NCC COMMITTEE

MINUTES OF MEETING for the Academic Year 2025-26

The first meeting **for the academic year 2025-26** of the NCC committee was called for by the Principal Major Dr. V. A Narayana on 04 June, 2025. The meeting was held in the NCC Office at 2.30 pm.

Attendees

The meeting was presided over by the Chairman Major Dr. V.A. Narayana and attended by the Convener, and the members.

The meeting commenced with the Chairman welcoming and congratulating the committee members for being part of NCC committee.

STANDARD OPERATING PROCEDURE NCC COMMITTEE

National Cadet Corps, the biggest youth organization is functioning under the Ministry of Defense, Govt. of India. It inculcates discipline and sense of unity and patriotism in youth and trains in defense preparedness. It also aims at the development of leadership, character and comradeship among the youth. The Central and State Governments are giving a number of incentives including weightage for education, job reservation etc. for NCC cadets.

Our college has a company of 80 Cadets under 7 (T) Girls BN NCC and 80 Cadets under 4(T) BN NCC is commanded by Lt, Devagiri Divya, Dept of H&S and Lt.Ch.Amith Kumar respectively. The students who get enrolled can attain 'B' and 'C' certificates after a service of two and three years respectively. Cadets participate in activities organized by 7 (T) Girls BN NCC and 4(T) BN NCC through various camps viz. CATC, EBSB, TSC, Republic Day etc.,

Objectives:

- To develop the qualities of character, courage, comradeship, leadership, discipline, secular outlook, spirit of adventure and sportsmanship and the ideals of selfless service among the youth in order to make them useful citizens.
- To create a human resource of organized, trained and motivated youth to provide leadership in all walks of life, including the Armed Forces

AIMS OF NCC:

- To create characteristics of co-operation discipline, leadership, selflessness, adventure in the youth.
- To create a force of youth, which shall be useful for national services at any time.

GOALS OF NCC:

NCC teaches the young minds the importance of discipline in life. It develops the physique of the young girls. It also gives the mind, self-control and satisfaction of achievement. It teaches leadership as well as good follower qualities.

MOTTO OF NCC:

Unity and Discipline (Ekta aur Anushasan)

DGs four cardinal principals of Discipline:

1. Obey with a smile
2. Be Punctual
3. Work hard and without fuss
4. Make no excuses and tell no lies

NATIONAL CADET CORPS OFFERS

TO THE COUNTRY

- An excellent nurturing ground for future leaders of the country.
- A great reservoir of disciplined and motivated youth to contribute to the cause of nation building, people's care and better environment through service in all walks of life.

TO THE STUDENTS

- Opportunity for personality development o Incentive to achieve academic excellence.
- Opportunity to participate in adventure activity.
- Monitory and Medical assistance to cover mishaps during adventure activities.
- Opportunity to travel abroad. o No military service liability. o A chance to serve the Armed Forces. o A life full of adventures. o A life style with honor, dignity and pride
- A cruise to visit foreign ports.
- Learn to care & share with your countrymen.
- To be a leader and manager.

TO THE TEACHERS

Status of service officer without military service liability.

Opportunity to lead cadets into performing social service, adopt finer values in life and become better citizens of the country.

Opportunity to take part in adventure activity.

Opportunity to travel abroad

Ethics of NCC Cadets:

- Be truthful, upright and obedient
- Be punctual and well-disciplined at all times
- Be humane, cultured and compassionate
- Be respectful to your instructors, parents and fellow cadets
- Be open and transparent in personal conduct.
- Be loyal and faithful to the organization you serve
- Always protect the weak
- Spread the message of national integration.

Frequency of committee meeting:

Twice in the every Semester preferably once in two months

- The Committee planned to conduct the NCC raising Day, selection process as well planned different social activities to be held by NCC cadets.
- The meeting came to a close after all the attendees decided to work for the NCC committee faithfully.

The Faculty who attended the first meeting of the NCC committee on 04 JUNE,2025 for the Academic Year 2025– 2026

Report writing on Awareness Program On “WORLD WATER DAY ” on 15-06-2025

The NCC cadets of our college participated in an awareness rally on this occasion. They spread the message of saving water and avoiding water wastage through slogans and posters.

The rally encouraged people to protect water resources for future generations.

OUTCOMES:

The students spread awareness about the importance of water conservation and the need to protect natural water resources.

This event provided a valuable opportunity for the NCC cadets to practice social responsibility and community service skills, and they benefited greatly from the experience.

The program educated participants about the importance of saving water, rainwater harvesting, and preventing water pollution.

The awareness rally encouraged people to use water wisely in their daily lives and understand its importance for a sustainable future.

The event inspired students and the public to actively participate in protecting water resources for future generations..

Report writing on Awareness Program On “International yoga day” on 21-06-2025

International Yoga Day is observed on 21st June every year and serves as a global celebration of the ancient practice of yoga. It offers numerous health benefits, including improved flexibility, strength, balance, and cardiovascular health.

NCC cadets of our college participated in the awareness rally which emphasize the physical, mental, and spiritual aspects of yoga, this day helps individuals discover the transformative power of this ancient practice.

OUTCOMES:

The students spread awareness about importance of yoga. This event was a very good occasion for the NCC cadets to exercise their social work principles and skills and the NCC cadets benefited immensely by the experience.

It educates them about various yoga practices, their impacts on physical and mental well-being, and potential for incorporating yoga into their daily lives.

Breathing exercises and meditation techniques taught during these programs can offer tools for managing anxiety, improving focus, and achieving mental clarity. Regular practice can help individuals build resilience, develop coping mechanisms, and reduce the impact of stressors in their lives.

Report writing on “Graduation Day” on 11-07-2025

On 11th July 2025, an Awareness Program on “Graduation Day” was organized at CMR College of Engineering and Technology to celebrate the academic achievements of graduating students and provide them with valuable guidance on the journey ahead. The event aimed to inspire graduates as they prepared to enter the professional world and offered insights on various career opportunities, self-development, and lifelong learning.

This event saw active participation from the National Cadet Corps (NCC) unit of the institution. The program aimed not only to celebrate the academic achievements of the graduating students but also to foster a sense of discipline, leadership, and national service, as encouraged by NCC values.

OUTCOMES:

Graduation day outcomes can encompass a wide range of experiences. Academically, students may graduate with honors or receive distinctions for their achievements. Career-wise, some graduates might have job offers lined up, while others might be planning to continue their education through advanced degrees or professional certifications. Personally, graduates often feel a strong sense of accomplishment, having completed an important chapter of their lives. This day also brings a mix of emotions, including excitement for the future, nostalgia for the past, and sometimes uncertainty about the next steps.

Report writing on "National youth skill day" on 15-07-2025

On 15th July 2025, CMR College of Engineering and Technology conducted an Awareness Program to observe National Youth Skill Day, focusing on the importance of equipping students with essential skills for future careers. The event aimed to inspire students to embrace skill development as a core part of their growth and prepare them for opportunities in various sectors.

As part of the celebration, students from various departments participated by designing posters, creating PowerPoint presentations, and making explanation videos. These activities showcased the significance of skilling, government initiatives supporting youth empowerment, and the role of practical knowledge in today's job market.

OUTCOMES:

The program successfully promoted awareness about skill development and encouraged students to identify and enhance their talents. It also provided a platform to improve creativity, communication, and presentation skills. Overall, the event was impactful, inspiring students to pursue lifelong learning and become self-reliant and future-ready individuals and youth.

Report writing on “Operation Sindhoor success event” on

28-07-2025

On 28th July 2025, CMR College of Engineering and Technology organized an **Awareness Program on the success of Operation Sindhoor** in the **Central Auditorium**. The program was conducted to inform students about the significance and achievements of Operation Sindoor and to create awareness about national service, dedication, and the efforts made by authorities for the welfare and safety of the nation. The event aimed to educate students about the importance of unity, responsibility, and active participation in nation-building activities.

OUTCOMES:

The awareness program successfully enhanced students' understanding of Operation Sindoor and its importance. It helped participants gain knowledge about national initiatives and inspired them to develop a sense of responsibility towards society and the nation. The session also encouraged students to stay informed about important national activities and contribute positively to community development. Overall, the program was informative and inspiring, leaving a positive impact on all the participants.

Report writing On Awareness Program On “Blood Donation camp” on 11-08-2025

On 11th August 2025, CMR College of Engineering and Technology organized an Awareness Program on Blood Donation Camp in the college premises to highlight the importance of voluntary blood donation and its role in saving lives. The program aimed to educate students about the need for blood donation in hospitals and emergency situations and to encourage them to contribute to this noble cause. The event created awareness about how a single blood donation can help several patients who are in critical need of blood.

OUTCOMES:

The awareness program successfully increased students' understanding of the importance of blood donation and motivated them to participate in such life-saving initiatives. It helped create a sense of social responsibility and compassion among the participants. The event inspired students to contribute towards society by donating blood and supporting those in need. Overall, the program was meaningful and impactful, encouraging students to actively take part in future blood donation drives.

Report writing on Awareness Program On “Independence Day Parade” on 15-08-2025

Independence Day is observed on 15th August each year and holds immense significance in the hearts of every Indian. It stands as a beacon of national pride and unity for every citizen. It marks the historic day in 1947 when India gained freedom from British colonial rule. The celebrations on this auspicious occasion serve as a reminder of the sacrifices made by our freedom fighters and inspire a deep sense of patriotism among the populace.

NCC cadets of our college participated in the Independence Day celebrations held in our college. For these young patriots, Independence Day is a powerful catalyst for personal growth, leadership development, and a deepening sense of duty towards their country

OUTCOMES:

Independence Day serves as a transformative influence on NCC cadets, molding them into responsible, disciplined, and patriotic individuals. It ignites a passion for serving the nation and instills values of leadership, unity, and social responsibility. As these young cadets imbibe the spirit of independence, they emerge as future leaders who will continue to uphold the principles and ideals for which our nation stands. Their dedication and commitment stand as a testament to the enduring legacy of Independence Day in shaping the character of India's youth

Report writing On Awareness Program On “World River day on 24-09-2025

On 24th September 2025, CMR College of Engineering and Technology organized an Awareness Program on World Rivers Day in the college to highlight the importance of protecting and preserving rivers. The program aimed to create awareness among students about the role of rivers in supporting life, agriculture, and the environment. It also focused on educating students about the need to conserve water resources and prevent river pollution for the benefit of future generations.

OUTCOMES:

The awareness program successfully increased students' understanding of the importance of rivers and the need to protect them. It encouraged participants to adopt environmentally friendly habits and contribute towards water conservation. The program also inspired students to take responsibility for protecting natural resources and maintaining a clean environment. Overall, the event was informative and impactful, motivating students to support river conservation and environmental sustainability.

Report writing on Awareness Program On “Republic Day Parade” on 26-01-2026

Republic Day is observed on 26th January each year and holds immense significance in the hearts of every Indian. It stands as a symbol of national pride, unity, and democratic values. This historic day marks the adoption of the Constitution of India in 1950, making India a sovereign, democratic republic. The celebrations on this auspicious occasion remind us of the sacrifices made by our freedom fighters and the vision of our national leaders who laid the foundation of our Constitution. It inspires every citizen to uphold the values of justice, equality, and patriotism.

NCC cadets of our college actively participated in the Republic Day celebrations held in our college. For these young patriots, Republic Day serves as a source of inspiration for personal growth, discipline, leadership development, and a stronger sense of responsibility towards the nation. Their enthusiastic participation reflected their dedication, unity, and commitment to serving the country with pride and honor.

OUTCOMES:

Republic Day serves as a transformative influence on NCC cadets, shaping them into responsible, disciplined, and patriotic individuals. It inspires a deep respect for the Constitution and strengthens their commitment to serving the nation with dedication and integrity. The occasion instills values of leadership, unity, discipline, and social responsibility among the cadets. As these young patriots embrace the spirit of the Republic, they emerge as future leaders who uphold the democratic values and ideals on which our nation is built. Their enthusiasm and commitment reflect the enduring significance of Republic Day in shaping the character and vision of India's youth.

Report writing on Awareness Program On “CHIGURU” on 01-02-2026

Chiguru 2026 is a social and cultural initiative that provides a platform for school children to showcase their talents, creativity, and skills in a supportive and encouraging environment. The event was conducted at **CMR College of Engineering & Technology (CMRCET), Hyderabad**, bringing together students, volunteers, and organizers for a day of learning, cultural activities, entertainment, and interaction. Various activities were organized to encourage children to express themselves, develop confidence, and discover their abilities. The event also promoted values such as teamwork, communication, leadership, volunteering, and social responsibility. Through the active involvement of volunteers, Chiguru created a joyful and memorable experience for the participating children while encouraging them to recognize their potential and contribute positively to society.

OUTCOMES:

Chiguru 2026 at CMR College of Engineering & Technology (CMRCET) provided a valuable platform for students to showcase their talents, creativity, and abilities in a supportive and encouraging environment. The event helped participants develop confidence, communication skills, teamwork, and a sense of social responsibility. It also encouraged students to interact with others, explore their potential, and express themselves through various cultural and creative activities. The involvement of volunteers further promoted the spirit of community service, cooperation, and leadership. Overall, Chiguru 2026 created a positive and memorable learning experience for the participants while encouraging them to recognize their talents and contribute actively to society.

Report writing on Awareness Program On “SWACHH BARATH ABHIYAN” on 13-03-2026

The **Swachh Bharat Abhiyan** is a nationwide cleanliness campaign launched by the Government of India with the aim of improving sanitation, promoting cleanliness, and creating awareness about proper waste management. The campaign encourages citizens, students, educational institutions, and communities to actively participate in maintaining clean and hygienic surroundings. As part of the initiative, cleanliness drives, waste collection, awareness programmes, and activities promoting responsible waste disposal are conducted. The programme also focuses on developing good hygiene habits and encouraging people to take responsibility for keeping their surroundings clean. Through such activities, students gain awareness about environmental responsibility, teamwork, and the importance of cleanliness in creating a healthy and sustainable society.

OUTCOMES:

The Swachh Bharat Abhiyan activity helped create awareness among students and the community about the importance of cleanliness, hygiene, and proper waste management. Through active participation in cleaning activities and awareness initiatives, students developed a greater sense of responsibility towards maintaining a clean and healthy environment. The programme also encouraged teamwork, discipline, and civic responsibility while promoting good sanitation practices. Overall, the activity motivated participants to adopt cleanliness as a regular habit and encouraged them to contribute towards building a cleaner, healthier, and more sustainable society.
