Report on Blood Donation

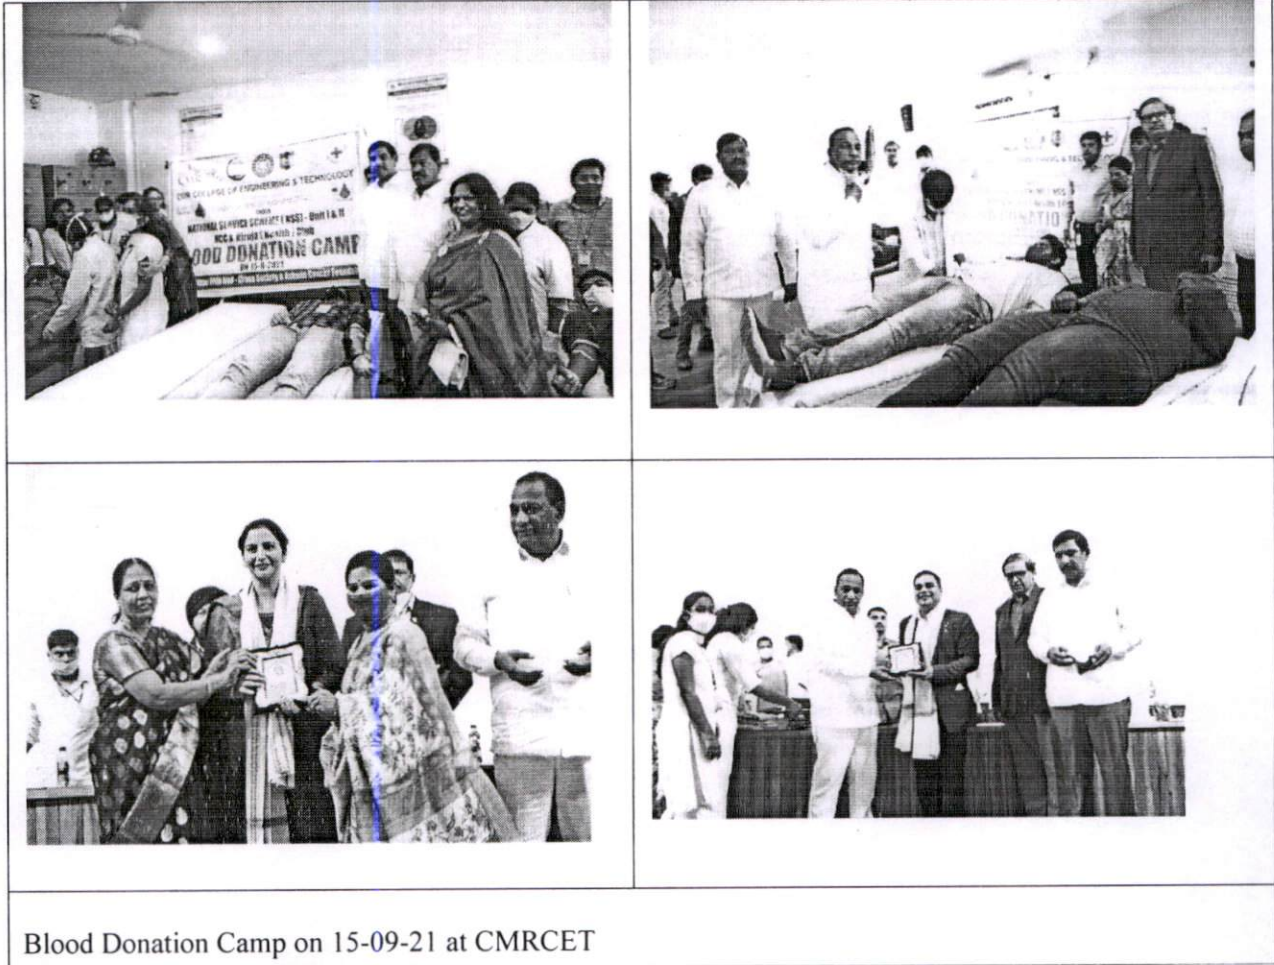

Date : 15-9-2021
Venue : EEE Seminar Hall, CMRCET

CMRCET NSS units organize a blood donation camp on 15th September 2021 in association with Red Cross Society and Lions Club, Hyderabad. The main purpose of the program is to create public awareness in blood donation, by bring-up many clubs, colleges, societies, offices which continuous organize blood donation camps on different occasions. It is a healthy gesture. We must keep this aptitude up at any cost. Our volunteer identifies the requirement of blood at government hospitals and other areas. By organizing such blood donation camps we may help them to enrich their capacity. We have donated 148 units of blood to Red Cross Society Blood Bank. There was a good response from the faculty and the students as well. 67 teaching & non-teaching members, 241 students as well took part in the event. Dr. Ashish Chouhan, Senior medical officer, Secundrabad and Sri Ch. Gopal Reddy, secretary and correspondent, CMRCET, who were keen about inculcating the feeling of humanity and kindness in the hearts of the present youth started this event and made it a grand success. Our principal Major. Dr. V.A. Narayana spoke about importance of blood. This program was organized by 76 NSS volunteers under NSS program officer Dr. M. Nagaraju Naik.

Report on Haritha Haram

Date: 15-09-2021

Venue: CMRCET Campus Premises

Haritha Haram is a mission taken by the Government of Telangana to eradicate deforestation. Due to the need of land for industrial and residential set up, trees are being cut restlessly and this phenomena leading to global warming. Hence CMR College of Engineering & Technology (CMRCET), Kandlakoya, Medchal took initiative and organized Haritha Haram.

Haritha Haram will help us increase the forest cover from 24 % to 33 %. Trees make the soil fertile and it helps crops grow well. In the ongoing great green movement Haritha Haram, NSS volunteers and faculty members of CMRCET planted a large number of saplings in its campus. As a part of Engineer's Day organized haritha haram program by Sri Ch Malla Reddy, chairman, CMRCET who was elected as an MLA, Medchal from Medchal constituency visited the college on the occasion and planted the first sapling. As we mould students into great personalities similarly it's pleasure to take part in such a program so that students may be enlightened. Nearly 14 students, and 36 staff members actively participated in the mission. At the end of the event our Secretary & correspondent Ch. Gopal Reddy, principal Major. Dr. V.A. Narayana enlightened the students about need of the hour. He exhibited a lot of enthusiasm in rendering his services towards greenery and encouraged the students with a tagline 'Each one plant one'. Also present on the occasion were the Secretary & Correspondent of CMRCET, Mr. CH. Gopal Reddy, NSS program officers and other senior faculty members. The event was a huge success as most of the students were seen outside their classrooms involving in making the campus green.

Engineer's Day Report

15th September, the Engineers Day was indeed a huge and memorable one for all the members associated with the CMR College of Engineering and Technology.

The celebrations for the day began by knowing the importance and the history behind it. It is celebrated to commemorate one of India's finest engineers, Mokshagundam Visvesvaraya. He is considered one of the foremost nation-builders, creating marvels upon which modern India is built. He is referred to as the 'precursor of economic planning in India', according to the Institution of Engineers India. On this auspicious occasion, the students of CMR College of Engineering and Technology as engineers had taken the pride to make a change in society by conducting a blood donation camp, a medical camp, and the event of Haritha Haram to make the planet Earth a sustainable place for our living.

Meanwhile we had the auditorium kept pouring in with the chief guests. It was a delight honour to hear from them. We started off with hearing our principal followed by Dr Ashish Chauhan who is a diabetologist specialist. Later we were introduced to Sardar Gurupal Singh who has donated his blood over 140 times now. Then we had Vidyasagar Reddy, district governor of Lions Club International and Sairam Reddy, president of Indian Medical Association. Lastly Ch Mallareddy, Gopal Reddy and Preeti Reddy who had revived the audience with their experiences. After the felicitation and vote of thanks, the event at the auditorium had come to an end while the camps lasted till the end of the day. With over 120 units of blood being collected and over 300 members utilising the medical camp have been the achievements for the day. The medical camp consisted of checking of blood sugar levels, ECG's and eye testing. It was a proud moment for all of us to contribute a part towards the society. Here are a few pictures from the day.

Report on Free Vaccination Camp

Date : 27-12-2021

Venue : CMRCET Auditorium

CMR College of Engineering & Technology NSS Unit-1 and Unit-2 has organized "Free Vaccination Camp" on 27-12-2021 from 10:00AM to 4:00PM at CMRCET auditorium. The main purpose of the camp is to create awareness about vaccination. College management has arranged vaccination camp for all the staff, faculty and students with the collaboration to CMR Hospital and govt. of Telangana. More than 800 members utilized and vaccinated (Covaxin and Covishield). Getting vaccinated could save your life. COVID-19 vaccines provide strong protection against serious illness, hospitalization and death. There is also some evidence that being vaccinated will make it less likely that you will pass the virus on to others. which means your decision to get the vaccine also protects those around you.

REPORT ON CELEBRATIONS OF 25TH NATIONAL YOUTH DAY

Date : 10-01-2022

Venue : Virtual Mode

On January 10, 2022, The NSS Unit of CMR College of Engineering & Technology in collaboration with The Board of Social Welfare and The Board of Arts & Cultural Affairs of Student Council had conducted a few activities such as Debate, Poster Making, Essay writing and Elocution competition on the occasion of 25th National Youth Festival through virtual meeting. The NSS Program Officer Dr. M. Nagaraju Naik explained about event related information and delivered a speech about the importance of the National Youth Festival. Dr. S. B. Fatima Mary Dean, (Student Affairs) gave a brief description about a very inspiring personality Swami Vivekananda. Principal spoke about the Youth day celebration and also management has supported in all aspects. A very good response was received from the students, and many of them came forward in participating in the above-mentioned competitions. The students from first, second as well as third-year, willingly came forward and gave a very good competition to each other, putting forth strong points in the debate. Students unleashed their creativity and critical thinking skills in the poster-making competition and gave a very good presentation in front of the jury. In the essay competition students have shared their insights in a descriptive and interesting way. The Elocution was no less than the other competitions. The participants pitched their opinions in a simple, yet impactful manner. This whole idea of conducting these activities not only gave an opening to students to represent what they are good at but also equally spread the message that it had to.

Report on Free Vaccination Camp

Date : 07-03-2022

Venue : CMRCET Auditorium

CMR College of Engineering & Technology NSS Unit-1 and Unit-2 has organized "Free Vaccination Camp" on 7-03-2022 from 10:00AM to 4:00PM at CMRCET auditorium. The main purpose of the camp is to create awareness about vaccination among the students and faculty members. College management has arranged vaccination camp for all the staff, faculty and students with the collaboration to CMR Hospital and govt. of Telangana. More than 800 members utilized and vaccinated (Covaxin and Covishield). Getting vaccinated could save your life. COVID-19 vaccines provide strong protection against serious illness, hospitalization and death. There is also some evidence that being vaccinated will make it less likely that you will pass the virus on to others, which means your decision to get the vaccine also protects those around you. Here enclosing some of the related pictures and clipings.

Report on International Women's Day

Name of the Event : International Women's Day

Date : 08-03-2022

Report:

On March 8, 2022, CMR College of Engineering & Technology observed International Women's Day. The event's goal is to recognize women's economic, social, cultural, equality, and political achievements, as well as to increase awareness among students about the status and dignity of women. Dr. V. A. Narayana, principal of CMRCET, delivered a brief speech regarding the significance of Women's Day celebrations. He expressed that the event also marks a call to action for accelerating gender parity. As all women come together, significant activity is witnessed worldwide to celebrate women's achievements or rally for women's equality. Dr. Fathima Mary, Dean Student Affairs, and NSS program officer, as well as female students, attended the event. Some inspiring lectures and enjoyable events were planned for the gathering. They all delivered a vibrant speech and emphasized the point that every year, March 8 is celebrated as International Women's Day but this year, the goal is to create a gender-equal world. It is about celebrating a woman's success and raising awareness against bias. So they said we all should choose to 'challenge' to bring the change. Dr. T. Rohini Reddy NSS program officer unit-2 marked the event by reminding female students that every day should be celebrated as Women's Day. She even motivated the gathering by expressing a thought that women are strong, powerful and invincible. As thousands of mantras encouraging women's existence every day, a special day is indeed a necessity to celebrate women's achievements in all aspects of life.

Report on Blood Donation

Date : 12-03-2022

Venue : EEE Seminar Hall, CMRCET

CMRCET NSS units organized a blood donation camp on 12th March 2022 in association with Osmania Medical Hospital Bloodbank, Hyderabad. The main purpose of the program is to create public awareness in blood donation, by bring-up many clubs, colleges, societies, offices which continuous organize blood donation camps on different occasions. It is a healthy gesture. We must keep this aptitude up at any cost. Our volunteer identifies the requirement of blood at government hospitals and other areas. By organizing such blood donation camps we may help them to enrich their capacity. We have donated 124 units of blood to Osmania Medical Hospital Bloodbank. There was a good response from the faculty and the students as well. 67 teaching & non-teaching members, 241 students as well took part in the event. Dr. Anuradha, Senior medical officer, and Sri Ch. Gopal Reddy, secretary and correspondent, CMRCET, who were keen about inculcating the feeling of humanity and kindness in the hearts of the present youth started this event and made it a grand success. Our principal Major. Dr. V.A. Narayana spoke about importance of blood. This program was organized by 76 NSS volunteers under NSS program officer Dr. M. Nagaraju Naik.
