SECRETARY MESSAGE

Sri.Ch.Gopal Reddy Secretary

It gives me immense pleasure to present the progress and achievements of our institution for the academic year 2022–23. Our institution continues its steadfast commitment to excellence in management education by aligning with the changing demands of the academic and corporate landscape.

In this academic year, we focused on strengthening our teaching–learning processes by integrating innovative methodologies and promoting an industry-oriented curriculum. Emphasis was placed on bridging the gap between theoretical knowledge and practical application, ensuring that students are well-prepared to meet real-world challenges.

Our faculty members have played a crucial role in guiding and mentoring students, fostering a culture of inquiry, creativity, and continuous improvement. The institution has also taken steps to enhance infrastructure and learning resources to provide a supportive academic environment.

We believe that education is not confined to textbooks alone. Therefore, equal importance has been given to co-curricular and extracurricular activities, personality development programs, and value-based education. These initiatives have helped in nurturing well-rounded individuals equipped with leadership qualities, ethical values, and social responsibility.

As we move ahead, our goal remains to develop competent professionals and responsible citizens who can contribute meaningfully to society and the business world.

I extend my best wishes to all students for their academic success and future endeavors. May they continue to strive for excellence and uphold the values of our institution.

We strongly believe in holistic development. Along with academic excellence, students are encouraged to participate in seminars, workshops, cultural activities, and community engagement programs. These experiences help in shaping confident individuals with leadership qualities and a strong sense of responsibility.

I appreciate the dedication and commitment of our faculty members, whose continuous efforts have contributed significantly to the institution's growth. I also commend our students for their enthusiasm and perseverance in achieving their goals.

I Wish all our Students a Bright and Successful Future.

INDUSTRY VISIT

A.Y. 2022-2023

ALEAP, Pragathi Nagar, Hyderabad

As part of the experiential learning initiative, the Department of MBA organized an industry exposure visit to ALEAP (Association of Lady Entrepreneurs of Andhra Pradesh), Pragathi Nagar, Hyderabad, on 15th and 16th July 2022. The visit was attended by 90 MBA I Year students.

The visit enabled students to observe and understand the functioning of an entrepreneurship-support ecosystem, with particular emphasis on women entrepreneurship, MSMEs, business incubation, enterprise development, and managerial practices. Students gained practical insights through interactions and observations, which helped them relate their academic concepts in Entrepreneurship, Management, Marketing, Human Resources, and Operations to real-world business practices.

The programme enhanced students' entrepreneurial awareness, managerial understanding, problem-solving skills, and practical knowledge, thereby bridging the gap between classroom learning and industry exposure.
