SECRETARY MESSAGE

Sri.Ch.Gopal Reddy
Secretary

Each academic year is a new opportunity to envision progress, strengthen our institutional culture, and reaffirm our commitment to academic excellence. This year, we continue to build on our strong foundations while embracing innovative approaches to teaching, learning, and overall student development.

Our institution has always strived to create a nurturing environment where students are empowered to explore their potential, develop critical skills, and grow into confident individuals ready to contribute meaningfully to society. The collective efforts of our faculty, students, administrative staff, and stakeholders have enabled us to achieve remarkable milestones over the years, and I am confident that the same spirit of dedication will guide us through 2025–26 as well.

As we move forward, our focus remains on strengthening academic rigor, promoting value-based education, and expanding opportunities for holistic development. I encourage our students to take advantage of every platform offered to them—be it academic, cultural, or professional—and to pursue excellence with determination and integrity.

I extend my heartfelt appreciation to the Principal, Heads of Departments, faculty members, and support staff for their unwavering commitment to the institution's vision. My best wishes to all students for a productive, enriching, and inspiring academic year ahead.

PRINCIPAL'S MESSAGE

Dr.A. Seshu kumar
Principal

. Each year marks a new chapter in our institution's journey toward excellence, and this year is no exception. As we step into a fresh academic cycle, we renew our commitment to nurturing a dynamic academic environment where learning, innovation, and values come together to shape future-ready professionals.

Our focus continues to be on academic rigor, experiential learning, and holistic development. With the support of our dedicated faculty, we strive to create opportunities that encourage critical thinking, creativity, and leadership among students. As the world evolves rapidly, it becomes essential for students to stay adaptable, develop new skills, and embrace continuous learning. Our institution remains committed to providing this foundation.

I extend my sincere appreciation to our staff, faculty members, and students for their consistent efforts in upholding the values of the institution. I encourage every student to participate actively in academic, cultural, and professional engagements offered throughout the year.

May this academic year bring new accomplishments, meaningful learning experiences, and personal growth for every member of our college community.

HOD’S MESSAGE

Dr. A. Kotishwar
Head of the Department – MBA

I am delighted to present the HOD’s Message for the Academic Year 2025–26. Our department continues to strive for excellence by fostering an environment that promotes academic strength, research orientation, and professional competency. The dedication and teamwork displayed by our faculty and students have been instrumental in elevating the department’s achievements year after year.

This academic year, we aim to deepen our focus on practical learning, industry exposure, and skill-enhancement programs that prepare students for the evolving demands of the professional world. I urge students to take ownership of their learning, participate in departmental activities, and make the best use of the academic resources available to them.

I extend my heartfelt gratitude to the faculty members for their unwavering commitment and to the students for their enthusiasm and hard work. Together, let us continue to build a vibrant learning ecosystem that encourages excellence, innovation, and character.
Wishing everyone a productive and enriching year ahead.

EDITOR'S MESSAGE

Ms. Santoshi Shetty
Assistant Professor
Editor

With great pleasure, I present the Editor's Message for the Academic Year 2025–26. This publication reflects the collective spirit, creativity, and accomplishments of our students and faculty. Each contribution—whether academic, artistic, or reflective—represents the vibrant talent that defines our institution.

The magazine serves not only as a platform for expression but also as a record of the year's achievements, events, and memories. As Editor, my goal has been to capture these moments with authenticity while encouraging student participation and creativity. I am proud of the dedication shown by the editorial team, contributors, and mentors who have worked tirelessly to bring this edition to life.

I hope this year's publication inspires readers, celebrates student achievements, and highlights the progress of our institution. Let us continue to build a culture where ideas are valued, voices are heard, and creativity is celebrated.

My best wishes for a fulfilling and successful academic year 2025–26.

CAMPUS RECRUITMENT TRAINING

Acknowledgement

We extend our sincere gratitude to the management of CMR College of Engineering & Technology for organizing this insightful training session. We are especially thankful to Dr. A. Kotishwar Sir, Head of the Department of MBA, for his constant support and guidance. We also express our appreciation to our placement coordinators, Ms. Swapna and Ms. Mounika, for their dedicated efforts in conducting these sessions and continuously mentoring us and preparing us to face the challenges of today's competitive world.

Day-1:

SOFT SKILL SESSION Introduction to Corporate World.

The session began with an introduction to the importance of soft skills in the corporate world. It was facilitated by SANGEETHA MA'AM, an expert in communication and personality development with years of experience guiding us toward corporate readiness, Ma'am started the session by highlighting the importance of presenting oneself effectively during interviews. The session covered key aspects such as common HR interview questions, how to answer them confidently, and techniques to structure impactful responses. Tips were also given on improving body language, maintaining eye contact, and confidently introducing oneself during interviews.

APTITUDE SESSION Averages & Calendar

This session was facilitated by JAGADEESH SIR, and was designed to build reasoning skills through topics like Calendar, & Problems on Averages. Basic math concepts were also revised to ensure that we could follow the logic and calculations smoothly. The sessions was highly interactive and provided practical insights into improving our professional presence.

Day-2:

SOFT SKILL SESSION Self-Introductions

The soft skills session was equally engaging and insightful. It began with a round of self-introductions, where each team member got a chance to speak about themselves, helping us get to know one another better and improve our communication skills. The session also highlighted the importance of certifications in enhancing our professional profiles. We were guided on how to choose the right certifications relevant to our fields and how they can add value to our resumes.

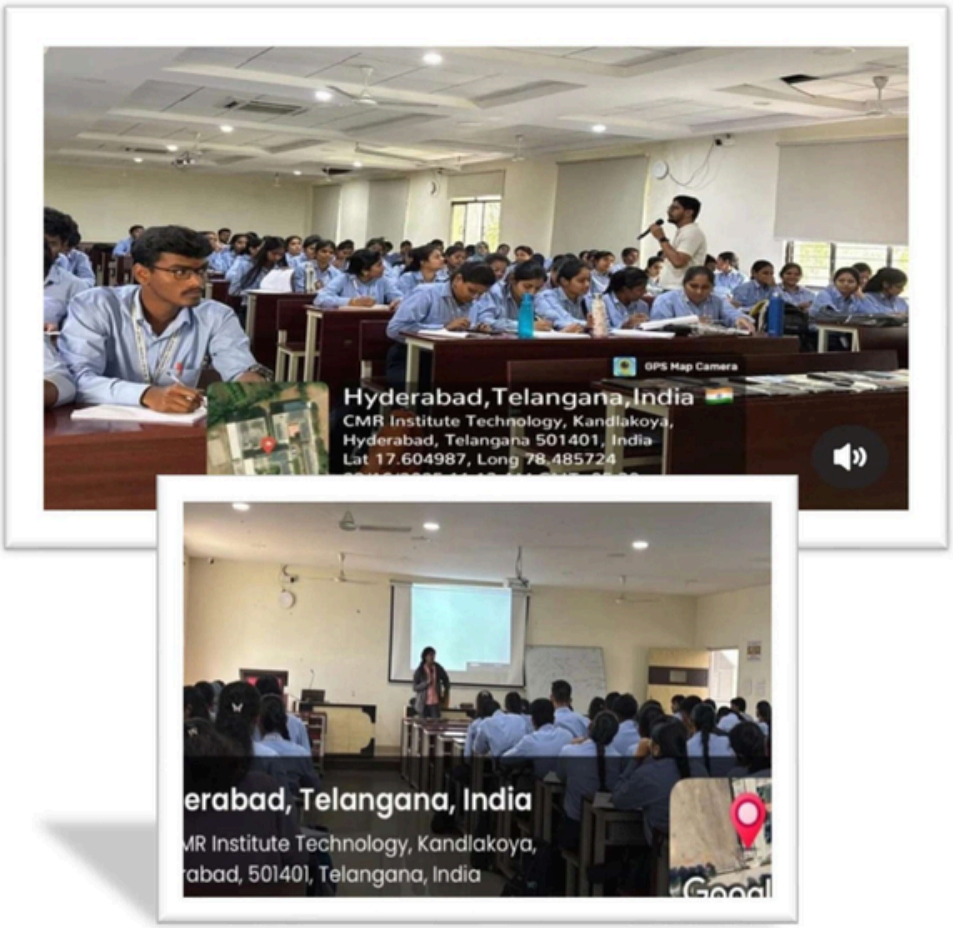

APTITUDE SESSIONRatio & Proportion, Clocks

The session began with a quick recap of basic concepts, followed by solvingvarious types of problems that tested both speed and accuracy. Practical problems were given to us for hands-on practice, helping us understand different approaches to arrive at the correct answer. along with academic understanding, applying logic and presence of mind is essential in solving such problems effectively.

Day-3:

APTITUDE SESSION Problems on Ages & Blood Relations

The day began with a quick brain teaser warm-up to activate logical thinking. Followed by problems on Ages and Blood Relations, both common in aptitude tests. In Ages, we learned how to frame equations using age differences and ratios to solve time-based questions efficiently. BloodRelations involved understanding and analyzing family connections using logic and diagrammatic representations. He encouraged us to approachproblems logically and avoid overcomplicating. This practical approach helped in improving both speed and accuracy.

SOFT SKILL SESSION Six Thinking Hats Process

In this session we shifted focus to soft skills, specifically the Six Thinking Hats. This technique taught us how to think in a structured way by wearingdifferent "hats" that represent different perspectives. We engaged in interactive activities and discussions with group that helped us apply the hats to real-world situations.

Day-4:

APTITUDE SESSION Blood Relations, Clocks, & Calendar

The session began with a quick aptitude round of thought-provoking puzzles and a short recap of blood relations, clocks, & calendar. This session was an eye-opener for us in terms of logical depth and speed-based accuracy. Apart from understanding concepts, we learned how to strategically approach and simplify complex problems, which is key to excelling in aptitude tests. Everyonein this session tried to gain as much knowledgeas possible. Also sir explained us to approach problems logically and avoid overcomplicating.

Day-5:

Aptitude Class:Directions & Distance

The aptitude session on directions and distance began with a basic concept. We then moved to solving various types of problems, which were designed to test both our speed and accuracy in applying these concepts. We learned how to determine the position of an object or location. We engaged in activities where we had to identify the directions & distances between different points. It strengthened a vital aspect of logical reasoning and gave us practical tools to approach direction-based questions confidently.

Day- 6, 7 & 8 :

SOFT SKILL SESSION Mock Interviews

Mock Interviews were organized and conducted in a team-wise manner, simulating a real interview environment. Each participant was required to bring their updated resume and undergo an individual assessment by the interview panel. It help us to gain confidence in handling real interviews & assess communication skills, technical knowledge, and presentation. To identifywhere we are lacking and improve gaps in interview preparation. The feedback we received will help us to improve our preparation strategy, enhance self-awareness, and increase our chances of success during actual campus recruitment drives.

"Feedback from a mock interview is the BLUEPRINT for a better performance ".

APTITUDE SESSION: Percentages, Time & Work, Profit & Loss, & Seating Arrangements

The aptitude sessions covered a range of essential topics, including percentages, time & work, profit & loss, & seating arrangements. In each session sir explained concepts clearly, provided shortcuts for faster solving, and shared practical tips to avoid common mistakes. We covered calculating percentage increases & decreases. In time & work we learned how to solve problems involving the efficiency of individuals & groups. Profit & loss session focused on understanding & solving problems on cost price, selling price, Profit, & loss. In seating arrangement introduced us to different types of arrangements, such as linear, & circular arrangements, & strategies for solving.

Day- 9, 10 :

SOFT SKILL SESSION Group Discussion

The Group Discussion (GD) session was a highly interactive and insightful. This helped us learn how to initiatea discussion, presentour views effectively, listen actively, and respond thoughtfully to others' opinions. SHIVANI MA'AM also gave us valuable feedback on our body language, clarity of speech, and teamwork.

APTITUDE SESSION Probability, Coding-Decoding, Analogy, and Classification & Syllogism

The sessions began with a quick aptitude round followed by in-depth learning on key reasoning topics such as Probability, Coding-Decoding, Analogy, and Classification & Syllogism where we not only received explanations of these concepts but were also given problems to solve, encouraging active participation and application. also sir explained us combining academic knowledge with practical thinking, reminding us that common sense plays a crucial role in problem-solving.

Day- 11 :

SOFT SKILL SESSION Group Discussion & Mock Interview & LinkedIn Profile

The session began with a brief recap of the Group Discussion (GD) and Mock Interview by Sangeetha ma'am. The focuswas on addressing any remainingdoubts or questionsthat we had regarding GD strategies, resume building, and commonly asked interview questions. She provided detailed guidance on how to structure a professional resume. After that, the session moved into building a strong professional presence online on LinkedIn. She guided us on how to create a compelling LinkedInprofile by usinga professional photo, writinga strong headline and summary. She also encouraged us to stay active on the platform by sharing relevant content, participating in discussions, and following companies of interest.

APTITUDE SESSION: Simple Interest, Compound Interest & Alligation & Mixture

The session began with the aptitude rounds like Simple Interest, Compound Interest, and Alligation & Mixture. Sir explained us the basic concepts and formulas clearly & shortcut methods to solve problemsquickly and accurately. The session includedhands-on practice questions and helpful tips to avoid common mistakes.

In 3rd Round, We have invited a faculty-Dr.B.D.Hansraj Sir for the Judgment. Sir was asking Questions to the finalist one-by-one. The method of asking questions by faculty created an enthusiasm in the finalist. They felt very happy and responded back to the faculty in an appropriate manner.

STARTUP STROM

Event Structure:

The event was conducted in two rounds to evaluate both creativity and practical business skills.

Round 1: Idea Pitching

Participants were invited to present their startup ideas. Each participant or team explained their concept, target audience, and potential impact. The evaluation was based on innovation, feasibility, and clarity of presentation. Based on these criteria, the top 5 ideas were shortlisted for the next round.

Round 2: Case Study Challenge

The shortlisted teams were given a business case study to assess their ability to run and manage a business. This round tested their problem-solving skills, strategic thinking, and decision-making abilities. Teams worked collaboratively and presented their solutions within the given time.

In the case study round, students effectively demonstrated their analytical thinking, teamwork, and problem-solving skills by developing practical business strategies. They presented their solutions confidently, showcasing their ability to handle real-world business challenges.

Evaluation and Judging:

Judges evaluated the teams based on multiple criteria including problem-solving ability, business understanding, teamwork, and the practicality of their solutions. They also considered how effectively teams analyzed the given case study, the creativity and feasibility of their strategies, and their ability to present ideas clearly and confidently. Additionally, communication skills, time management, and coordination among team members played an important role in the final assessment.

Event Overview:

AZURA 2K26, organized by the Department of MBA at CMR College of Engineering & Technology, successfully hosted the IPL Auction event, a dynamic simulation inspired by the real-world Indian Premier League auction system.

The event was designed to provide students with practical exposure to strategic decision-making, team management, budgeting, and analytical thinking. Participants engaged in a competitive environment where they built their teams through bidding strategies, balancing player categories, and managing financial constraints effectively.
