**MESSAGE FROM
SECRETARY**

Shri CH.GOPAL REDDY
Secretary and Correspondent
CMR Group of Institutions

CMR College of Engineering & Technology is so intrinsically linked with development ever since its inception, that the success of our students speaks volumes about it.

Strong Academic ethos combined with an excellent pastoral system maintained by the College is the key to success to all our outstanding students. It does not merely take a single person to reach milestones. It is the team work of all the teaching and non teaching personnel here who are committed to providing excellent services not only confined to class room, but beyond. Our thirst for accomplishing growing creative, ambitious and caring minds that make unique contributions to the future is insatiable.

I am confident that CMRCET will continue to rise and soar above all the challenges ahead in nurturing talents for the globalised education of this era.

A handwritten signature in blue ink, appearing to read 'C. Chetty'. The signature is fluid and cursive.

**MESSAGE FROM
DIRECTOR**

Dr.N.SATYANARAYANA

Director (Academics)
CMR Group of Institutions

At the outset I would like to congratulate the team of CMRCET Magazine for one more successful edition. Having established itself as a benchmark of quality education and infrastructure, I can confidently say that CMRCET is the place to be for all engineering aspirants. The focus here is not just making technocrats but SMART individual's i.e.

S-Smart

M-Managers

A-Aware of

R-Research &

T- Technology

At CMRCET the students are guided to explore their skills at every step. I take pride in sharing with you that our students from across the programs have won accolades at various inter-college events. The overall results in various competitions are a testimony to the fact that wholesome personality development is the tireless effort at CMRCET.

N. Satyanarayana

MESSAGE FROM
THE PRINCIPAL'S DESK

Major. Dr. V. A. NARAYANA
Principal, CMRCET
Chief Patron

The prestigious, CMR College of Engineering & Technology (CMRCET), since its inception in 2002 has made remarkable progress by following the mantra of student centric approach, whether it is in academics or in extra co-curricular activities. In addition to developing excellent scientific and engineering skills, the students are motivated not only to dream big but also encouraged to think unconventionally to face the challenges of the future and provide platform for Entrepreneurship. It has been our constant endeavor to instill in our students ethical values hereby making them socially responsible citizens. The institution has stood for quality and excellence and still thriving to be the best in the years to come. **As Zoey Sayward says “Don’t wait for the perfect moment. Take the moment and make it perfect!”** We prepare our students to make the best out of the opportunity.

Keeping our vision and mission of the institution, we believe in Imagine-Invent-Inspire..... In the making of dynamic individuals in the society. I take this opportunity to express that every effort is made to improve the existing best services to bring out the best for the welfare of our institution and the growth of our students

A handwritten signature in green ink, consisting of a stylized, cursive name that is difficult to decipher but appears to be 'V. A. Narayana'.

EDITOR'S NOTE

Editor-in-chief
Dr. K. Vijaya Kumar,
HOD, CSE

It gives us great pleasure to bring you the issue of Carpe Articulum, the college magazine of CMRCET. The name and fame of an institute depends on the caliber and achievements of the students and teachers. The role of a teacher is to be a facilitator in nurturing the skills and talents of students. This magazine is a platform to exhibit the literary skills and innovative ideas of teachers and students. Carpe articulum presents the achievements of students and contributions of teachers.

We would like to place on record our gratitude and heartfelt thanks to all those who have contributed to make this effort a success. We profusely thank the management for giving support and encouragement and a free hand in this endeavor. Last but not the least we are thankful to all the authors who have sent their articles. We truly hope that the pages that follow will make an interesting read.

A handwritten signature in green ink, likely belonging to Dr. K. Vijaya Kumar, located at the bottom right of the page.

BRIEF ABOUT CMR COLLEGE OF ENGINEERING & TECHNOLOGY

CMR College of Engineering & Technology (CMRCET for short) is sponsored by MGR Educational Society, which was established in 2002. The College is situated 20 Km away from Secunderabad Railway Station on Hyderabad - Nagpur National Highway (Medchal Road), Telangana, India. The college is located in 10 acres of serene environment which is lush green and free of pollution.

- UGC Autonomous Institute.
- Permanently Affiliated to JNTUH
- Approved By AICTE
- Accredited by NAAC with 'A' grade.
- All B.Tech Programs accredited by NBA.

The management is committed in assuring quality service to all its stake holders viz parents, students, alumni, employees, employers and the community. Our commitment and dedication are built into our policy of continual quality improvement by establishing and implementing mechanisms and modalities ensuring accountability at all levels, transparency in procedures and access to information and actions.

To be a premier academic institution striving continuously for excellence in technical education, research and technological service to the nation.

- To Create and sustain a community of learning in which students acquire knowledge and learn to apply it professionally with a concern for the society.
- Pursue and disseminate research findings and offer knowledge based technological services to satisfy the needs of society and the industry.

COURSES OFFERED

5

Civil Engineering
Electrical & Electronics Engineering
Mechanical Engineering
Electronics & Communication Engineering
Computer Science and Engineering

B Tech Programmes

Apart from the above, we offer 4 full time M.Tech. Programmes in Structural Engineering, Power Electronics, Embedded Systems, Computer Science & Engineering. We also offer Master of Business Administration

FACULTY & STAFF

Our Institution has **255** teaching faculty and **75** non-teaching staff. In addition to these, staff required for security, transport, maintenance, gardening and similar centralized facilities are provided by the CMRCET.

4 faculty members acquired their Ph.D degrees from different premier institutions.

9 faculty members are admitted for Ph.D.

INSTITUTIONAL AWARDS

- Presented with “Water Conservator Award” during the Asia’s largest Youth Meet on Safe water for future.
- CMRCET has received “Best Infrastructure Award” and “Best College in Sports Award” from STUMAGZ.
- CITD Education Promotion and Development Award for Outstanding achievements in technical education
- Presented with Institutional award for Transformational Leader in Engineering Education – 2017 by IUCEE
- Presented with Education Leadership Award in DEWANG MEHTA National Education Award in Southern region 2017
- Infosys Campus Connect academy partnership award to CMRCET
- Has been part of the Massive Bucket Immersion Campaign which is encountered in the STAR WORLD RECORDS organized by Lee Shreya’s Foundation
- Ranked 11th among top outstanding Engineering colleges of Excellence by competition success review (CSR) July 16 issue.
- Ranked 5th among 14 Engineering colleges of Telangana by competition success review (CSR) July 16 issue.
- Ranked 8th in 2017 among top colleges in TELANGANA
- Ranked top 100 in “TIMES Engineering Institute Ranking Survey” in 2017
- Ranked AAA by career 360 Magazine, in April 2017
- CAREER CONNECT Magazine rated CMR College of engineering & Technology with four stars in 2017

Outstanding Achievements in Technical Education

FACULTY CORNER

Awards

- Dr P Ravi Kumar, Mechanical Department Awarded with Ph.D in research area of “Parametric Study of Milling Process using Enhanced Damper in Milling Cutters” on 01-05-2017 from JNTUH
- Dr K L S Soujanya, CSE Department Awarded with Ph.D in research area of “Software Engineering” on 22-08-2017 from JNTUA
- Dr. P HimaBindu, MBA Department Awarded with Ph.D in research area of HR on 12/08/2017 from OU
- Dr. P Alekhya, MBA Department Awarded with Ph.D in research area of Finance on 27/09/2017 from OU
- Dr. A. Kotishwar, MBA Department got an award of “Outstanding Research Paper” on 18th & 19th Jan 2018 at University of Mumbai

Faculty Development Programmes

- **14** Faculty Development Programmes were organized during the academic year 2017-2018.
- **51** Faculty development programmes were attended by our faculty at different colleges and universities like NIT’s, IIT’s and JNTU.

FDP on Virtualization

FDP on Current Trends in Materials & Manufacturing

FDP on Digital Design through Arduino

FDP on Engineering Graphics

Seminars

- 5 Seminars organized for faculty during the academic year 2017-2018.
- 8 Seminars attended by our faculty at different colleges and universities.

Seminar on Information Security

Seminar on Energy Management

Workshops

- 3 Workshops organized for faculty during the academic year 2017-2018.
- 5 Workshops attended by our faculty at different colleges and universities

Workshop on Gender Sensitization

Workshop on IEEE Xplore

Other Events

- Book Exhibition was organized
- Parent-Teacher Meetings were organized
- ICT Academy in collaboration with our college has organized Youth Innovator Award
- SAEISS in collaboration with CMRCET conducted its Student Convention 2017-18 tier II level on 30th December 2017

SAEISS

Youth Innovator Award

Faculty Professional Activities

- Dr. A. Kotishwar of MBA department chaired a session for International Commerce and Management Conference on Impact of Digitalization and E-Commerce on Indian and Global Economy: Challenges and opportunities on 18th & 19th January 2018 at University of Mumbai
- Dr. P. Ravi Kumar of Mechanical department chaired a session at International Conference at MLRITM on 02 June 2017
- Dr. K. Vijaya Kumar was the keynote speaker for Workshop on MATLAB conducted in CMRCET from 20th March-2017 to 21st March-2017
- L Venkateswarlu gave a Guest lecture in BVRIT on "JAVA"
- S Gnanendra Reddy held Technical Training on C & DS, JAVA for III B.Tech Students at Satyabhama University on 11-October-2017 to 13- October-2017
- Dr K Ramakrishna was a Panel Expert in C-DAC
- Dr K Ramakrishna was Recruitment Panel Member in Government of Telengana
- A. Vivekanand, Ch. Rajakishore Participated in Infosys Campus Connect training programme held at Infosys campus, Pune from 18th December to 22nd December
- Dr. K. Rama Krishna and Ch. Rajakishore attended a seminar on "Trends in Industry& alternatives" at JNTUH on 19/9/17 organized by Swecca Foundation.

Books Published

- Dr. K Ramakrishna published a book titled "Fundamentals of Computer & Programming Concepts" by Lamberd Publishers, Germany
- Dr. B. Srinivasa Varma Published a book titled "Engineering Metrology" by Amazon Publisher in January 2017.

RESEARCH & DEVELOPMENT CENTRE

About R&D

Technical education paves way for innovation and creativity. Strong Research & Development base is very important to achieve this. Realizing the importance of Research & Development *R&D Centre* was established in CMR College of Engineering & Technology with the following prime objectives:

1. To provide support to Faculty research efforts
2. To encourage student research
3. To coordinate funded/ sponsored research
4. To promote research publications
5. To encourage innovation and facilitate application for Patents
6. To coordinate Consultancy services by Faculty Members

Patents

- “Subham Rudresh Mishra” and his team got patent for their project titled *Advanced Safety System for Automobiles and Methods Employed Thereof*
- “Adithya Srinivas.V” and his team got patent for their project titled *System and Method for Automatically Closing A Smart Bin Door*
- “Shaik Khaja Moinuddin” and his team got patent for their project titled *Advanced System for Detecting A Computing Device and Methods Employed Thereof*
- “Shubham Patra” and his team got patent for their project titled *Modular Security Camera System*
- “Raj Venkat Sai Sadu” and his team got patent for their project titled *Advanced Wheel Suspension System*
- “V. Kousalya” and her team got patent for their project titled *System for Assistive Aid in Paralysis Treatment*

Research grants

DST

- Dr. M. Sudhakar obtained Rupees 30 lakh grant from Department of Science and Technology under “FUND for improvement of S&T infrastructure in universities & higher educational institutions (FIST)” program for duration of 5 years.
- Dr. V R Ramaraju & Dr. V. A. Narayana obtained a grant of Rupees 50 lakh from Cognitive Science Research Initiative of DST for the project titled “The study of neuro-medical diagnostics of cognitive impairment in case of Parkinson disease using real – time multi-channel microelectrode neural recording system” for duration of 3 years.

UGC Research Project

- Dr. M Venkateswarlu obtained a grant of Rupees 15 lakh from University Grants Commission (UGC) salary and Research grants for the project titled “Environmental Degradation Due to Limestone Mining on Ground water and Mine Water Discharges in Parts of Palnad Basin, Nalgonda District, AP”

Consultancy projects

- **17** consultancy projects are being handled by various departments at a total cost of Rupees 22.79 lakh. Some of those are
 - Academic Management Systems
 - Identifying the location of ground water
 - Soil testing and find out SBC, at MachaBolaram, Under Alwal, Malkajigiri
 - A hybrid PV wind system for dual inverter fed special winding induction motor
 - An online examination system using multi security measurements
 - Tongue controlled wheel chair movement

Publications

200+ International journals and conferences
40 Scopus publications
2 International conference
1 National conference
23 UGC, WOC & ICI

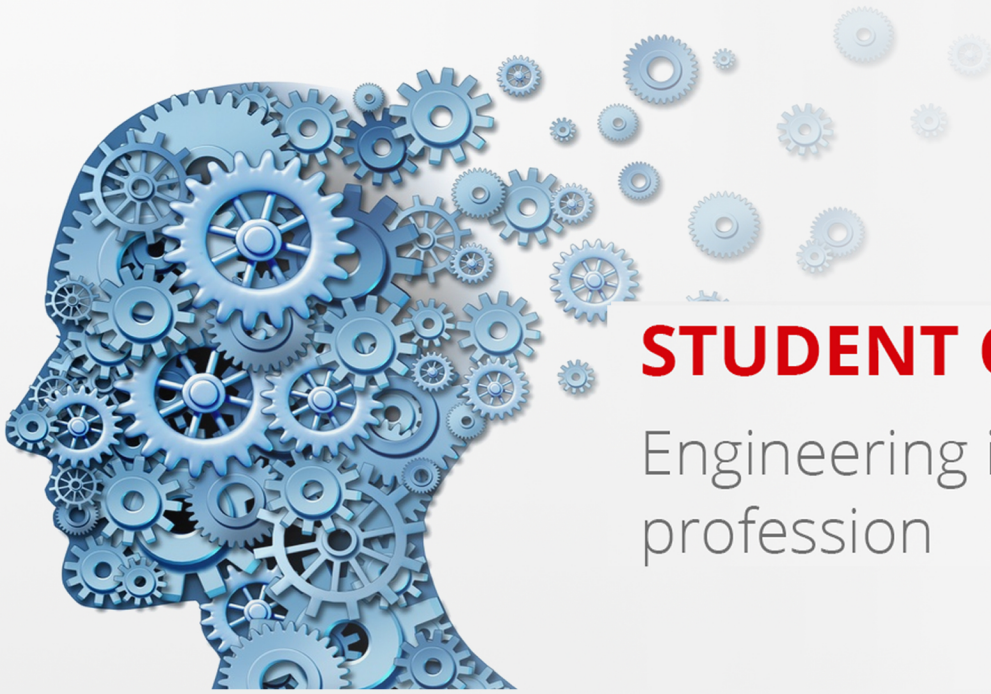

Research grants applied

Under DST

- 3 projects applied under the scheme SERB/EMR for a budget of 126.91 lakh
- 3 projects applied under the scheme SERB/ECR for a budget of 108.41 lakh
- 1 project applied under the scheme SERB/EEQ for a budget of 34.52 lakh
- 2 projects applied under the scheme WOSA for a budget of 53.28 lakh
- 2 projects applied under the scheme WOSB for a budget of 71.00 lakh

Under AICTE-AQIS

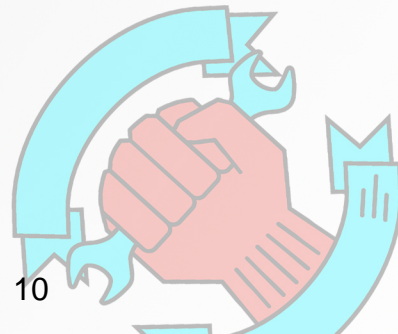

- 2 projects applied under the scheme FDP for a budget of 1.13 lakh
- 1 project applied under the scheme GOC for a budget of 5 lakh
- 3 projects applied under the scheme MODROBS for a budget of 55.29 lakh
- 3 projects applied under the scheme RPS for a budget of 48.33 lakh
- 1 projects applied under the scheme SPDP for a budget of 24.88 lakh
- 5 projects applied under the scheme STTP for a budget of 24.3 lakh

Industrial visits

- Students of Mechanical department visited Chennai Institute of Technology from 06.12.2017 to 16.12.2017
- The students of MBA visited ALEAP, Kukatpally on 24th & 25th December 2017
- SAE Students of Mechanical department visited International Advanced Research Centre for Powder Metallurgy and New Materials (ARCI) on 09/03/2018
- Students of CSE department visited IIT BHU, Varanasi to participate in FEST and Won prizes in different categories
- Students of CIVIL department visited Prakasham Barrage and Pattiseema Projects from 14th to 16th December 2017
- 3rd Year students of CIVIL department visited Sri Ram Sagar (Nizamabad), Mid Manneru and Lower Manneru Projects (Karimnagar)
- 3rd Year students of CIVIL department visited Sewerage Tank plant (Waste Collection Area) on 20th January 2018

Technical Fest

- AZURA 2k17, the Annual Technical Festival of the CMR College of Engineering and Technology was organized on March 23rd & 24th 2017. Many technical events (Mend a Circuit, Capture the Captha, Tech Quiz, Bridge Making, Robotics etc) and Non

technical events (Trial Track, LudoLive, Lazer Maze, Live Mini Militia etc) were organized

- 153 students participated in 13 TECHNICAL FESTIVALS organized by various colleges and universities like JNTUH, NIT Warangal, IIT BHU, Bits Pilani etc.

AZURA 2K17

Student Exchange Program

As a part of the student exchange program for Knowledge transfer, 16 students from Chennai Institute of Technology (CIT) came to CMRCET for 10 days from 6th to 16th December.

They had a crash course on Gender sensitisation, Soft skills and English language. Sports were a part of their everyday program during their stay here. They also had an enlightening visit to the T Hub and Micromax manufacturing unit. And they had a whirlwind tour of the Hyderabad city which included Kutubshahi tombs, Golconda, Charminar etc.

15 students along with 2 faculty from *CMR College of Engineering & Technology* attended Industrial robot programming organised by CIT KUKA industrial robotics training and research centre from 6-12-2017 to 16-12-2017 which was held at *Chennai Institute of Technology*. This was part of the student exchange programme between the two institutes for knowledge transfer. This helped the students to get hands on experience in programming an industrial robotic arm.

Along with the hands-on training, the students also visited the centre's of excellence and research centres of two engineering colleges, Rajyalakshmi Engineering College and Sri Venkateshwara College of Engineering respectively. Apart from this the students were taken to Gokul Auto Tech for industrial visit. This student exchange program helped the students to learn and experience new things.

Industrial robot programming at

Student Chapters

Students from various departments have membership in various professional societies. Some of the chapters are

- ❖ IEEE Students chapter
- ❖ IETE Student chapter
- ❖ CSI Students chapter
- ❖ IEI Students chapter
- ❖ ISTE Students chapter
- ❖ SAE Students chapter
- ❖ Association of Consulting Civil Engineers (I)

Students Achievements

- P. Yogeswar & Nishanth (IV CSE) Mission R&D Online Program & Summer Program completed June-2017
 - Neha Bhatia (III CSE) NIIT Certification on JAVA
 - Indian Air Force project “Database Duplicate Erasing” completed by Sruthi, Srinivas, Varun (IV CSE)
 - Indian Air Force project “Web Portal Design” completed by Vivek, Karthik, Sameer, Subham Singh (IV CSE)
 - Dileep Reddy (16H51A0595) Learning Pundits Grammar Guru 1st Postion awarded on 29-10-2017
 - Vashisht (IV CSE) NPTECL & NASCOM Certification on Formula C National Programming and Certification by tech solutions on Core Java on September 2017
 - Surya Teja Reddy, Neha Bhatia (III CSE) NPTECL & NASCOM Certification on Formula C National Programming on September 2017
 - K.B. Rohith (II MECH) won consolation prize in Category Of “PATROTIC POEM” Representing (JNTUH)
 - P. Prathap Singh And BabuTapatla (IV CSE, ECE) won second prize in Category Of “PHOTO EXBITION” Representing (JNTUH)
 - Sd. Talif Ahmed (II CSE) Participated in national level open karate championship in organized by Telangana Sainik Welfare in karimnagar from 19-1-18 to 21-1-18.
 - G. Sindhuja Reddy (III CSE) participated in 2-day EPICS WORKSHOP at HITAM college from 2-2-18 to 3-2-18
 - Mr. Anurag Gautam student of CMRCET (IV ECE) has Participated in international level pistol shooting at Melbourne, Australia
 - Student of CMRCET (I CSE) Won 1st prize in incognito Infinity 2k18 organized at Osmania university
 - B. Karthik (IV CSE) conducted 2-week workshop in SRM university, chennai on “Cyber Security”
 - P. Prathap singh and his team participated in World Congress on “Traditional Medicine” conducted by a panel of National and International Specialists in Traditional Medicines
- P. Yogeswar Being Zero’s Hyderabad Best Coder Award 2017 on 21-03-2017

- Mr. Manoj from first year, of CSE department, has bagged the first place in the Indian National kickboxing championship in the *under 18* category. He's been awarded with a gold medal by AnandBalaji, president of AP kickboxing ASSOCIATION

- B. Karthik (IV CSE) has successfully completed all requirements and criteria for certified Ethical Hacker certification through examination administered by EC- Council.

- Anurag Gautam (IV ECE) secured gold medal in center fire pistol shoot 25 mtrs & silver medal in standard pistol at *National championship*, Chennai

- AICTE-CII: TWO student-ideas of our Campus have been shortlisted among Top 25 Innovators (Southern Region) to participate in Regional Workshop of “9th India Innovation Initiative 2017”

 1. Adithya Srinivas & Swaminathan (II B. Tech ECE)
 2. Rohan Gupta (IV-B.Tech Mechanical)

- Our team AlphaGo from CMR College of Engineering and Technology got 117th rank out of 269 teams in the ACM ICPC Asia Amritapuri onsite contest 2017-2018 that has been held in the Amritapuri, Kerala. ACM ICPC being the top most coding contest in the world.

- International Youth worker award won by Babu Tapetla (IV ECE) at India Srilanka Youth Exchange Program

- K. Sairam, D. Joseph Meghanath and S. Surya Theja reddy (III CSE) were Anti coding winners conducted at Bits Pilani, Rajasthan

- B. Prudvi Naik of CSE III year Participated in Clay Modeling competition organized by IIT BHU, Varanasi and won a merit certificate by securing 2nd position

- Moinuddin and his team of B.Tech I Year has won the best patented project in Techno Xian 2017, organized by Times World Group in association with Ministry of Science & Technology, Govt of India and All India Council for Robotics & Automation

- The annual NSS youth festival, held by JNTUH, saw huge participation from many under graduate colleges this year. From the plethora of categories, Our College managed to bag three gold medals in different events
 1. K.B Rohith (II MECH), bagged the first place in the patriotic poem event.
 2. Shweta Mahavadi, from third year, ECE department won the first prize in essay writing competition in the NSS youth festival.
 3. K. Deepika and her team (III CSE) Won 1st prize in category of Group folk dance

- K. Deepika (III CSE) got selected in the JNTUH team for the State Level Youth festival organised by State NSS cell, Higher education department, Government of Telangana. The JNTUH team won the dance competition that was held on 9th and 10th March 2018 in Kakatiya University, Warangal.

- Swetha (III ECE) won consolation prize in Category of “ESSAY WRITING” representing (JNTUH) at State Level Youth Festival (Kakatiya University)

- The Youth Icon of Telangana, Sadaf Maryam (I MECH), who talked her way to the Gold, in the recently concluded ICT Youth talk-Telangana. She now gets to go to Singapore on an educational trip sponsored by ICT.

- Azhar Talha syed (III CSE) and K. Madhusudan Chowdari (III CSE) from CMRCET got 9th and 15th rank in Hyderabad Best Coder Contest 2018, respectively. Two of the 15 Hyderabad's best coders are from CMRCET. Jaikrishna Goud (I CSE) was also among the top 80 finalists and came 6th in first year category.

- In the NASA space apps challenge conducted in IARE college of Engineering, our college teams won the second, third and fourth positions. 3rd year ECE students won the second prize and 1st year CSE team (K. Chaithanya and members) bagged the third prize at the NASA Space apps challenge.

- Ms.M. Apoorva (IICSE) got "Best Participant CSI Pune Chapter's Joshi Award" with Rupees 5000 cash prize, for her project in grand finale round of IT olympiad in Pune on 17th February 2018. She got selected for summer research fellowship 2018 conducted by IISC Bengaluru. Her fellowship will be in IIT Ropar under a professor in this summer for 2 months with stipend of Rupees 12000 per month.

- E. Manisha and S. Sravani (MBA) won 2nd prize in MLRITM FEST held at Malla Reddy Institution of Technology and Management in category of “ad-Wiser”.

- G. Sai Srinivas (MBA) won 1st prize place in MLRITM FEST held at Malla Reddy Institution of Technology and Management in event of “Stock Exchange”.

- K.R.V. Ramireddy & Siva Ramaprasad won 1st prize in AMS FEST conducted at Andhra Mahila Sabha B-School in the category of “Startup Idea”

➤ T. Praneeth Kumar Reddy & S. Charan Kumar Reddy won 1st prize in Medha Fest organized at Bhavans College in category of “Finance Event”

➤ Janardhan Reddy (MBA) won 1st prize in Medha Fest organized at Bhavans College in Activity of “MOTOCROSS”

EXTRA CURRICULAR ACTIVITIES

NATIONAL SERVICE SCHEME (NSS)

The main aim of conducting National Service Scheme program in CMR College of Engineering and Technology is to create Personality Development through Community Service. This program is to motivate and encourage, the social welfare thoughts in the students and to provide service to the society without any prejudice. NSS volunteers are dedicated to this work to ensure that every one in our society who is needy gets the every possible help from them so that they can also enhance their standards and lead a life of dignity in the society with all of us. In doing so the volunteers themselves learn a lot like how to struggle and how to lead a happy life in the extreme scarcity of resources and so on. Some of the activities conducted by NSS Cell are

- Haritha Haram
- Traffic rules awareness programs
- Blood donation camps jointly organised by Hope for Life foundation and TV9 electronic media at CMRCET on 19th August 2017
- Anti plastic usage, tobacco, alcohol and drug abuse
- Adoption of the schools
- Contributions to chief minister's relief fund
- Contributions to indian blind association
- 3-Day meditation workshop at heartfulness institute of shri ram chandra mission, shamsabad, Hyderabad.
- Blanket distribution
- Student exchange program for knowledge transfer
- Promotional activity for self help groups at Medchal
- Fund raising for poor students of prakash vidya nikethan high school located in Anandnagar colony
- "Know your forces" organised by Air Force Station academy, Hakimpet on 12th August 2017 as a part of independence day celebrations 2017, under NSS unit with 100 students
- Massive bucket immersion camp
- West zone NSS pre-republic day parade camp-2017 at JNTUH on 29th September 2017.
- Rural immersion program jointly organized by JNTUH and NCRI.
- Participated in State level adventure camp
- National Science day celebrations
- Viveka Subhashitham celebrations by samskruthi foundation
- NSS special camp at Bachurajpally village
- National youth day celebration
- Participated in State level youth festival organized by Kakatiya University
- Participated in University level skill development program by NSS.

SPORTS

Our Physical director Mr. Syed Rafeeq, Asst.Prof completed his B.P.Ed & M.P.Ed from S.V University, M.Phil from Annamalai University. He has 19 years of experience in the field of Physical Education. Many students have represented National/ University Level and brought laurels to our institution and organizing national and JNTUH Tournaments.

400 meters Standard Track Football Grounds, Cricket Grounds, Hand Ball Basketball court, Volleyball courts, Throw Ball, Kho Kho Fields, Kabaddi Court have been maintained by the Department of Physical Education. Indoor game facilities are available both during college and after college hours, in the sports complex. The Department organizes Annual Sports, Fresher's day sports and also fest / Inter-collegiate tournaments.

ORGANIZED EVENTS

- CMRCET organized telangana state Inter Engineering College Foot Ball Tournament on 24th September 2017.
- CMRCET organized JNTUH C-Zone & Central Zone Foot Ball Tournament from 24/03/18 to 27/03/18.

ACHIEVEMENTS

Winners at JNTUH C-Zone Football Tournament

Winners at Indian open Inter engineering collegiate FOOTBALL

CMRCET KABADDI (BOYS)

Winners at KREEDA 2K18

Winners at Naipunya 2K17

Winners at UDHAAN

Winners at ARENA

Runners at JNTUH central Zone

Runners at Telangana state level tournament

Winners at ATHLEMA 2k18

Winners at JNTU C-ZONE Cricket Tournament

SAE COLLEGIATE CLUB

About SAE:

SAEINDIA is India's leading resource for mobility technology. As an individual member-driven society of mobility practitioners the ownership of SAEINDIA rests with its members who are engineers from mobility community, which includes Engineers executives from industry, Government officials, Academics and students. SAEINDIA is a strategic alliance partner of SAE International registered in India as an Indian nonprofit engineering and scientific society dedicated to the advancement of mobility industry of India.

MOTTO

- Identifying and determining corresponding control measures.
- Programming events in such a way that operational information is transferred.
- Providing the entry point for many process and activities of service operation.
- Providing a basis for service assurance, reporting and service improvement.

When was SAE started?

The SAE Collegiate Club of CMRCET was started in the year 2015 with an initial member count of 50 members. Now the Club runs efficiently with a total of 206 active members. The club was initiated by former Head of the department Prof. Shyam Kumar along with Prof. B. Naresh kumar, Prof. A. Harish.

Achievements of SAE Club

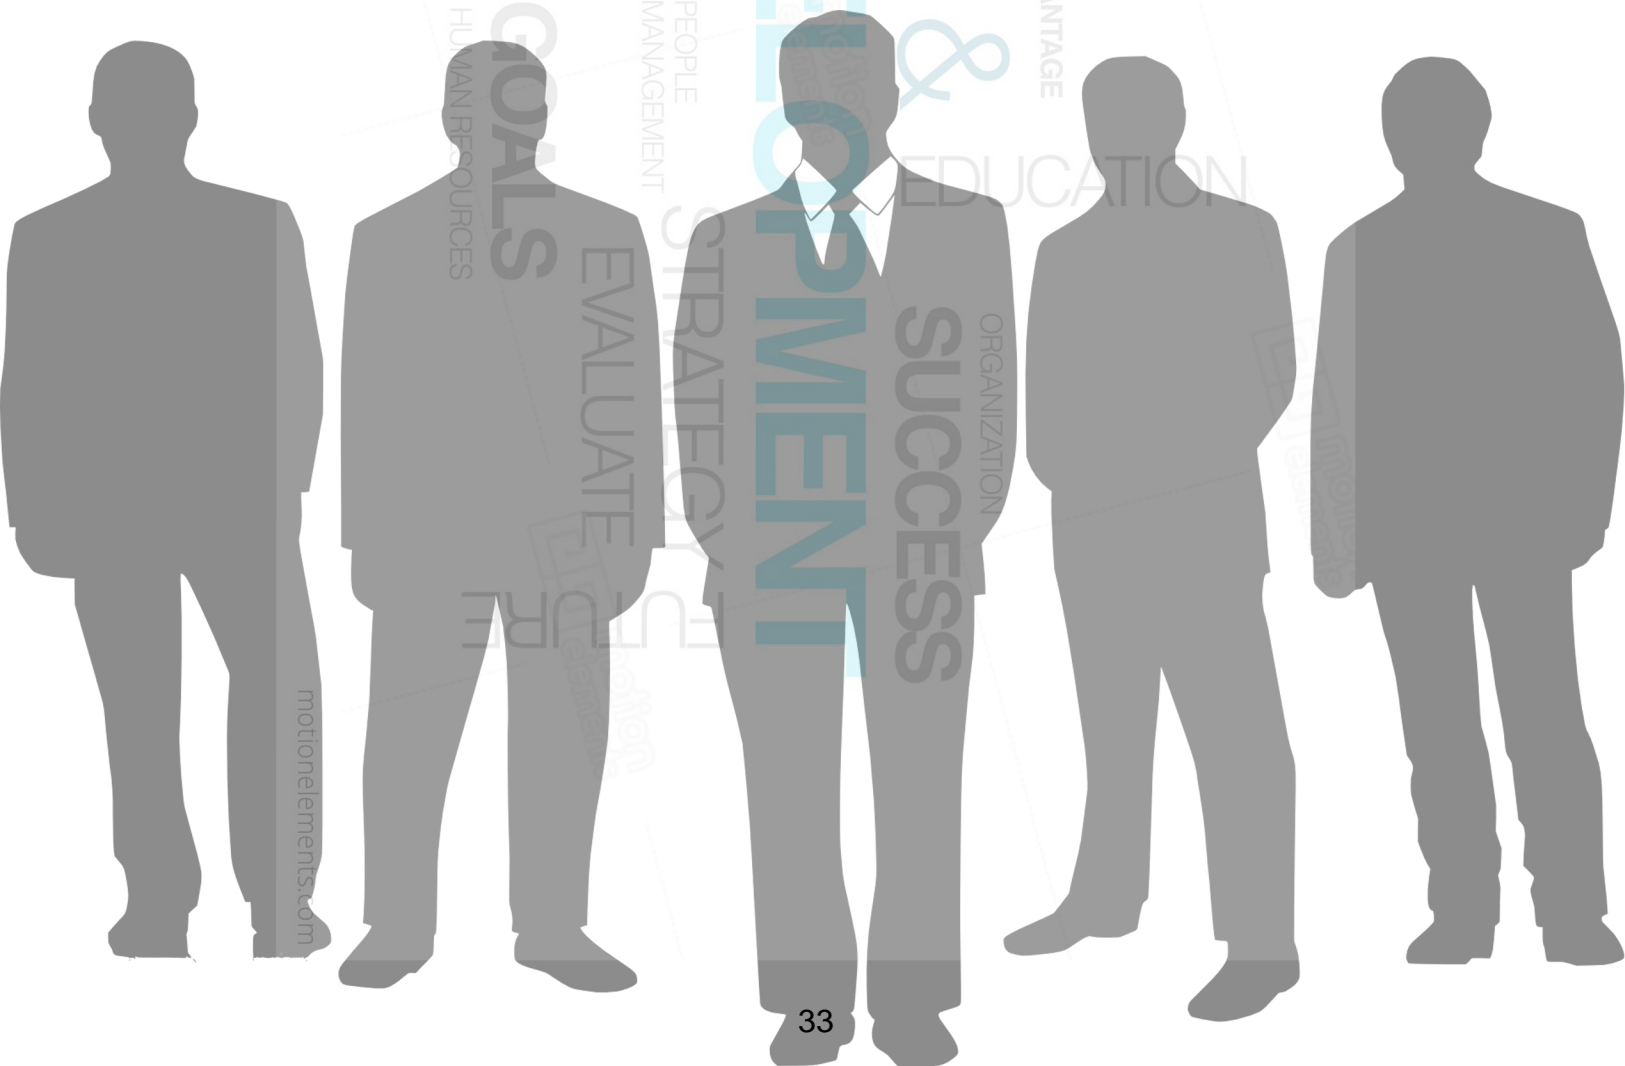

- Participated in MBAJA2017 at Pithampur, Indore, Madhya Pradesh.
- Nithinchanakya (14H51A0301) got selected in Mahindra & Mahindra Tractors Ltd through BAJA Aptitude Test.
- Participated in Virtual EBAJA2017 & M BAJA 2017 at Christ University, Bangalore.
- Registered for two GOKART Competitions at BVRIT, SKDC.
- Also Participated in upcoming event E-BAJA2018 i.e 24th to 28th 2018 at Pithampur, Indore, Madhya Pradesh

TRAINING & PLACEMENTS

A separate Training & Placement wing exists for outgoing students for placements and higher studies (In India & Abroad), along with soft skills Training & Entrepreneur development training. A number of first batch of outgoing students have already been placed in organisations such as Infosys, Wipro, Satyam, IBM, Syntel, CTS, L&T Infotech Etc. A Full fledged Training & Placement Cell headed by a Professor assisted by Co-ordinators from each department and a computer operator with internet facility.

- Approaching various prospective employers
- Giving Pre-Placement Training to students
- Arranging On Campus and Off Campus interviews
- Arranging Industry interaction and arranging Personality Development Programmes

Training Conducted

- Special technical training for 3rd and 4th year B.Tech students.
- ZENSAR Training, Soft Skills, SQL, JAVA for shortlisted 4th year students.
- CAPGEMINI Specific Placement Training Phase for 4th B.Tech shortlisted students.
- CRT Training 3rd B.Tech Students
- HEBEON Technical training for 3rd year and 2nd year B.Tech students
- Zensar ESDP Training (Advanced Java) for 4th B.Tech Shortlisted students.
- ZENSAR ESDP Pre-Placement Training for 3rd B.Tech students.
- SALES FORCE Essentials for Business Specialist for 2nd and 3rd B.Tech TASK registered students.
- NTT DATA Pre-Placement Training for 4th B.Tech students.
- C-PROGRAMMING training for 1st B.Tech students.
- EXUSIA pre placement training for 4th B.Tech students. IN CSE department 36 Number of students from CSE are going to internship with various companies such as (Accolite, byjus, ggk, host analytics, inforica, kantra, media mint ,progress, technovert, hebeon, zenoti)
- In ECE department 14 Number of students from ECE are going to internship with various companies such as (Kwality photonics, Sriveen control system, Nucleonix system, Amazon development center,DLRL)
- In EEE department 34 Number of students from CSE are going to internship with various companies such as (elams transformats, micromax discounted, siri technologies)
- In CIVIL department 20 students are going to internship with various companies such as (Navayuga spatial Technologies , My homes Hub ,CETA, RAMKY ONE GALAXIA)
- In MECHANICAL department 65 students are going to internship with various companies such as (VOLVO , CITD, DRDL, PENNAR STEEL PLANT, MAHINDRA, ASHOK LEYLAND.)
- In MBA department 114 students are going to Internship with various companies such as Bajaj finance, Syscon, Karvy, Ace, Aditya Birla ultra tech, Lasya & associates, Ace Marketing & Communication etc.
- VIRTUSA PRE-PLACEMENT Training for 4th B.tech students.
- Advance Excel Training for MBA students by Impact Educations Business Academy
- Panel discussion on data science from Microsoft for 3rd B.Tech students.
- COGNIZANT TECHNICAL TRAINING for IV B.tech students
- Company Specific drive from Reliance industries on the basis of AMCAT based test.
- IOT training for 4th B.tech students to develop projects.

- Boot camp training for product development company requirements & full stack developer training
- Campus Recruitment Training for MBA by YGK Academy
- SDP-Student Development Program (Peer –Peer Learning) to MBA students for Job Interviews
- Advance Excel Training for MBA students by Impact Educations Business Academy

Value Added Course

- Ruby on Rails for Btech III Year CSE students by Techies COE on 1st may to 16th May 2017
- Advanced Java for Btech III Year CSE students by Cloud Technologies on 1st may to 16th May 2017
- Mobile App Development using Android for Btech III Year CSE students by COIGN from 1st May to 16th May 2017
- Android Technology using TruGeek for Btech II Year CSE students on 1st May to 16th May 2017
- Data Analytics Using Python by Prof DV Raman Consultants for Btech II Year on 1st May to 16th May 2017
- Training on ANSYS by ARK Info Solutions P Ltd for VI Sem Mech.Engg.Students from 17th May-9th June 2017
- Training on Advanced AUTO CAD by ARK Info Solutions P Ltd for IV Sem Mech.Engg. Students from 02nd May-17th June 2017
- Industry Oriented Skill Development Program on Fundamentals of Embedded Systems for II B.tech ECE students from 8th to 17th May 2017

Internships

- **36** number of students from CSE are going to internship with various companies such as (Accolite, byjus,ggk,host analytics, inforica, kantra, media mint ,progress, tech-novert,hebeon,zenoti)
- **14** number of students from ECE are going to internship with various companies such as (kwaliti photonics,sriveen control system,nucleonix system,amazon development center,DLRL)
- **34** number of students from EEE are going to internship with various companies such as (elams transformats, micromax discounted, siri technologies)
- **20** number of students from CIVIL Department are going to internship with various companies such as (Navayuga spatial Technologies, My homes Hub ,CETA, RAMKY ONE GALAXIA)
- **65** number of students from Mechanical Department are going to internship with various companies such as (VOLVO, CITD, DRDL, PENNAR STEEL PLANT, MAHINDRA, ASHOK LEYLAND.)
- **114** number of students from MBA Department are going to Internship with various as Bajaj finance, Syscon, Karvy, Ace, Aditya Birla ultra tech, Lasya & associates, Ace marketing & Communication etc.

TESTIMONIALS

“CMR CET is a place where you can find an amalgamation of learning, fun, culture, lore, literature and many such life preaching activities. I am thankful to Training & Placement cell, CMR CET for providing a platform to enhance my skills and an opportunity to showcase them.”

**--Yogeswar pullagurla
14H51A05N1**

“My sincere appreciation & gratitude to the Training & Placement Department and all staffs of CMR CET for their efforts in imparting quality technical and aptitude training. I am very grateful to them for effectively and sincerely helping me to grab first ever opportunity that came into my life.”

**--NIHARIKA SADULA
14H51A0451**

“CMR CET proved to be a pool of opportunities for me. It not just provide us with various platforms to showcase our abilities and skill but also helps us to learn all soft skills that are highly required. We get training on interview skills, communication skills, life skills, effective time management many more. I wholeheartedly thank Training & Placement Cell for the constant support.”

**--RAJLAKSHMI BALA
14H51A0245**

The institute is informative, friendly and offers great advice to students. Everything was explained in detail, and you are made to feel like you are part of a family. The learning experience was great since it consisted of hands on Windows server and azure. The class notes and resources are particularly helpful and easy to follow. The professional assistance and excellent courses is what make them special from any other private learning institute in India. “An educational and fascinating experience”

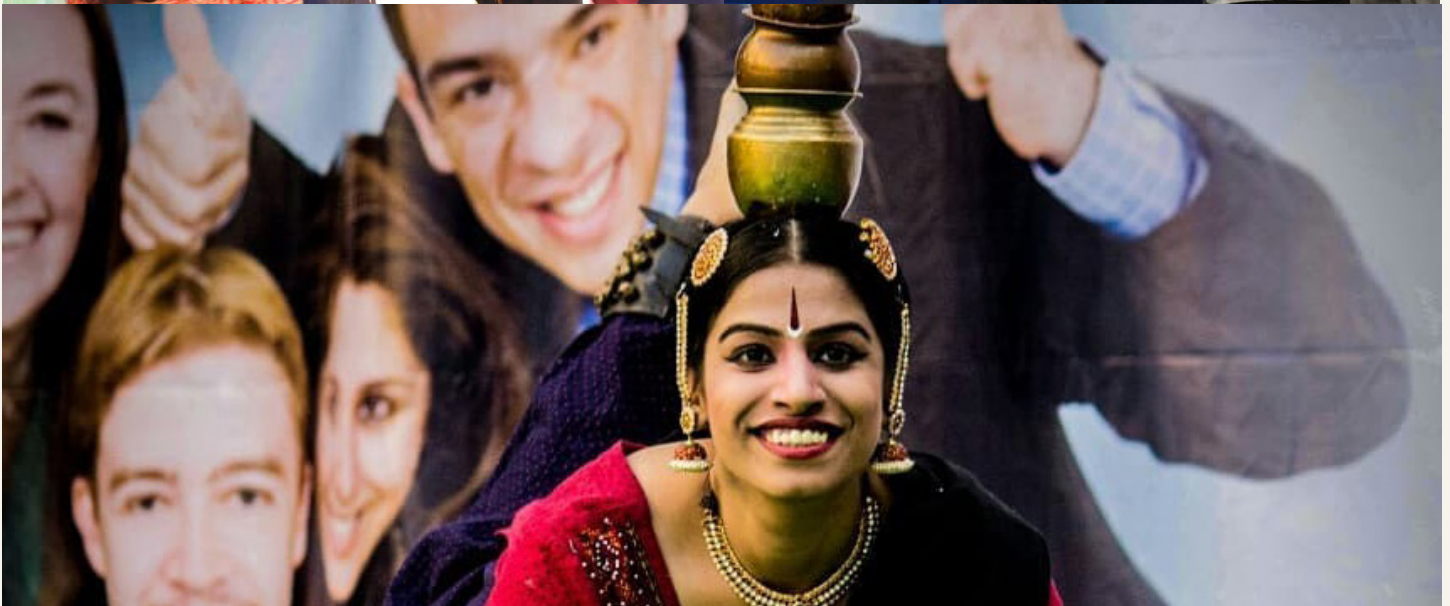

**--VENKATA SAITEJA.J
14H51A0120**

“Many got placed in Wipro it is because of the efforts put by our faculties and Training and Placement cell, which always make sure that students get placed in the best company in the market. CMR CET provides a great exposure to students by organizing different activities which are very much helpful for every student for deciding their future field.”

**--A.LAXMAN REDY

ALUMNI MEET

- 10th Grand 'Alumni-Meet Treat' successfully conducted for all passed-out batches of CMRCET Campus on 30th December 2017.

4 years, 8 semesters, 60 subjects and 120 exams. Engineering. Don't we all have a hate love-relationship with it? Copying Assignments, internals,labs, records, taking permissions and if denied bunking, mass bunking, canteen food, one day batting, and finally externals. From Freshers to seniors and finally graduation, ours is one hell of a journey. Engineering When it finally comes to an end though, we leave with a heavy weight in our hearts- leaving behind friends, who became family.Life goes on, with you reminiscing college days. There's friends you've left behind, friends you don't have time for now, and a college that's moved on too. Then comes the Alumni meet. One hell of a time to get back to our friends. Relive our college life maybe one last time. Our 10th Alumni meet, on 30th December 2017,where graduates of almost every year came together and enjoyed the day. It was sentimental to say the least, seeing our faculty and seniors catching up on their lives. With Cultural events, dances, flash mob, treasure hunt, it sure was one hell of a way to end the year.

- by an ALUMNI Student

INDUSTRY INSTITUTE INTERACTION CELL

The Industry Institution Interaction Cell of CMRCET was established in 2016 under the Industry Institute Interaction Scheme of the Ministry of Human Resources Development, Govt. of India with sole aim to understand industrial requirements of the region and act as bridge between academia and Industry.

Objectives of IIIC

Better interaction between Technical institutions and industry is the need of the hour. This will have great bearing on the Engineering Curriculum, exposure of industrial atmosphere to engineering students and subsequent placement of young graduating engineers in industries across the country. With the advent of globalization and opening up of Indian economy to outside world, competition among industries has become stiff. To get solutions to engineering problems and new product development at industry level, industries look towards Engineering Institutions. Similarly, there is an urgent need to prepare engineering students for jobs in upcoming technology companies, by exposing them to Newer Technologies and Engineering Methodologies. These objectives can only be achieved well by bridging the gap between industry and the Academic Institute.

To promote Industry - Institute Interaction following schemes are being undertaken:

1. Organizing Workshops, conferences and symposia with joint participation of the faculty and the industries.
2. Encouraging engineers from industry to visit our Institution to deliver lectures.
3. Participation of experts from industry in curriculum development.
4. Arranging visits of staff members to various industries.
5. Professional consultancy by the faculty to industries.
6. Industrial testing by faculty & technicians at site or in laboratory.
7. Joint research Programs and field studies by faculty and people from industries.
8. Visits of faculty to industry for study and discussions or delivering lectures on subjects of mutual interest.
9. Visits of industry executives and practicing engineers to the Institute for seeing research work and laboratories, discussions and delivering lectures on industrial practices, trends and experiences.
10. Memoranda of Understanding between the Institute and industries to bring the two sides emotionally and strategically closer.
11. Human resource development Programs by the faculty for practicing engineers.
12. Collaborative degree Programs.
13. B.Tech. and M.Tech. Projects/dissertation work in industries under joint guidance of the faculty and experts from industry.
14. Short-term assignment to faculty members in industries.

15. Visiting faculty/professors from industries.
16. Professorial Chairs sponsored by industries at the Institute.
17. R & D Laboratories sponsored by industries at the Institute.
18. Scholarships/Fellowships instituted by industries at the Institute for students.
19. Practical training of students in industries.

IIC Meet

A meet was organized in CMRCET on 6th January, 2018 to bring all the Technologists on one Platform and discuss the Industry-Institute related issues for betterment of all the stakeholders. Overall more than 30 Industrialists of Engineering, Electronics, IT and Electrical Participated in this meet.

• Guests of IIC Meet

- Dr.Ramesh Datla, Chairman, Confederation of Indian Industry (CII)
- Sri K.Harish Reddy, President, Cherlapally Industries Association, Hyderabad
- Sri Vijay Kumar Gupta, CEO of Kwality Photonics
- Mr. M.J. Purohit , Chairman and Managing Director of Axiom group

Internships

- 65 number of internships were done under IIC at various companies like Ashok leyland, SMH tools, Pennar steal, Kwality Photanics, Axiom Group

Visits

- Over 100 industries were visited by our students at various places like Patan Cheruv, Pasha milaram, Balanagar, Cherlapally, Nagaram in Hyderabad.

CENTER FOR INNOVATION AND ENTREPRENEURSHIP

Vision

CMRCET CIE's Vision is to Consistently churn out successful technology start-ups, creating new generation entrepreneurs and employment, through the world class incubation centre hosted within CMRCET.

Explore To Invent

Mission

CMRCET CIE's Mission is to Promote technology entrepreneurship and support start-up incubation by utilizing the knowledge, resources and expertise of CMRCET and its partners.

About CIE

The CMR College of Engineering & Technology (CMRCET) launched Center for Innovation and Entrepreneurship (CIE) to the Ideas of Students into Business outcome with an objective of Foster and encourage entrepreneurship ,Commercialize technology based innovations & develop eco-system for sustainable holistic growth under the dynamic leadership of Shri.Ch.Gopal Reddy, Secretary of CMRGI. The CIE is headed by Dr.Kolikipogu Ramakrishna, Professor of CSE, CMRCET. Under the esteemed guidance of Dr.V.A.Narayana & All the HODs the CIE is rapidly growing and established two startups in the Medical & Mobile Security Domains. It is continuing the ideation program on every alternate Saturday to encourage the talent minds of CMRCET. The CIE has received more than 200 Ideas from different domains which include Computer Technology, Health & Medical, Agriculture, Mobile Security, Teaching Aids, Transportation & Shipment, Food and Supply Management, Defense, Robotics, IOT etc.

CIE takeup the following activities to create Business Environment for each and every Start Up:

- Design Startups
- Define E2E Processes
- Develop Partner Eco-system

MOU Exchange Program

CMRCET – CIE had an MoU with TARGETORATE Consulting LLP on 08th December, 2017. Centre for Innovation and Entrepreneurship (CIE) aims at fostering a vibrant ecosystem to help young entrepreneurs turn their ideas into viable businesses.

The agreement was signed by C.H. Gopal Reddy, Secretary and Correspondent of CMRCET, and AbhijeetBallurkar, MD of Targetorate Consulting. CIE will involve

activities around building start-up ecosystem like identifying areas of focus and market relevance, building investor relations, business partnerships, leveraging government programmes and accelerating initiatives

Ideation

Ideation is the creative process of generating, developing and communicating new ideas – they can be ideas for starting a new business, a new product, new content, or even just inventive ways of talking about or marketing an existing product or service. You may have been to some brainstorming meetings yourself. The difference is, at ideation workshops, people aren't just sitting around in a dimly lit boardroom waiting for the next round of snacks – instead, they're pushing themselves to think differently.

IDEATION DAY – 1

- 21 number of students presented ideas from various departments on 23rd December, 2017.

IDEATION DAY – 2

- 7 number of students presented ideas from various departments on 4th January, 2018.

IDEATION DAY – 3

- 7 number of students presented ideas from various departments on 20th January, 2018.

IDEATION DAY – 4 (SYNIAD DAY)

- 19 number of students presented ideas from various departments on 10th March, 2018.

Total No.of Shortlisted IDEAS:07

1. Advanced technology
2. Assistive Aid for paralytic patient
3. Automated charging for mobiles
4. Bhejo
5. Camera
6. Common peoples
7. QR Based ticketing system

No of ideas selected to Incubate through CIE: 02

START UP 1: TASKN - Is a health & medical domain based startup.

Project -1 : INTIMATION AID

Initial Funds received for Prototype from CMRCET-CIE : Rs.8,500/-

START UP 2: I-NUX - A Technology Innovation to detect any lost or theft mobile

Project 1: I-NUX

Project 2: SMART CMRGI

Initial Funds received for Prototype from CMRCET-CIE : Rs.8,500/-

TASKN Team working on Product in StartUp

TASKN Team

Awards

- 1) Roboveda'17
- 2) VERSIO – 2017 SRM university
- 3) National robotix champion-2016
- 4) Insef-silver medal holder (indian national science and engineering) by scientific society of india
- 5) Idea accepted by National Innovation Foundation of india (NIF) for ignite-2015
- 6) INOVIT-2016
- 7) Teenovators - 2014- from - manipal university
- 8) Young innovators championship - 2015- world wide ranking - 3979

ENGINEERING PROJECTS IN COMMUNITY SERVICE

About EPICS Centre

EPICS is a service-learning design program in which teams of student's partner with NGOs, local and global community organizations and design, build, and deploy real systems to solve engineering-based problems for local community service and education organizations. CMRCET is offering EPICS as an open elective since 2016. The institution has Memorandum of Understanding with IUCEE for EPICS programme.

EPICS is divided into 5 modules:

- Problem identification
- Specification development
- Conceptual design
- Detailed design
- Product delivery

Webinars

- **5** faculty attended 9 webinars on “design Thinking” organized by IUCEE, Purde University
- **2** faculty attended 12 webinars on “OBE” and “Remote labs” respectively at KL university

Workshops

- 3-day workshop “SHODHANA” Conducted at CMRCET from March 8th to 10th 2018 to identify community problems and to provide solutions for those problems using Engineering Projects (Service based learning)
- EPICS members attended SCALE workshop at Bengaluru
- EPICS members attended IIEECP (International Engineering Educators Certification Programme) Phase 1 workshop on “IUCEEE” from February 8-10th at G.Pullaiah college of engineering and technology, Kurnool, AP.

Workshop “SHODHANA”

IIEECP Workshop

Visits

- EPICS team visited KLE technological university, Hubballi, Karnataka from 13/10/17 to 14/10/17 in order to observe the Excellence in academics and their implementation methods.
- EPICS team along with Principal, HOD's (CSE, EEE, MECH) visited KLE technological university, Hubballi, Karnataka from 15/03/18 to 17/03/18 in order to observe the Excellence in academics and their implementation methods.
- EPICS team visited an NGO, Cornell – Sathguru Foundation for development, Hyd on 06-03-2018 for collaboration and to support for the EPICS Projects.

Conferences

- IUCEE- EPICS 5th International Conference on “Engineering Education” attended by R. Venkateswarareddy (CSE), Suresh ram (ECE), Muneesh Babu (Mechanical) at Bennett University, Noida.
- 7 faculty along with our principal attended EPICS 5th International Conference on “Engineering Education” at Thiagarajar College, Madurai.

Conference at Noida

Conference at Madurai

Others

- Prof. William Oakes, DIRECTOR-EPICS, Prudue University, USA visited CMRCET to review EPICS Projects
- V.P. Sharma, Co-Founder of GRAMONNATI (NGO) acted as a resource person for the EPICS workshop organized in CMRCET.

Felicitation to William Oakes

Felicitation to V.P. Sharma

TECHPORT INCUBATION CENTRE

TECHPORT Incubation Centre was started on March 8th 2018 at CMR College of Engineering & Technology. Hebeon Technologies provides Programming Work Bench for improving programming skills of the students aspiring for software careers. To make this Programming work bench usage customized to suit requirements of training an incubation centre was initiated. The incubation centre also involves students as interns and faculty facilitators who work together and create content to be delivered and practiced. This incubation centre will empower the students as it enables them to learn various technologies which are facilitated by platform.

Objectives

1. To create and develop a learning management system integrating academic and industry requirements.
2. To increase students proficiency in programming.
3. To provide a platform to students to become proficient in various technologies.

The programming workbench provided by Hebeon Technologies integrates platform for various learning materials, coding compilers, reporting and communication tools. It ensures Adaptive learning environment which guides students towards their goals with proper guidance. It provides tools and compiles to validate learners understanding of the content and challenge them to gain additional knowledge to reach higher levels. It allows to conduct college wide exams, campus recruitments, quick quizzes, recruit new hires and many more using vast question database for various technical subject areas. It facilitates subject matter experts to conduct trainings for various faculties, students, job seekers, consultancies and individual training seekers. It allows to specialise in teaching complex technical concepts in layman terms for better knowledge retention.

Inauguration of Incubation centre

ARTICLES & POEMS

1. B. Vineeth – (Civil B, 17H51A0167) - Poetry on love

Amaze Me!!

The way I feel for you amazes me daily.
I have never loved before, not like this.
Even after all this time, Whenever you walk into the room, My heart still skips a beat. It is so comforting, To look across the room at you to find you looking at me, and somehow I know what you are thinking. This is a magical bond we share and I treasure it in my heart.
Your kisses, Whether tender and gentle or rough and demanding, are consuming.
Your touch is like fire and surprisingly,
I find myself time and time again,
Completely surrendering to your love.
For me, there is no control,
Not when it comes to how I feel about you.
You are the world to me baby, and my world is brighter, Since our paths have crossed.
As we travel on our journey,
Hand-in-hand, there is no obstacle we can not get past. With you, I am strong. With you, I am happy. With you,
Life is good. I love you and want you beside me, always.
Totally In Love and Yours,

By
C. Varun
(17H51A01C0)

Life of A Teenager!

Aspirations beyond commitments, Knowledge trussed with menace, he drained all of his energy by gouching on others. Unbuttoned shirt gives the vest a chance to peek out, every tactic has been tried to impress the damsels around. Yawing in the classroom, having a limpid vision, he dreams only about the girl he had an infatuation days ago. Wrangling with friends not caring about his surroundings, he couldn't hear the whispers waving around. They call him zero as he reveries all day long. His nimble mind stops the time he enters the room, the vicinity looks similar to that of a battle ground. Staying mediocre is all he fears for, quest of searching himself is still a journey very far.

Penning by INDRAJA MAHENDER.

Live Free!

Time goes by and slips away. Just as the sky turns from blue to grey. We are here but only for a short stay. Don't let life pass with words you never say. Never stop smiling, but look forward to each new day. Never stop shining in your own special way. Never forget that all storms will clear. Remember brighter tomorrows are always near. Value experiences, learn from mistakes. Improve for the better, live for others. Do what is right and what is best. Always be yourself, unique from the rest. Strengthen your faith, live with God. The best things in life are for free, so why not?!

By, B.SHINY SUNAINA,
CSE 3YR, 15H51A0505

Where There is Will, There is A Way

Will power is the greatest driving force in man. Tenacity is the most important factor to achieve. A person with determination and endeavour would achieve his objective through will power. The persons who waver with setbacks at the initial step cannot achieve his goals, due to lack of will power. Right from our ancient time, will power of man has been playing a vital role. In the Gita, Lord Krishna advises Arjuna to fight with the enemy in the battle field, because his inner voice dissents for the war. But Krishna explains to him about the prominence of "Karma"(the duty) at the appropriate time. This advice is an ideal lesson, relevant in all times. Johnson quoted-"The very state of human is to be endured with little enjoyment".

The indomitable success achieved by great Indian leader Gandhi in freeing India from the British through his objectives of non-violence is one of the best examples of will power. Nelson Mandela, one of the followers of Gandhi through his commitment towards goal, achieved an objective of 'apartheid' in his country. Mozart became the greatest of musicians in history in spite of his deafness. His physical disabilities didn't stop him from achieving his objective. John didn't stop him from achieving his objective. John Milton authored worthy works like 'Paradise Lost' and 'Paradise Regained' after he became blind. Louis Braille's Blindness didn't stop him from inventing the system called Braille script for Blind people.

Sudha Chandran, who lost one of her legs in an accident, through her commitment to Bharathanatyam, emerged a celebrity dancer. Beyond her frail appearance, Mother Teresa with her spiritual power achieved her objective of helping the poor. Hence will power is the dominating and motivating force which makes human beings to think, empower themselves and succeed. Dynamism and iron will power with steady determination leads people to step forward by overcoming their shortcomings. A person would achieve his goal by equanimity of his mind. It is said that "Little strikes fell mighty oak". The pressure winds and typical conditions cannot stop the oak in yielding hard wood. Our patience and commitment toward our objective cannot stop us from achieving our goal.

Student Life

By Jai Kumar Rathod

There are different stages in our life .One of these stages is student days .Student life is considered as the most important period of our life .Our future dreams ,desires and hopes depend upon it .Student life is a period of preparations .It is the period of education .At this time our mind is like clay .Clay is a soft thing and the potter designs various things out of the clay .Like clay ,our mind can also be shaped in different ways .Once the pots are made their shape cannot be changed .Likewise ,once our character is formed in one way ,it cannot be changed easily .

If we make right use and receive good education during our student life ,we shall be successful in future .On the other hand ,if we aren't serious at this time ,we can't achieve our goals .Students ,therefore ,should be very careful .We must think seriously before every step we take .We must learn new things as much as possible at this period.

The most important factor that affects the students life is the value of time .Being a student we should do everything on time as it never waits for anyone .Students experience a great deal of stress many times .He should be able to face them boldly.At this time our main task is to study .We should stop thinking of anything else and concentrate on education .

T.HARI KRISHNA

Women Empowerment

It took me quite a long time to develop a voice and now that I have it, I am not going to be silent.

- Madeleine Albright

India is a country where women are worshiped as goddesses. But the saddest irony is that, in real life, women are not given equal respect in the society. India is called as 'Bharath Matha' not 'Bharath Pitha', then why is it that India is the fourth most dangerous country for women. A woman faces lots of problems in the society. These begin right after her birth, or maybe, even before her birth.-female foeticide.

The society doesn't want a girl child in their house, because girls are always considered as burden in the society. They are killed even before they are born, for no fault of theirs. In India, more than 4,00,00,000 foetus are removed every year. This is just the recorded statistics, others are unknown. Many women suffer severe health issues, some even die due to regular abortions. Though sex determination is banned in India, it continues illegally. Once a girl child is born either she is abandoned, or in the worst case, killed.

Women are loved as mothers.

Women are loved as sisters.

Then why not as daughters?

When it is time for her to join school, for education, injustice is shown there too. Many parents feel that it is waste of money to send their daughters to school, because they eventually get married to someone. Once they hit puberty, they are pulled out of schools and forced to get married. Just imagine, it is at the age of 12 to 14. It's the time when children weave up their dream. There is a very famous quote-

"If you educate a man you educate an individual,
but if u educate a woman you educate an entire nation."

The problems don't stop after marriage too. They are harassed by husband and in-laws for the demand of dowry. Though many laws were made against dowry, they are not implemented properly. It's really funny to see that many people don't buy their household equipments, because they eventually take it from the bride's family in the name of dowry. More than 42 women die due to dowry harassment in India, every day.

The representation of women in any company is very low. This is not because they are incapable of doing the work. It's because of their gender. Women work for equal amount of time, or sometimes even better, still they are not given equal pay. The management fear that once they get married and have kids, they might lose interest in the job. But we should never forget that "A hand that rocks the cradle has the potential to rock the world."

Movies play a major role in influencing people. Guess what they have done for woman? Very few woman centric movies run in the theatre. Heroin is only like a side character, because hero needs to have a love interest. Else they are given the so called "item songs".

Teaching begins right at home. Children must be taught o respect others, both men and women. Boys are always taught that 'Boys don't cry'. They must have instead been taught, that 'Boys don't make girls cry'.

We are in the 21st century, and gone are those days when women had to fight for their rights. Everyone in the society should support each other. If India has to change from just a developing country to a developed country, then both men and women should be given equal opportunity. We will soon see India as a developed country.

The Value of Time Management Is A Symbol of Genius

To realize the value of ONE YEAR, ask a student who failed a grade.

To realize the value of ONE MONTH, ask a mother who gave birth to a premature baby.

To realize the value of ONE WEEK, ask the editor of a weekly newspaper,

To realize the value of ONE HOUR, ask the lovers who are waiting to meet.

To realize the value of ONE MINUTE, ask a person who missed the train.

To realize the value of ONE SECOND, ask a person who just avoided an accident.

--- A minute now is better than a minute later! Treasure every moment!

Yesterday is history. Tomorrow is mystery!

Today is a gift. That's why it's called the present.

KNOWING IS NOT ENOUGH; WE MUST APPLY

WILLING IS NOT ENOUGH ; WE MUST DO.

Watch your thoughts, for they become words,

Watch your words, for they become actions,

Watch your actions, for they become habits,

Watch your habits, for they become character,

Watch your character, for it becomes your destiny.

Don't wait. The time will never be just right.

TAKE TIME TO DELIBERATE;

BUT WHEN THE TIME FOR ACTIONS ARRIVES,

STOP THINKING AND GO IN!

WINNING IS NOT EVERYTHING,

BUT THE WILL TO WIN IS EVERYTHING.

-- If winning isn't everything, why do they keep score?

Strength does not come from winning.

Your struggles develop your strengths,

When you go through hardships and decide

Not to surrender, that is strength.

Life is a constant struggle, a fight within itself,

With new challenges every day,

If we have a strong will power and courage

To face everything, we can win easily.

WIN AS IF YOU WERE USED TO IT,

LOSE AS IF YOU ENJOYED IT FOR A CHANGE.

Mohammed Razzakuddin

Who Are Gen-Y?

Hi Everybody,

Whenever I was asked for an article for a college magazine, I would like to share a few of my thoughts. This article is about the young generation of our mother nation, India. When I was in my third grade, I read a joke in a Tamil Magazine (Most probably Kumudam). The joke goes like this.

Father : Son, Why are you leisurely sitting? At your age you've to study hard.

Son : What for?

Father : To score good marks.

Son : What for?

Father : You can get into good college.

Son : What for?

Father : So that you can get a good job.

Son : What for?

Father : You can save the money.

Son : What for?

Father : So that you can leisurely enjoy your old life.

Son : That is what I am doing now.

Old Sayings

Clothes make the man.

Home is where the heart is.

Money is the root of all evil.

Absence makes the heart grow fonder.

Good things come to those who wait.

Stop and smell the roses.

Hard work pays.

Many hands make light work.

You get what you pay for.

Nothing ventured, nothing gained.

The more, the merrier.

Early to bed, early to rise, makes a man

Eat, drink, healthy, wealthy and wise.

Present Day Sayings

You cannot judge a book by its cover.

Familiarity breeds contempt.

Money makes the world go around.

Out of sight, out of mind.

He who hesitates is lost.

Make hay while the sun shines.

Smart work pays.

Too many cooks spoil the broth.

The best things in life are free.

Better safe than sorry

Two's company; three's a crowd

and be merry for tomorrow we die.

This was considered as a joke at the time. Has it not become the hard reality of today?

When we blame today's youth as lazy, self-centered lacking not only discipline but also creativity, are we right? Should we not blame the society? We keep our kids locked up inside and make sure that they never get the chance to see the outside world on their own. Many of the parents get everything their children desire. The hard work and the time spent by the parents to earn the money for buying those things are not revealed to their kids. The behavior of this generation makes us wonder whether any moral values been taught to them? Ironically, I find that they are taught values in life, but they differ from what we have been taught. I have quoted few examples above.

I would like the parents and teachers to teach the kids the principles and morals which are of wider perspective which will lead to unselfish goals. Finally I would like to emphasize that the inculcation of proper social values and proper socialization in the minds of the younger generation in the right path is very essential for the peace and the growth of our society.

A Trip to KASI

We the students of CMRCET went to participate in an event called Kashiyatra organized by IIT (BHU) Varanasi. We were a total of 24 members accompanied by two faculty members. We went to participate in various events conducted there namely Abhinay (Theatre), Samvaad (Literary events), Enquizta (Quiz), Toolika (Fine Arts) etc. The students of various clubs of our college prepared to participate in many events. We started on 17-01-2018 reached IIT Varanasi by 18-01-2018 evening. We were dumbstruck seeing the beauty of the campus. It was fully decorated and everything was arranged.

We have got a lot of exposure in those 3 days of fest and a chance to get acquainted with different people. It was very useful as we were enlightened mentally and learnt many things which are useful in life. Few people participated in literary events namely creative writing, debate, extempore. The organizers of the events were very innovative and included many innovative concepts. A small example is an event called Shipwreck Cove where a participant is given a famous personality and should convince the captain of the ship why he/she should be saved and others should be not.

There was an event called 'Spoil the tees' where participants were divided into groups and given a T-shirt to paint any picture on it. Many of them took part in it. It was fun-filled and a creative event. The students of CMR TALKIES prepared for stage play on the concept 'Farmers- their role in building the nation'. The play was for 20 minutes and involved 14 people. The play was performed in Hindi and it was completely planned by the students of CMR TALKIES. There were competitions based on waste material recycling, live sketching, art marathon etc. One of our students B. PRUDVI NAIK of CSE III year won a merit certificate in clay modeling competition. There were also events in music namely solo singing, group singing and some of our students took part in it. The play was for 20 minutes and involved 14 people. The play was performed in Hindi and it was completely planned by the students of CMR TALKIES. After the fest, we planned for a visit of all the important places in Varanasi including Ganga Aarti, Kaal Bhairav Temple, Kashi Vishwanath Temple. Our confidence levels and self-esteem has increased and we have got memories for life.
