring different states, along with faculty, aimed to promote awareness and appreciation for the varied backgrounds and traditions represented. Additionally, acts and speeches emphasized the importance of women's unity and solidarity in addressing challenges and contributing to positive societal change. The celebration served as a platform for raising awareness about gender equality and encouraging active participation in promoting the well-being and empowerment of women.

Event Highlights:

The highlight of the day was the presence of the esteemed chief guest, Nayani Pavani, whose positive and joyful aura added immense charm to the event. The celebration began with the traditional lamp lighting ceremony, symbolizing the enlightenment and empowerment of women.

Dignitaries then took the stage to deliver inspiring speeches, emphasizing the importance of women's contributions to society and their role in shaping a better future. The audience was captivated by the insightful words shared by the speakers, setting the tone for the festivities.

The cultural segment featured mesmerizing dance performances, blending classical and western styles, showcasing the diversity and talent of the participants. Following the dances, the students took the stage for a soulful singing performance, adding a melodious touch to the celebration.

A unique element of the event was the ramp walk, which showcased the rich cultural diversity of different states, with both students and faculty members participating. The walk was a visual feast, celebrating the unity in diversity within the institution.

A thought-provoking act on women's power was then presented, highlighting the strength, resilience, and achievements of women throughout history. The act aimed to inspire and motivate everyone in attendance.

The celebration continued with a symbolic cake-cutting ceremony, where all women faculty members participated, signifying unity and shared joy. Subsequently, speeches were delivered by Chairman Gopal Reddy Sir and Our Principal, Major Dr. V A Narayana sir, expressing gratitude and encouragement for the women in the CMRCET community.

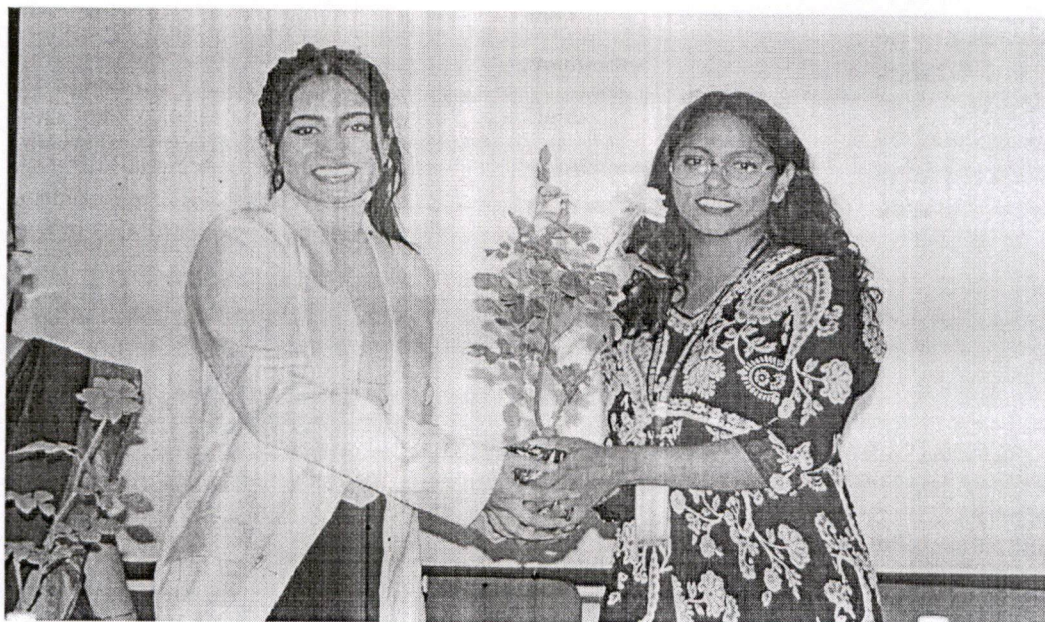

The evening concluded on a lively note, as a DJ took the stage, filling the auditorium with music. All the girl students and faculty members actively participated, dancing and enjoying the celebration. The event ended on a patriotic note, with everyone standing together for the national anthem.

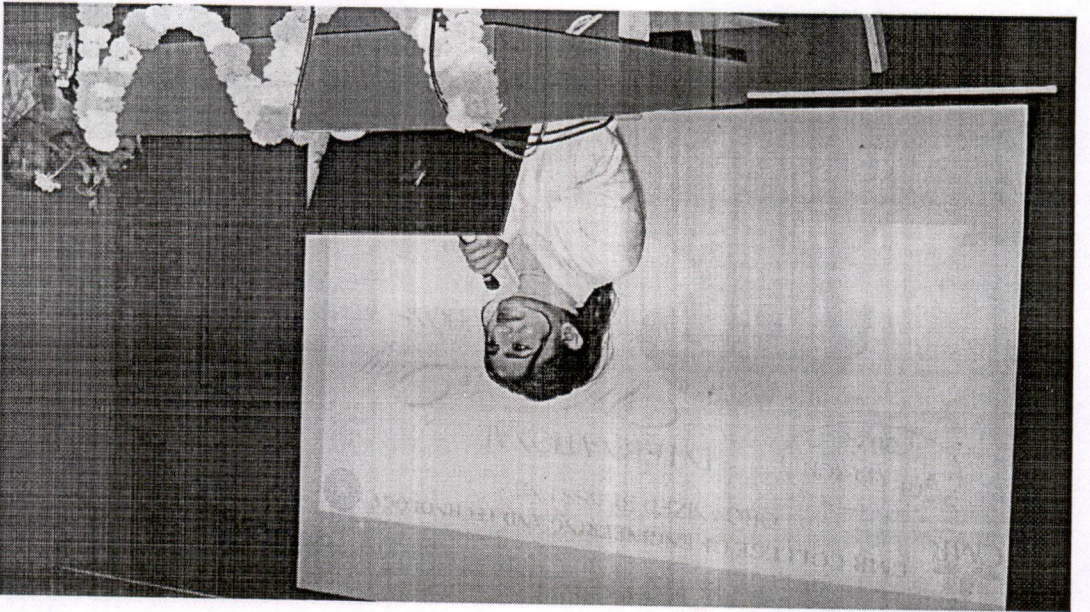

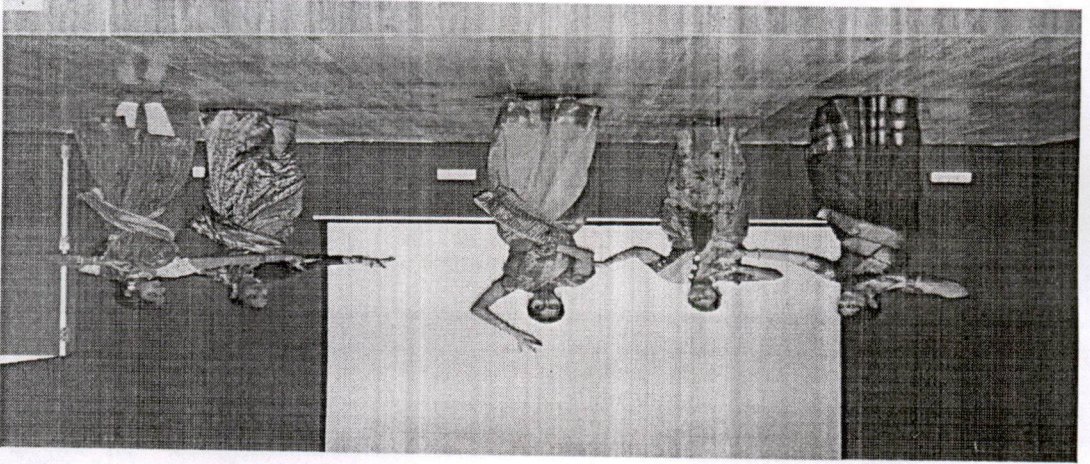

Recognition and Felicitation:

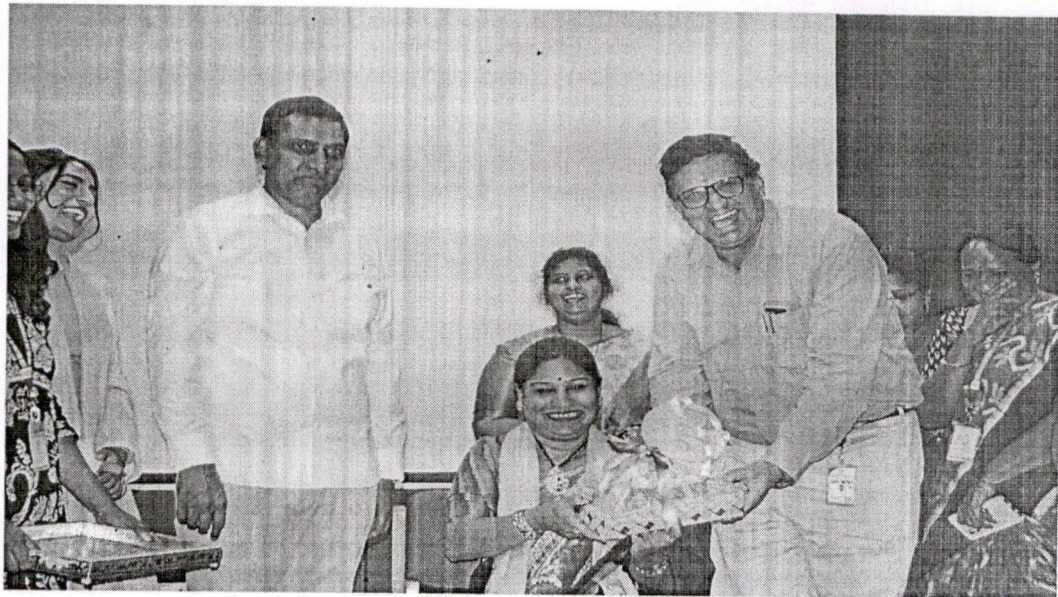

The ceremony proceeded to the felicitation of the chief guest, Nayani Pavani, and the beloved faculty member, Rohini Ma'am, who is not only a dedicated educator but also a corporator and the first working lady of CMRCET. Their contributions to the institution and society were acknowledged with heartfelt appreciation.

Conclusion:

The Women's Day celebration at CMRCET Auditorium was not only a memorable event but also a testament to the strength, talent, and unity of the women within the institution. The day was marked by inspiration, joy, and a collective sense of pride in the achievements of women in various fields.

Report on Blood Donation Camp

Event Date: May 4th, 2024

Organized By: Board of Social Welfare, Osmania University

Event: National Service Scheme (NSS) Blood Donation Camp

Introduction:

Osmania University, through the Board of Social Welfare, organized a significant Blood Donation Camp as part of its National Service Scheme (NSS) program in CMR college of engineering and technology on May 4th, 2024. The camp aimed to contribute to the noble cause of saving lives by encouraging voluntary blood donations from students, faculty, and staff members.

Venue:

The camp was held in one of the seminar halls of CMRCET campus, providing easy access to donors and ensuring a smooth flow of activities.

Objective:

The primary objective of the blood donation camp was to create awareness about the importance of voluntary blood donation and to encourage individuals to come forward and donate blood voluntarily. Additionally, the camp aimed to address the ongoing blood shortage in hospitals and medical centers.

Activities:

Registration: Volunteers and organizers managed the registration process efficiently, ensuring smooth entry for donors.

Medical Screening: Trained medical professionals conducted thorough medical screenings of donors to ensure their eligibility for blood donation and guarantee the safety of both donors and recipients.

Blood Donation: Donors who passed the medical screening process proceeded to the donation area, where skilled phlebotomists collected blood units using sterile techniques and equipment.

Refreshments and Rest Area: After donation, donors were provided with refreshments and encouraged to rest in a designated area to replenish their energy levels.

Participation:

The Blood Donation Camp witnessed a commendable turnout, with enthusiastic participation from students, faculty, and staff members of Osmania University. Volunteers from the NSS and Board of Social Welfare actively engaged in organizing and facilitating the smooth functioning of the camp.

Impact:

The blood donation camp was a resounding success, with a significant number of blood units collected. The voluntary contributions made by the donors will go a long way in saving lives and supporting the healthcare needs of the community.

Acknowledgments:

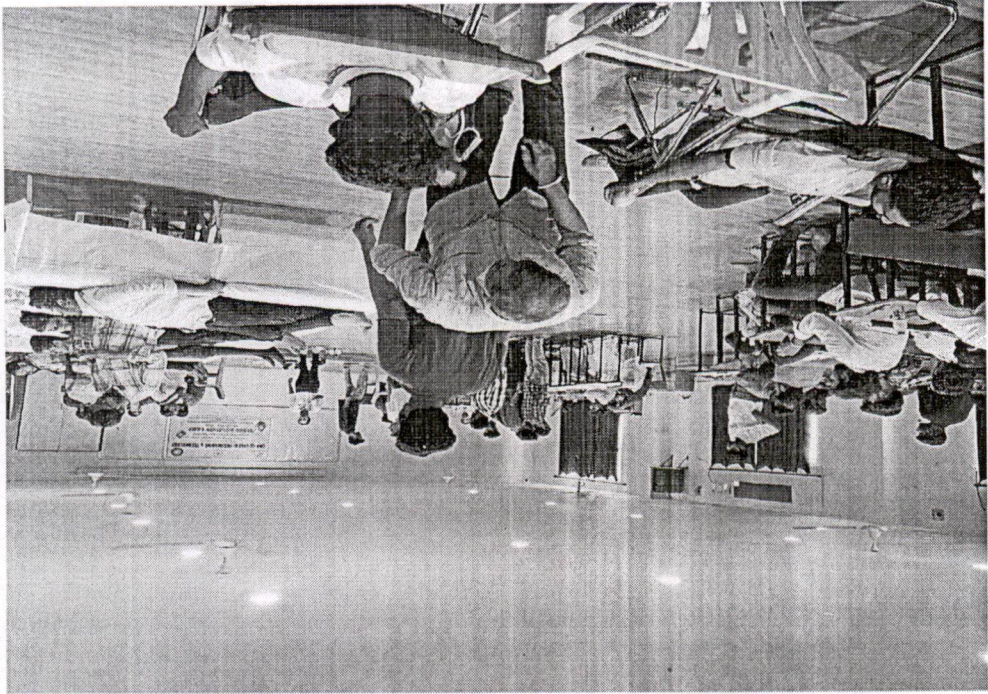

The success of the Blood Donation Camp would not have been possible without the concerted efforts of the organizers, volunteers, medical staff, and, most importantly, the selfless donors who came forward to contribute towards this humanitarian cause.

Conclusion:

The Blood Donation Camp organized by Osmania University, under the auspices of the Board of Social Welfare as part of NSS program, exemplifies the spirit of altruism and community service. By fostering a culture of voluntary blood donation, the university continues to play a vital role in addressing healthcare challenges and saving lives.

This report encapsulates the successful execution of the Blood Donation Camp conducted by Osmania University on May 4th, 2024, reflecting its commitment to social welfare board and community engagement.

Report on Essay Writing and Poster Designing Competition on World Environment Day

Event Date: 5th June, 2024

Organized by: Board of Social Welfare in association National Service Scheme (NSS)

Introduction

In celebration of World Environment Day on 5th June 2024, the Board of Social Welfare, in collaboration with the National Service Scheme (NSS), organized an Essay Writing and Poster Designing Competition. The event aimed to raise awareness about environmental issues and promote creativity and critical thinking among students. The theme for this year's World Environment Day was "Importance of world's environment day."

Venue

The camp was held in one of the seminar halls of CMRCET campus, providing easy access to donors and ensuring a smooth flow of activities.

Event Details

The event comprised two main activities:

- 1. Essay Writing Competition**
- 2. Poster Designing Competition**

Objectives

- To encourage students to express their thoughts and ideas creatively.
- To promote the importance of environmental conservation through artistic and literary expression.
- To foster a sense of responsibility towards the environment among the younger generation.

Participation

The competition saw enthusiastic participation from students across various classes. A total of 35 students participated in the essay writing competition, while 10 students took part in the poster designing competition.

Judging Criteria

The entries were evaluated based on relevance to the theme, creativity, originality, and clarity of expression. A panel of judges, comprising faculty members was constituted to assess the submissions.

Highlights

- **Essay Writing Competition:** The essay writing competition was conducted in the afternoon session. Participants were given 1 hour to write an essay on the topic "Importance of World's environmental Day." The essays reflected the students' understanding and innovative ideas for preserving our planet.
- **Poster Designing Competition:** The poster designing competition was held in the afternoon session. Students were provided with drawing materials and was given 1 hour to create posters depicting the theme "Environmental Day." The posters showcased a blend of artistic skills and insightful messages about environmental protection.

Award Ceremony

The competition concluded with a prize distribution ceremony. Our Principal DR. V A Narayana sir awarded the winners with certificates and trophies. The event honoured the top participants in each category.

Winners:

Essay Writing Competition:

1. **First Prize:**Ria Barnes – II year (CSM)
2. **Second Prize:**Thanmay – II year (CSM)

Poster Designing Competition:

1. **First Prize:**Bhargava Ramakrishna – II year

Conclusion

The Essay Writing and Poster Designing Competition on World Environment Day was a resounding success. It provided a platform for students to express their thoughts on environmental conservation creatively. The event not only enhanced awareness but also inspired students to actively participate in environmental preservation activities. The Board of Social Welfare and NSS express their heartfelt gratitude to all participants, judges, and organizers for their support and enthusiasm.
